

# Poems about Being a Strong Woman

By Maya Anthony

## Unyielding Roots

Like a tree with roots deep and strong,  
She stands firm, where she belongs.  
Storms may rage, winds may howl,  
Yet she sways, but never bows.

In her heart, a core of steel,  
Against life's gales, she refuses to kneel.  
Rooted in courage, in love's rich soil,  
In her resilience, she never spoils.

Through seasons change, she remains upright,  
In her spirit, an endless light.  
Unyielding roots, in life's vast flood,  
In her strength, she stands, unshaken, unbowed.

**Art and Analysis** Edward G. Ballard, 2012-12-06 Aesthetics fledgling of the philosophic brood is the most suspect of that family It is suspected of all the philosophical sins vagueness disorder dogmatism emotionalism reductionism compartmentalization Sometimes its youth is thought to be a sufficient excuse for these divagations Sometimes the very nature of its content involving the waywardness of genius the remoteness of feeling from intellect the surd of inspiration in even the mildest appreciation are believed to condemn aesthetics irrevocably to the underside of the civilized man's domain Some philosophers have gloried in this apparently mystical and a rational quality and have seen in it the very nature of the beautiful others have come to regard it rather as evidence of the unskillfulness of our minds and have turned away from aesthetic problems to the task of sharpening the aesthetician's language and logic The laughter of the gods is not difficult to discern through the poetry of the more mystical aesthetician or through the prose of the analysts Meanwhile the manifold complexities and problems of aesthetic experience invite our understanding For aesthetic experience is a present fact of human life and may perhaps be understood by men Such at least will be the present assumption This is the reason why the title of this book mentions art together with analysis for if art is intelligible the work of art and the experience of it may be analyzed into its functional parts
