Revelations of the Divine Plan of the Ages Basil Hewitt,2007-12 Chalk is a fictional story about a young man born in the coalmine country of rural Kentucky He was born in 1863 to an English father and Cherokee Indian mother Hard time and hard work filled his younger years When his parents were both gone he followed a life of managing horses doing blacksmith work and eventually found a good job on a Mississippi river boat His experience led him to become a trail boss on a Texas bound wagon train In Texas he found his life s calling got married and became a local peace officer At the same time he started ranching His love and skills with horses and his honest life style he practiced found favor with the Military and he became a horse supplier for the Calvary He was later drafted into military duty and rose rapidly in rank mustering out as a decorated Colonel As an author I used information to write the story that was handed down by my father and my wife s family My family had Cherokee roots and the stories my grandmother told me were very real She was born in 1847 endured the Civil war aftermath and saw the First World War take the lives of many fine young men My father and his brothers were in Pershing s Army and the stories they brought home were never forgotten These times were difficult for everyone and need to be remembered The lessons they contain are the real essence of how our country was able to grow to a major work power and leader in the cause for peace As a first time author this work is an attempt to remind everyone that our nation has learned a lot but still has a lot more to learn A great nation will always see another opportunity to improve This is the American tradition

God and Dreams John Pratt Bingham,2010-01-01 At one time when an individual wanted a direct personal experience of God that person turned to his or her dreams The early third century Christian defender of the faith Tertullian observed Is it not known to all people that the dream is the most usual way that God reveals himself to man Yet by the eleventh century King William II of England states They are not good Christians that regard dreams Why did this reversal of opinion occur not only in Christian thinking but in Jewish and Islamic attitudes also *God and Dreams Is There a Connection* traces the historic connection between God and dreams and examines why this shift happened While particular attention is

given to Jewish Christian and Islamic thought several secular disciplines are discussed also After investigating the different points of view an argument is made that the connection between God and dreams still exists [The Mormon Deception](#) John Ankerberg, John Weldon, 2012-01-11 The Mormon Deception examines the LDS claim to be the only true church of Jesus Christ on the earth It shows how Mormon teaching on salvation conflicts with biblical teaching It also explains why Mormonism does not believe in the biblical Jesus Christ It further documents that Joseph Smith was a false prophet something that Mormonism agrees would undermine the very foundation of Mormonism **The Mormon Delusion.**

Volume 3. Discarded Doctrines and Nonsense Revelations. Jim Whitefield, 2012-10-01 This is the third in a series of books exposing the truth behind Mormonism In this volume we review doctrines that have been discarded To early Mormons Adam was God and blood atonement was a stark reality These were accepted doctrines which survived for several decades throughout the leadership of several successive prophets Today the Church denies they even existed The origin of the Mormon temple ceremony is established and explained An analysis of changes over the years shows that the rites now enacted bear no resemblance to the original ceremonies Joseph Smith lifted from late eighteenth century Masonic ritual claiming they were restored from the time of Solomon The psychology of a Mormon testimony is explored and explained Sections of the Doctrine and Covenants are exposed as completely unfulfilled nonsense that Mormons simply cannot see through as long as blind faith precludes rational thinking Visit www.themormondelusion.com for further information on this and other volumes **Is Mormonism Christian?** Jacob O. Gurley, Ernest E. Dean, 2013 A familiar sight in America today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods Most recognize the uniform of young Mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story What is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing Mormons What is difficult for many Americans is deciding whether the gospel the LDS Church has promoted over the past two centuries is the same gospel proclaimed by traditional Christian churches over the past two millennia Are they sincere Christians a non Christian cult or something else altogether This book seeks to provide an understanding of the history and basic beliefs of traditional Christianity and compare them to the history and beliefs of Mormonism *The Challenge of the Cults and New Religions* Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive
