The Pennine Walls Arthur Raistrick, 1976 **Pennine Walls** Arthur Raistrick, 1946 Pennine Walls Arthur Raistrick, 1998 The Pennine Walls, 1981 Walking the Pennine Way Paddy Dillon, 2025-04-22 A guidebook to walking the Pennine Way England's toughest National Trail Suited to fit experienced walkers the 426km 265 mile route from Edale to Kirk Yetholm follows northern England's mountainous spine passing through three national parks the Peak District the Yorkshire Dales and Northumberland The route is described from south to north in 20 stages of between 11 and 32km 7 20 miles Contains step by step description of the route alongside 1 100 000 maps and elevation profiles Includes a separate map booklet containing OS 1 25 000 mapping with the route line Route summary table and trek planner showing the distribution of facilities and public transport along the route Accommodation listings GPX files available for free download Hadrian's Wall Matthew Symonds, 2020-12-10 Over its venerable history Hadrian's Wall has had an undeniable influence in shaping the British landscape both literally and figuratively Once thought to be a soft border recent research has implicated it in the collapse of a farming civilisation centuries in the making and in fuelling an insurgency characterised by violent upheaval Examining the everyday impact of the Wall over the three centuries it was in operation Matthew Symonds sheds new light on its underexplored human story by discussing how the evidence speaks of a hard border scything through a previously open landscape and bringing dramatic change in its wake The Roman soldiers posted to Hadrian's Wall were overwhelmingly recruits from the empire's occupied territories and for them the frontier could be a place of fear and magic where supernatural protection was invoked during spells of guard duty Since antiquity the Wall has been exploited by powers craving the legitimacy that came with being accepted as the heirs of Rome it helped forge notions of English and Scottish nationhood and even provided a model of selfless cultural collaboration when the British Empire needed reassurance It has also inspired creatives for centuries appearing in a more or less recognisable guise in works ranging from Rudyard Kipling's Puck of Pook's Hill to George R R Martin's A Game of Thrones Combining an archaeological analysis of the monument itself and an examination of its rich legacy and contemporary relevance this volume presents a reliable modern perspective on the Wall **Managing, Using, and Interpreting Hadrian's Wall as World Heritage** Peter G. Stone, David Brough, 2013-11-13 Hadrian's Wall was inscribed as a World Heritage Site WHS in 1987 and with the German Limes became one of the first two parts of the transnational Frontiers of the Roman Empire FRE WHS in 2005 The World Heritage Site of Hadrian's Wall is unusual although not unique among World Heritage sites in its scale and linear nature stretching from Ravenglass on the west coast of England to Newcastle upon Tyne on the east coast over 150 miles Along its length it passes through two major urban centres and a variety of rural landscapes and its remains vary from substantial upstanding architectural features to invisible below ground archaeology Traditionally many of the constituent parts of Hadrian's Wall forts etc have been managed as separate entities by different State and private organisations These and other issues make it

an extremely complex WHS to manage This book not only chronicles the past management of the Wall but also looks towards the future as more countries aspire to have their Roman frontiers added to the FRE The experience gained over the last two decades illustrates developments in the management of large scale complex heritage sites that will be of value as a detailed case study to those involved in and affected by heritage management as well as academics and students Many of the issues raised will find resonance in those faced by many other large World heritage sites

The Wall Douglas Jackson,2022-06-09 AD 400 Rome and its Empire are failing Veteran cavalry commander Marcus Flavius Victor sets out with his regiment to make what may be his final tour of the forts along Hadrian s Wall Through a combination of military prowess brutality and bribery Marcus has spent twenty years keeping the savage Picts at bay Feared by his enemies and hated by his superiors his strength of will is the only thing that has held the disgruntled poorly paid garrisons of the Wall in place as the failing Roman Empire s grip on Britannia weakened Yet as this tour of the wall progresses it becomes increasingly clear that this is more than a routine inspection Why is Marcus stripping the defences of cavalry to strengthen his own force Is he negotiating with the Picts or conspiring with them And who is the mysterious figure who follows Marcus every move and yet hides in the shadows Segeduno Cilurno Brocolitia Vindolanda each fort holds memories and friendships hides rivals or conceals enemies But what exactly is Marcus Flavius Victor s ultimate objective It would appear he is willing to risk bloody civil war in a bid to seize Britannia for himself Or is he raising an army to save the province from the darkness that waits on the other side of the Wall Hailed as one of our very best historical novelists Douglas Jackson returns to the world of ancient Rome with this epic novel of a failing empire and a world on the brink
