THAT SHOWS HOW A LIGHT FROM ABOVE SHAPED OUR NATION Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot's Bible This extremely unique Bible shows how the

history of the United States connects the people and events of the Bible to our lives in a modern world. The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full color family record section, memorable images from our nation's history and hundreds of enlightening articles which complement the New King James Version Bible text.

The Bible in American Law and Politics John R. Vile, 2020-09-19. While scholars increasingly recognize the importance of religion throughout American history, *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life. In considering revolting from Great Britain, Americans contemplated whether this was consistent with scripture. Americans subsequently sought to apply Biblical passages to such issues as slavery, women's rights, national alcoholic prohibition, issues of war and peace, and the like. American presidents continue to take their oath on the Bible. Some of America's greatest speeches, for example, Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech, have been grounded on Biblical texts or analogies. Today, Americans continue to cite the Bible for positions as diverse as LGBTQ rights, abortion, immigration, welfare, health care, and other contemporary issues. By providing essays on key speeches, books, documents, legal decisions, and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures, John Vile provides an indispensable guide for scholars and students in religion, American history, law, and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues.

The Oxford Handbook of the Bible in America Paul C. Gutjahr, 2017. Early Americans have long been considered "A People of the Book." Because the nickname was coined primarily to invoke close associations between Americans and the Bible, it is easy to overlook the central fact that it was a book, not a geographic location, a monarch, or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture. Few books can lay claim to such powers of civilization-altering influence. Among those which can are sacred books, and for Americans, principal among such books stands the Bible. This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions. It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy. This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation.

The Ballot and the Bible Kaitlyn Schiess, 2023-08-22. Pursue a Biblical Basis for Your Political Engagement. How do Bible passages written thousands of years ago apply to politics today? What can we learn from America's history of using the Bible in politics? How can we converse with people whose views differ from our own? In *The Ballot and the Bible*, Kaitlyn Schiess explores these questions and more. She

unpacks examples of how Americans have connected the Bible to politics in the past highlighting times it was applied well and times it was egregiously misused Schiess combines American political history and biblical interpretation to help readers faithfully read Scripture talk with others about it apply it to contemporary political issues and to their lives A nuanced look at America's legacy of scriptural language Publishers Weekly starred review Christianity Today 2024 Book Award Finalist Politics and Public Life

The Patriots Jack Cavanaugh, 1995 As England and her American colonies went to war the loyalties of good men and women were put to the test This is their story The Patriots Esau and Jacob Morgan had been at odds with each other since their births moments apart Their rivalry had spanned three decades and reached its peak when Jacob practically stole the attractive Mercy Reed for his wife while Esau her fianc was away studying in England Now Jared and Anne Morgan are forced to watch as their sons take opposing stands in the struggle for American liberty Will the war for independence tear the Morgans apart And if they survive will the Morgan family faith and Bible continue in America or will they return to England where it all started Follow the Morgan family as they are tossed about by the tides of conflict from the battlefields of Lexington and Concord to the deadly winter encampment at Valley Forge to the seats of colonial power in Boston Philadelphia and New York as their lives cross paths with influential men and women who changed the course of history

One Nation Under God Leon G. Stevens, 2018-10-01 An account of the spiritual direction of our country from the time the Puritans landed in the new world up to today Exploring our loss of faith in God and how that loss has impacted our society this book includes quotes from some of the people who had the most influence on the growth of our once great nation and some of the people and events that have caused our nation to decline economically socially and morally One Nation Under God includes many landmark court cases that have affected the way the American people can worship the Lord in public and in private One Nation Under God is a map of our rise to greatness and our decline to the potential oblivion of this onetime light on the hill for all the world to follow It also is a guide on how to reclaim our greatness by turning back to God for His forgiveness and guidance The farther away we move from God the worse our society becomes One Nation Under God sets out to prove to the country possibly the world that we are a Christian nation

The Old Documents & the New Bible John Paterson Smyth, 1915 Every Leaf, Line, and Letter Timothy Larsen, 2021-05-04 Christians within evangelicalism have always had a high regard for the Bible How has the eternal Word of God been received across various races age groups genders nations and eras This collection of historical studies focuses on evangelicals defining uses and abuses of Scripture from Great Britain to the Global South from the high pulpit to private devotions and public causes

One Nation Under God: A Factual History of America's Religious Heritage Leon G. Stevens, 2012-03 p One Nation under God the Factual History of America's Religious Heritage is a study of our Founding Fathers their beliefs their goals and their history It uses the direct words of the Founding Fathers from personal letters personal Bible notes and many more substantiated sources The book follows the spiritual direction of our country from the time the Puritans landed in the new world up to today Our loss of faith

in God and how that loss has impacted our society is profiled. It includes quotes from some of the people that had the most influence on the growth of our once great nation and some of the people and events that have caused our nation to decline economically, socially, and morally. One Nation under God includes many landmark court cases that have affected our way of life in the way the American people can worship the Lord in public and in private. The book is a map of our rise to greatness and our decline to the potential oblivion of this once light on the hill for all the world to follow. It also is a guide on how to reclaim our greatness by turning back to God for His forgiveness and guidance. The farther away we move from God, the worse our society becomes. I started writing One Nation under God setting out to prove to the country, possibly the world, that we are a Christian nation. One Nation Under God helps us remember who we are and what we did and thus helps preserve the American spirit. David Barton, Historian, Author, TV Producer, founder of Wallbuilders. **Hebrew Bible / Old**

Testament. III: From Modernism to Post-Modernism. Part I: The Nineteenth Century - a Century of Modernism and Historicism Magne Sæbø, 2012-12-05. Dieser erste Teilband des dritten und letzten Bandes des HBOT Projekts setzt die kritische Darstellung der ganzen Rezeptionsauslegung und Forschungsgeschichte der Hebräischen Bibel des Alten Testaments fort und berücksichtigt die neuen Aspekte dieser Geschichte im neunzehnten Jahrhundert und zwar auf jüdischer wie auf christlicher Seite unter katholischen wie unter protestantischen Theologen und Forschern. Dabei macht sich vor allem eine neue Faszination des Phänomens einer vielfältigen und bunten Geschichte bemerkbar, die Geschichte ruht in den Brennpunkt und mit dem immer breiter ausgreifenden und vielfältigen historischen Kontext tritt ein entschieden stärkeres Interesse an historischen Fragestellungen bei der Auslegung und Erforschung der Bibel in den Vordergrund. Diese Kursänderung kommt namentlich an den Tag, wenn das Alte Testament in seinen vorderorientalischen Kontext neu heringeordnet wird, während die Bezüge zur Kirche und Synagoge mehr oder weniger geschwächt werden. Sobald eine historisch-kritische Ann Herungsweise und Methode in der Bibelforschung allmählich an Dominanz gewinnt, gerät das Verhältnis zwischen der neuen wissenschaftlichen Exegese und der herkömmlichen kirchlichen Auslegung des Alten Testaments mehrfach in eine Krise, und zudem werden Streitigkeiten zwischen Fronten hervorgerufen, doch enthält diese weithin krisenhafte Lage noch Möglichkeiten fruchtbarer Neuorientierungen in der Bibelwissenschaft wie in Leben und Lehre der Kirchen. Dabei greift das auslaufende 19. Jahrhundert auf das 20. Jahrhundert aus. **The Patriot's Bible** John Eagleson, Philip J. Scharper, 1975.

Quotations from American political figures, social commentators, newspapers, and the Bible arranged according to major themes from the Declaration of Independence and the Constitution of the United States. **Reading the Bible with the Founding Fathers** Daniel L. Dreisbach, 2017. No book was more accessible or familiar to the American founders than the Bible, and no book was more frequently alluded to or quoted from in the political discourse of the age. How and for what purposes did the founding generation use the Bible? How did the Bible influence their political culture? Shedding new light on some of the most familiar rhetoric of the founding era, Daniel Dreisbach analyzes the founders' diverse use of scripture.

ranging from the literary to the theological He shows that they looked to the Bible for insights on human nature civic virtue political authority and the rights and duties of citizens as well as for political and legal models to emulate They quoted scripture to authorize civil resistance to invoke divine blessings for righteous nations and to provide the language of liberty that would be appropriated by patriotic Americans Reading the Bible with the Founding Fathers broaches the perennial question of whether the American founding was to some extent informed by religious specifically Christian ideas In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse the answer to that question is clearly yes Ignoring the Bible s influence on the founders Dreisbach warns produces a distorted image of the American political experiment and of the concept of self government on which America is built **A**
