list of books in the English language *The New York Times Index* ,1998 Pornography Rebecca Sullivan,Alan McKee,2015-10-19 Written for a broad audience and grounded in cutting edge contemporary scholarship this volume addresses some of the key questions asked about pornography today What is it For whom is it produced What sorts of sexualities does it help produce Why should we study it and what should be the most urgent issues when we do What does it mean when we talk about pornography as violence What could it mean if we discussed pornography through frameworks of consent self determination and performance This book places the arguments from conservative and radical anti porn activists against the challenges coming from a new generation of feminist and queer porn performers and educators Combining sensitive and detailed discussion of case studies with careful attention to the voices of those working in pornography it provides scholars activists and those hoping to find new ways of understanding sexuality with the first overview of the histories and futures of pornography Insider Trading Jason Rockwell,2016-07-27 Insider TradingAmerica s Dirty Secrets and History behind Wall StreetInsider trading is when an insider uses company s information not yet public for making trades This white collar crime has blackened some of the biggest names of the financial world and brought down biggest of institutions causing huge losses to economies and public savings This book explains insider trading its effects and the evolution of laws and regulatory institutions around it Rockwell provides a unique understanding of insider trading from a trader an investor and a regulators perspective Greed in the end fails even the greedy Cathryn Louis The biggest of names have come down because of insider trading yet more and more cases of insider trading are coming to light Laws around insider trading have been strengthened yet people are still encouraged to perform this crime due to the large scale of money and profits involved The crimes around it have gotten bigger and wider over time Thus an understanding of insider trading becomes critical for all traders financiers investors and students Given this the authors compilation is a great read The research is comprehensive and draws a unique and interesting parallel between insider trading cases and the regulation around it The book also discusses the interesting debate on whether insider trading must be made legal The book simplifies this complex topic and makes it interesting with examples from real life cases After reading the book you would have known about the following What is insider trading Effects of insider trading US insider trading laws Form 4 Rule 10b5 Rule 10b5 1 Misappropriation Theory Rule 14e 3 Sarbanes Oxley Act 2002 Landmark cases Should insider trading be made legal Enjoy reading Enjoy Learning Circle of Friends Charles Gasparino,2013-07-02 The bestselling author of The Sellout tells the explosive story of the government s crackdown on insider trading networks an investigation that has already racked up more than 60 convictions In Circle of Friends award winning journalist Charles Gasparino one of Wall Street s most knowledgeable observers follows government investigators and prosecutors as they pursue one of the most aggressive and broad reaching series of insider trading cases in the nation s history A richly textured page turner of investigative journalism based on extensive reporting Circle of Friends chronicles the massive federal crackdown that has already put some of the biggest

names on Wall Street behind bars including Raj Rajaratnam founder of the Galleon Group and Rajat Gupta a former CEO of consulting giant McKinsey Co Other similarly sized targets are still waiting nervously including the biggest one of them all financial impresario Steve Cohen of SAC Capital the giant hedge fund that has confounded regulators for years by cranking out a steady stream of market busting returns Gasparino goes behind the headlines to reveal how the government makes its case using every tool at its disposal and at great expense to taxpayers to supposedly make the investing world safer for average Americans Gasparino asks why federal officials are so eager to prosecute these cases What is the real damage to individuals Do average investors really care He explores why insider trading is all the rage these days when the U S government has failed to bring a single criminal case against the culprits who caused the 2008 financial crisis Circle of Friends is not a defense of insider trading but it does offer an account of the politics of Wall Street crime fighting revealing the behind the scenes ambitions that motivate headlines and burnish political careers A riveting work of narrative nonfiction as engrossing and explosive as fictional thrillers of the finest magnitude Circle of Friends is a wakeup call to the investing public

Report of the Task Force on Regulation of Insider Trading American Bar Association. Task Force on Regulation of Insider Trading, 1984

Guide to Section 16 James Hamilton, N. Peter Rasmussen, CCH Incorporated, 2004 The passage of the Sarbanes Oxley Act dramatically changed the reporting of insider transactions The Act amended Section 16 a to require directors officers and 10 percent equity holders to report their purchases and sales of securities by the end of the second day following the transaction or such other time established by the SEC where the two day period is not feasible The landmark legislation also mandated that transactions between officers or directors and their company previously reportable on an annual basis on Form 5 must now be reported within two business days on Form 4 Sarbanes Oxley also required that the two day statement reporting insider trades be filed electronically and SEC rules require the electronic filing of Forms 3 4 and 5 Moreover The SEC must provide the two day statement on a publicly accessible Internet site by the end of the business day following the filing Finally The company if it maintains a corporate Web site must provide the statement on that Web site by the end of the business day following the filing The CCH Guide to Section 16 Insider Reporting and Short Swing Trading Liability examines the recent changes effected by the Sarbanes Oxley Act As well as detailing the rules and interpretations and no action letters on insider reporting under Section 16 a In addition The complex Section 16 b short swing trading prohibition is discussed
