The Outer Darkness:

What Is the Outer Darkness? Kasey Tacker, 2021-07-08 In Christianity the exterior darkness or outer darkness is a place referred to three times in the Gospel of Matthew 8 12 22 13 and 25 30 into which a person may be cast out and where there is weeping and gnashing of teeth Generally the outer darkness is thought to be hell however many Christians associate the outer darkness more generally as a place of separation from God or from the metaphorical wedding banquet that Jesus is expected to have upon his Second Coming A discussion between Zane Hodges and Bob Wilkin on the nature of the outer darkness in Matthew They show it does not refer to hell What Is the Outer Darkness? Robert N. Wilkin, Zane C. Hodges, 2016-04-01 *The Outer Darkness* Marty Cauley, 2012-09-01 The Outer Darkness is the author's magnum opus that ties together his arguments for unconditional security and conditional rewards The biblical phrase outer darkness occurs three times in the Gospel of Matthew This study examines this biblical phrase within its eschatological soteriological misthological biblical historical and intertestamental contexts Critical interactions with Arminian and Calvinistic interpretations and interpreters are met with an alternative proposal that affirms unconditional security Generally Arminian and Calvinistic interpreters are agreed that security is conditioned upon perseverance For the Arminian you must persevere in order to be elected to go to heaven If you fail to persevere you will lose your salvation This Arminian perspective might be called the forfeitist position The typical acronym employed for this perspective is PEARS For the Calvinists if you are elected you must persevere in order to go to heaven If you fail to persevere this will prove that you were never elected This perspective could be termed the proveitist position The way you live reputedly proves whether you are saved Ultimately your final salvation is conditioned upon your proving you are saved by the way you live You must persevere till the end to be saved in the end The well known acronym for this perspective is TULIP The mediating position offered by Cauley in which unconditional security is defended has its roots in a historical movement known as the Marrow Controversy Accordingly the name chosen by Cauley to represent his approach is Marrowism which is used for a contemporary expression of the Free Grace Movement Within the Marrowistic hermeneutic perseverance is regarded as a means necessary for rewards within heaven rather than for entrance into heaven The acronym for this perspective is GRAPE Misthos is the Greek word for rewards from which the term misthological is derived Therefore from the Marrowistic perspective perseverance would be considered a misthological issue The outer darkness is likewise regarded as a misthological that is rewards issue within Cauley's treatment Objections to unconditional security in general and to a misthological interpretation of the outer darkness in particular are dealt with in depth in this two volume work Volume one spans the first 25 chapters and contains the tables of contents and illustrations as well as abbreviations and symbols for the entire two volume set **Discussion Of Outer Darkness In Matthew** Jess Sitz, 2021-07-08 In Christianity the exterior darkness or outer darkness is a place referred to three times in the Gospel of Matthew 8 12 22 13 and 25 30 into which a person may be cast out and where there is weeping

R. S. Mead,2013-11-08 In these days of the higher criticism with its merciless analysis of original Scripture much light would doubtless be thrown on the New Testament by an unprejudiced study of Gnosticism This philosophy which reached a flourishing maturity in the second century of the Christian era but became virtually extinct in the sixth taught that all natures intellectual moral spiritual and material are successive emanations from Deity Its professors claimed to have an esoteric and philosophic knowledge of Christian doctrines and some modern scholars assert that the Gospels are replete with allusions to the Gnostic teaching Although it is now fashionable to dismiss the Syrian and Egyptian schools as a fantastic combination of Oriental mysticism Greek philosophy and Christian theology yet it is probable that a profound interest will be awakened among reasoning Christians by Pistis Sophia *Amen Code* W.
