The Pearl Bastard:

The Pearl Bastard Lillian Halegula, 2021-04 During a school holiday 15 year old Francie escapes from her stifling New York home to the seaside on Long Island On the beach she is raped leaving her pregnant and unable to return home Even her adopted Jewish family at the coastal motel at which she has taken a summer job cannot assuage her unhappiness and she becomes a victim of her age her era and of society In Halegula's first person narration there is real understanding of the difficulties of communication between adults and teenagers in the late 1950s The Pearl Bastard is a sensitive lyrical evocation of the world of adolescence that is as relevant now as it was on its first publication Part of the new look Peter Owen Modern Classics range featuring a logo crafted by graphic design icon Alvin Lustig **The Pearl Bastard** Lillian Hale, 1959

championed her work While the representations of violence found in Carrie Mae Weems's installation *From Here I Saw What Happened and I Cried* Morrison's *Beloved* Dickinson's poetry O'Connor's *A View of the Woods* and *A Good Man Is Hard to Find* Allison's *Bastard Out of Carolina* McCullers' *Ballad of the Sad Café* and Hurston's *Mules and Men* are diverse in terms of artistic presentation all allude to or are set in the antebellum and Jim Crow South In addition all involve feminine characters whose subjectivity is shaped by the practice of seeing acts of violence inflicted where there can be no effective resistance While not proposing an equivalence between representing violence in visual images and written text Raymond does suggest that visual images of violence can be interpreted in context with written evocations of violent imagery Invoking sadism in its ethical sense of violence enacted on a victim for whom self defense and recourse of any kind are impossible Raymond's study is ultimately an exploration of the idea that a femininity constructed by the positioning of feminine characters as witnesses to sadistic acts is a phenomenon distinctly of the American South that is linked to the culture's history of racism
