

THE PATH OF THE COLUMNIST

KAMALA SURAIYA

The path of the columnist is a collection of articles from the popular columns of Dr. Kamala Suraiya.

Satirical or propitious, despondent or optimistic, wistful or pragmatic, each article is a telling comment on the human situation, and reflects the concerns of a sensitive soul for the profound as well as the absurd happenings around her.

Written with her characteristic candour and simplicity, the book offers the reader fresh insights into the ways of this present world. And is an essential addition to any library of worth.

A book is a good substitute for a man. Fiction, preferably. A friend presented me with Vivekananda and Krishnamoorthy. Both seemed half grown and so inexperienced. They did not ever have a taste of Grihasthashram. How would a man be a man if he has not at least once given himself away...?
