American political isolation and pacifism civil liberties and mental and physical health In his later years Sinclair twice reinvented himself first as the Democratic candidate for governor of California in 1934 and later in his sixties and seventies as a historical novelist In 1943 he won a Pulitzer Prize for *Dragon s Teeth* one of eleven novels featuring super spy Lanny Budd Outside the literary realm the ever restless Sinclair was seemingly everywhere forming Utopian artists colonies funding and producing Sergei Eisenstein s film documentaries and waging consciousness raising political campaigns Even when he wasn t involved in progressive causes or counterculture movements his name often was invoked by them an arrangement that frequently embroiled Sinclair in controversy Sinclair s passion and optimistic zeal inspired America but privately he could be a frustrated petty man who connected better with his readers than with members of his own family His life with his first wife Meta his son David and various friends and professional acquaintances was a web of conflict and strain Personally and professionally ambitious Sinclair engaged in financial speculation although his wealth generating schemes often benefited his pet causes and he lobbied as tirelessly for professional recognition and awards as he did for government reform As the tenor of his work would suggest Sinclair was supremely human In *Radical Innocent Upton Sinclair* Anthony Arthur offers an engrossing and enlightening account of Sinclair s life and the country he helped to transform Taking readers from the Reconstruction South to the rise of American power to the pinnacle of Hollywood culture to the Civil Rights era this is historical biography at its entertaining and thought provoking finest *Complete Fiction of W.M. Spackman* William Mode Spackman,1997 An omnibus collection of novels and short stories by a late writer 1905 1990 whose witty tales of adultery found few publishers in their day Typical is the novel *An Armful of Warm Girl* written in the 1950s and dealing with the many affairs of an upper class roue No publisher would accept the manuscript which took nearly 20 years to sell **Faulkner and Idealism** ,1983 *Debit and Credit* Gustav Freytag,1863 *From Tonkin to India by the Sources of the Irawadi*, January '95-January '96 Henri Philippe Marie Orléans (prince d'),1898 **How Tyson Came Home** William Henry Rideing,1904
