The Journey of Intense Quietness Joan B. Weller, 2012-04 *The Journey of Intense Quietness* is a story of amazing discovery. Twenty years ago the Lord began to open my ears, sharpen my spiritual eyesight, and increase my longing to know the Father. As I learned to be tuned to His voice within me, I was nourished by Scripture and could receive His great words of direction. Weary and stressed believer, I invite you to come with me on this path that leads through hushed still places and along quiet byways leading to the Father. You will read simple, frank, tender stories and life lessons. Walk this trail with me, entering into an inner quietness where preoccupations no longer distract. This is a beautiful work, profound but simple, writes a friend. The words lodge inside me and transform, whether I like it or not. This book is an inspiration to anyone who is a follower of Christ. It is patient, kind, and presents itself as a way of life that is available to all who want to hear God love Him and follow Him. Most of all, there is a supernatural sense of God's love for us, His children, and how much He longs to be with us.

Treatise On the Holy Spirit Basil the Great, 2023-11-22 In *Treatise On the Holy Spirit* Basil the Great presents a profound theological exploration of the role and essence of the Holy Spirit within the Trinity. Written in a rhetorical style characteristic of the early Church Fathers, the treatise engages with contemporary theological debates, particularly against the backdrop of the Arian controversy. Basil's eloquent prose not only articulates doctrinal positions with clarity but also emphasizes the transformative power of the Holy Spirit in the life of believers, positioning it as essential for understanding divine presence and action in the world. Basil the Great, a pivotal figure in early Christian thought and a Bishop of Caesarea, was deeply influenced by his context and the theological challenges of his time, particularly about the nature of God and Christ. His commitment to orthodoxy and pastoral care led him to confront heresies that threatened the unity of the Church. *Treatise On the Holy Spirit* is both a theological defense and a deeply spiritual reflection, showcasing

Basil's analytical prowess and warm pastoral heart This treatise is highly recommended for scholars of early Christian theology and lay readers alike as it provides essential insights into the workings of the Holy Spirit encouraging readers to engage deeply with their faith and the mysteries of the divine
