**The Paul Street Boys** Ferenc Molnár, 1927      **No Greater Glory** Ferenc Molnár, 1927      **Hungarian Cinema** John Cunningham, 2004 Hungarian cinema has often been forced to tread a precarious and difficult path Through the failed 1919 revolution to the defeat of the 1956 Uprising and its aftermath Hungarian film makers and their audiences have had to contend with a multiplicity of problems In the 1960s however Hungary entered into a period of relative stability and increasing cultural relaxation resulting in an astonishing growth of film making Innovative and groundbreaking directors such as Mikl s Jancs Hungarian Rhapsody The Red and the White Istv n Szab Mephisto Sunshine and M rta M szaros Little Vilma The Last Diary emerged and established the reputation of Hungarian films on a global basis This is the first book to discuss all major aspects of Hungarian cinema including avant garde animation and representations of the Gypsy and Jewish minorities      *The Paul Street Boys* Ferenc Molnár, 1998      *The Boys of Paul Street* Ferenc Molnar, 2017-11-28      *The Oxford Guide to Literature in English Translation* Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available      *The Paul Street Boys* Ferenc Molnar, 1999-09      *The American Hebrew* , 1927      *Contemporary Jewish Writing in Hungary* Susan Rubin Suleiman, \_va Forg<sup>3</sup>/<sub>4</sub>cs, 2003-01-01 Contemporary Jewish Writing in Hungary features works by twenty four of Hungary s best writers who have written about what it means to be Jewish in post Holocaust Eastern Europe This volume includes work by Nobel Prize winner Imre Kert sz and other internationally known writers such as Gy rgy Konr d and P ter N das but most of the authors appear here in English for the first time This anthology features poetry long and short stories and excerpts from memoirs and novels by postwar writers Some of these authors were well known in Hungary before World War II some were children or adolescents during the war and began publishing in the 1970s some were born to survivors in the years immediately following the war and grew up during the decades of Communist rule while others started publishing chiefly after the fall of Communism in 1989 Unique among Eastern European countries Hungary still has a large and visible Jewish population many of them writers and intellectuals living in Budapest This anthology introduces English speaking readers to outstanding works of literature that show the wide range of responses to Jewish identity in contemporary Hungary The editors introduction provides a historical and critical context for these works and discusses the important role of Jews in Hungarian culture from the late nineteenth century to the present      *The Paul Street Boys* , 2012      **Urban Culture and the Modern City** Ágnes Györke, Tamás Juhász, 2024-03-15 When consulting key works on urban studies the

absence of Central and Eastern European towns is striking. Cities such as Vienna, Budapest, Prague, and Trieste, where such notable figures as Freud, Ferenczi, Kafka, and Joyce lived and worked, are rarely studied in a translocal framework as if Central and Eastern Europe were still a blind spot of European modernity. This volume expands the scope of literary urban studies by focusing on Budapest and Hungarian small towns, offering in-depth analyses of the intriguing link between literature, the arts, and material culture in the 20th and 21st centuries. The case studies situate Hungarian urban culture within the global flow of ideas as they explore the period of modernism, the mid-century, and the post-1989 era in a context that moves well beyond the borders of the country.

*In a Bucolic Land* Szilárd Borbély, 2022-01-11 A moving posthumous collection of elegies and eclogues that meditate on nature, landscape, and history by a great Hungarian poet. Szilárd Borbély spent his childhood in a tiny impoverished village in northeastern Hungary where the archaic peasant world of Eastern Europe coexisted with the collectivist ideology of a new Communist state. Close to the Soviet border and far from any metropolitan center, the village was a world apart. Life was harsh, monotonous, and often brutal, and the Borbélys, outsiders and class enemies, were shunned. *In a Bucolic Land*, Borbély's final posthumously published book of poems, combines autobiography, ethnography,

classical mythology and pastoral idyll in a remarkable central poetic sequence about the starkly precarious and yet strangely numinous liminal zone of his youth This is framed by elegies for a teacher in which the poet meditates on the nature of language and speech and on the adequacy of words to speak of and for the dead Ottilie Mulzet's English translation conveys the full power of a writer of whom László Krasznahorkai has said He was a poet a great poet who shatters us *Lonely Planet The World Lonely Planet, The United States Catalog* Ida M.
