Adams, 2000 Carol Adams explores the inner life of spiritual growth with the outer life of practical compassion and examines the reasons why becoming a vegetarian is deeply wedded to spiritual practice She shows how the practice of creating mindfulness and disciplining the mind meshes with becoming an activist for nonviolence and reveals how in our busy and stressed out world it is essential to sustain and replenish the soul through spiritual discipline The Inner Art of Vegetarianism is an empowering book for all those who wish to have their soul nourished and follow the spiritual path of vegetarianism **Tastes of Faith** Leah Hochman, 2017-12-15 Tell me what you eat and I will tell you what you are wrote the 18th Century French politician and musician Jean Brillat Savarin giving expression to long held assumptions about the role of food taste and eating in the construction of cultural identities Foodways the cultural religious social economic and political practices related to food consumption and production unpack and reveal the meaning of what we eat our tastes They explain not just our flavor profiles but our senses of refinement and judgment They also reveal quite a bit about the history and culture of how food operates and performs in society More specifically Jewish food practices and products expose and explain how different groups within American society think about what it means to be Jewish and the values as well as the prejudices people have about what Jewish means Food what one eats how one eats it when one eats it is a fascinating entryway into identity for Jews it is at once a source of great nostalgia and pride and the central means by which acculturation and adaptation takes place In chapters that trace the importance and influence of the triad of bagels lox

and cream cheese southern kosher hot barbecue Jewish vegetarianism American recipes in Jewish advice columns the draw of eating treyf nonkosher and the geography of Jewish food identities this volume explores American Jewish foodways predilections desires and presumptions

**Neither Man nor Beast** Carol J. Adams, 2018-01-25 In this landmark work of animal rights activism Carol J Adams the bestselling author of *The Sexual Politics of Meat* explores the intersections and common causes of feminism and the defense of animals *Neither Man Nor Beast* explores the common link between cultural attitudes to women and animals in modern Western culture that have enabled the systematic exploitation of both A vivid work that takes in environmental ethics theological perspectives and feminist theory the Bloomsbury Revelations edition includes a new foreword by the author and new images illustrating the continuing relevance of the book today

*The Alchemy of Illness* Kat Duff, 1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its lessons into our lives

*Ecofeminism, Second Edition* Carol J. Adams, Lori Gruen, 2021-12-16 This new edition of *Ecofeminism Feminist Intersections with Other Animals and the Earth* begins with an historical grounding overview that situates ecofeminist theory and activism within the larger field of ecocriticism and provides a timeline for important publications and events Throughout the book authors engage with intersections of gender sexuality gender expression race disability and species to address the various ways that sexism heteronormativity racism colonialism and ableism are informed by and support animal oppression This collection is broken down into three separate sections Affect includes contributions from leading theorists and activists on how our emotions and embodiment can and must inform our relationships with the more than human world Context explores the complexities of appreciating difference and the possibilities of living less violently Climate new to the second edition provides an overview of our climate crisis as well as the climate for critical discussion and debate about ecofeminist ideas and actions Drawing on animal studies environmental studies feminist gender studies and practical ethics the ecofeminist contributors to this volume stress the need to move beyond binaries and attend to context over universal judgments spotlight the importance of care as well as justice emotion as well as reason and work to undo the logic of domination and its material implications

*Queering Nutrition and Dietetics* Phillip Joy, Megan Aston, 2022-10-28 This book presents experiences of LGBTQ people relating to food bodies nutrition health wellbeing and being queer through critical

writing and creative art The chapters bring LGBTQ voices into the spotlight through arts based scholarship and contribute to experiential learning allowing for more understanding of the lives of LGBTQ people within the dietetic profession Divided into three parts the first explores eating food and bodies the second discusses communities connections and celebrations and the final part covers care in practice Topics include body image eating disorders weight stigma cooking and culinary journeys queer food culture queer practices in nutrition counseling and gendered understandings of nutrition Exploring not only experiences of marginalization homophobia transphobia and cisheteronormativity within dietetics and nutritional healthcare this collection also dives into the positive connections and supportive communities that food can create Special attention is paid to the intersections of oppression colonialism social justice and politics This book will be beneficial to all health professionals educators and students creating and fostering safer more inclusive and more accepting environments for their LGBTQ clients

**Animals and Women** Carol J. Adams, Josephine Donovan, 1995-11-14 *Animals and Women* is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense Offering a feminist perspective on the status of animals this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species Furthermore it demonstrates that such a focus does not distract from the struggle for women's rights but rather contributes to it This wide ranging multidisciplinary anthology presents original material from scholars in a variety of fields as well as a rare early article by Virginia Woolf Exploring the leading edge of the species gender boundary it addresses such issues as the relationship between abortion rights and animal rights the connection between woman battering and animal abuse and the speciesist basis for much sexist language Also considered are the ways in which animals have been regarded by science literature and the environmentalist movement A striking meditation on women and wolves is presented as is an examination of sexual harassment and the taxonomy of hunters and hunting Finally this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse and that to deny this connection is to participate in the continued mistreatment of animals and women

*Living Among Meat Eaters* Carol J. Adams, 2008-09 If you are one of the over twenty million Americans who have adopted vegetarianism you know that living with and eating with meat eaters can present a myriad of difficult issues Summer barbecues Thanksgiving dinner or even a simple business lunch can be cause for discussions questioning vegetarianism as a lifestyle choice leading at best to awkward situations and at worst to anger and defensiveness Beyond these often tense encounters simple day to day tasks such as grocery shopping and preparing the evening meal can be tough especially when your husband wife partner or child doesn't share your commitment to living as a vegetarian In this bold and original book Carol J Adams offers real life advice that vegetarians can use to defuse any situation in which their dietary choices may be under attack She suggests viewing meat eaters as blocked vegetarians Always insightful this practical guide is full of self tests strategies meditations on vegetarianism and tips for dining out and

entertaining at home when meat eaters are on the invite list Offering more than fifty of Carol Adams's favorite vegetarian recipes *Living Among Meat Eaters* is sure to become every vegetarian's most trusted source of support and information

**Feminist Bookstore News**, 1993      *Small Press Record of Books in Print* Len Fulton, 1994      **A Teen's Guide to Going Vegetarian** Judy Krizmanic, 1994 Every day all across America more and more teenagers are going vegetarian and here's the book that has all the answers they want and need The guide covers all the bases from nutritional requirements to dealing with anxious parents and friends and includes some easy beginner's recipes It all adds up to the most comprehensive accessible book of its kind      *Directory of Women's Media*, 1992      **Vegetarian Times**, 1992-10 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh stylish mainstream package that's inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT's goal To embrace both      **The WomanSource Catalog & Review** Ilene Rosoff, 1995      **Ecofeminism: Feminist Intersections with Other Animals and the Earth** Carol J. Adams, Lori Gruen, 2014-07-31 This book first offers an historical overview that situates ecofeminist theory and activism and provides a timeline for important publications and events This is followed by contributions from theorists and activists on how our emotions and embodiment can and must inform our relationships with the more than human world In the final section the contributors explore the complexities of appreciating difference and the possibilities of living less violently Throughout the book the authors engage with intersections of gender and gender non conformity race sexuality disability and species      **Feminists Who Changed America, 1963-1975** Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women's movement Barbara J Love's *Feminists Who Changed America 1963-1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women's movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott's foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements      *Food for Dissent* Maria McGrath, 2019-08-26 In the 1960s and early 1970s countercultural rebels decided that rather than confront the system they would create the world they wanted The natural foods movement grew out of this contrarian spirit Through a politics of principled shopping eating and entrepreneurship food revolutionaries dissented from corporate capitalism and mainstream America In *Food for Dissent* Maria McGrath traces the growth of the natural foods movement from its countercultural fringe beginning to its twenty first century food revolution ascendance focusing on popular natural foods touchstones vegetarian cookbooks food co ops and health advocates Guided by

an ideology of ethical consumption these institutions and actors spread the movement's oppositionality and transformed America's foodscape at least for some Yet this strategy proved an uncertain instrument for the advancement of social justice environmental defense and anti corporatism The case studies explored in Food for Dissent indicate the limits of using conscientious eating shopping and selling as tools for civic activism
