Anna Kingsford, Edward Maitland

The Perfect Way:

The Perfect Way. Or, the Finding of Christ Anna Kingsford, Edward Maitland, 2024-04-10 Reprint of the original first published in 1882 The Perfect Way Bhagwan Shree Rajneesh, 1996-12-01 *The Perfect Way* Anna Bonus Kingsford, 2011-05-19 These wide ranging lectures on theosophy first published in 1882 discuss religions spirits divinity and redemption truth liberty and reason The Perfect Way Osho, 2017-12-12 The book you hold in your hand or you are just ordering from an online store is a unique book It is the first book by the contemporary mystic Osho At the beginning of his public life Osho who is at that time a professor of philosophy at Jabalpur University introduces people to a new and unique understanding of meditation during experiential meditation camps He speaks to the participants and responds to questions This book is the first published records of Osho s first meditation camp in Rajasthan India In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications but the essential message is already available in this book Osho speaks to the individual not to a collective not the abstract collective of humanity or a collective defined by religion or nationality or race but to individuals as the core element of existence We used one of his opening comments as a longer quote on the front cover of the book as it seem so important The individual is the unit of the whole and it is through him that both evolution and revolution can take place You are that unit Osho mentions this book on several occasions in his later talks When the second prime minister of India traveled to Russia a copy of *The Perfect Way* was with him And when someone in contact with Osho at the age of ninety stumbled upon *The Perfect Way* he commented All my learning of the scriptures was futile only this small book is enough In *The Perfect Way* the reader meets a human being who knows but who also knows how to convey what he knows His genius in full flight he points us as far as one can with words toward the inner world of the self toward the zone of silence What starts on a hot summer day in the early 1960 s will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness one which will eventually transform the lives of millions of people all over the world To be without thoughts is meditation Osho says When there are no thoughts it is then we come to know the one hidden by our thoughts When there are no clouds the blue sky is revealed This book is page after page of blue sky **The Perfect Way in Diet** Anna B.
