## **The Peregrine Memorandum:**

**The Peregrine Memorandum** John W. Dowdle, 2000-08 When Jeff Hollis top Pentagon security officer receives a memorandum pertaining to a highly secret project named Peregrine it is the beginning of a sixteen day nightmare Even as he manages to uncover that the purpose of Peregrine is to neutralize US ICBMs Hollis finds himself branded a spy and subject of a national manhunt by the FBI Fighting for his life against unknown assassins he matches wits with a Soviet mole intent on the destruction of the US As the fate of the US hangs in the balance Hollis succeeds in destroying Peregrine but not before a Soviet missile is launched target Washington In a gripping thriller as real as the headlines Dowdle weaves an intense drama of international intrigue sabotage and desperation Set in the early years of the Reagan Presidency when events such as the shootdown of KAL 007 and the deployment of the Pershing II s to Europe seemed to signal a world spiraling out of control Dowdle invites the reader to contemplate the unthinkable and to ponder just how close we actually came to experiencing it

**Decision Memo** ,1990      **Seeking the Sacred Raven** Mark Jerome Walters, 2012-09-26 Will the Alala ever return to the wild A bird sacred to Hawaiians and a member of the raven family the Alala today survives only in captivity How the species once flourished how it has been driven to near extinction and how people struggled to save it is the gripping story of Seeking the Sacred Raven For years author Mark Jerome Walters has tracked the sacred bird s role in Hawaiian culture and the indomitable Alala s sad decline Trekking through Hawaii s rain forests high on Mauna Loa talking with biologists landowners and government officials he has woven an epic tale of missed opportunities and the best intentions gone awry A species that once numbered in the thousands is now limited to about 50 captive birds Seeking the Sacred Raven is as much about people and culture as it is about failed policies From the ancient Polynesians who first settled the island to Captain Cook in the 18th century to would be saviors of the Alala in the 1990s individuals with conflicting passions and priorities have shaped Hawaii and the fate of this dwindling cloud forest species Walters captures brilliantly the internecine politics among private landowners scientists environmental groups individuals and government agencies battling over the bird s habitat and protection It s only one species only one bird but Seeking the Sacred Raven illustrates vividly the many dimensions of species loss for the human as well as non human world      **Return of the Peregrine** Tom J.
