## **The Palestine Problem:**

*The Palestine Problem* Pamela Ferguson, 1973      **The Palestine Problem in International Law and World Order**  
William Thomas Mallison, Sally V. Mallison, 1986      **The Israel-Palestine Conflict** Neil Caplan, 2019-09-11 One of the 10  
Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour  
Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict  
Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history  
Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine  
For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable  
solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and  
intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and  
contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition  
this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights  
consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New  
discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside  
of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the  
Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to  
current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed  
by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major  
historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text  
for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for  
students scholars and interested general readers      **Encyclopedia of the Palestine Problem** Issa Nakhleh, 1991 This book  
presents a well researched account of the Palestinian Israeli conflict from the Palestinian perspective This book is a solid  
account of the dispossession and exodus of the Palestinians what is ultimately a sad and depressing story The book primarily  
relies upon first hand accounts from Palestinian refugees and from examinations of surviving primary documentation in  
addition to an analysis of other research works This encyclopedia is a valuable resource for those seeking to understand why  
the Palestinians and many Arabs perceive the Palestinian Israeli conflict so differently from that of Israelis Europeans and  
Americans      [The A to Z of the Arab-Israeli Conflict](#) P R Kumaraswamy, 2009-07-24 For over a century the conflict between  
the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab  
Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered  
relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab

Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

**The Palestine Question** Henry Cattán,2022-10-10 First published in 1988 The Palestine Question presents the highlights of the Palestine issue in a succinct objective and well documented manner The author reveals a fundamental fact which has apparently been overlooked namely that the conflict is not restricted to the territories seized by Israel in 1967 that is the West bank and the Gaza Strip which represent 20% of Palestine but concerns an area five times greater that is the whole territory of Palestine as well as the fate of more than 5 million Palestinians The author has done what has not been done before he offers judicious peace plan based on right and justice for the intractable Arab Israeli conflict and its root cause the Palestine problem This book constitutes an indispensable reference work and essential reading for all who are concerned with Middle East and world peace

**Foreign Relations of the United States** United States. Department of State,1976

**Foreign Relations of the United States, 1948: The Near East, South Asia, and Africa**

,1976 The Soviet Union and Egypt, 1945-1955 Rami Ginat,2022-12-28 The Soviet Union and Egypt first published in 1993 sheds new light on Soviet policy towards the Middle East after 1945 It seeks to uncover and analyse the events leading to the eventual domination of Egypt and other Arab countries by the Soviet Union Soviet penetration into the region can only be understood by tracing the roots and motives of Soviet policy after the Second World War The strengthening of Soviet influence resulted from a process of gradual political and ideological development in Egypt Special attention is drawn to domestic and foreign developments in both countries and the book makes extensive use of recently declassified documents and primary sources

**The Arab-Israeli Conflict, Volume IV, Part I** John Norton Moore,2014-07-14 Volume IV of The Arab Israeli Conflict is a fundamental research tool for students of the Middle East and for those responsible for U S policy making in that area It is a successor to John Norton Moore s widely acclaimed three volume compilation of readings and documents on international law and the Arab Israeli conflict and to the one volume abridged edition of that compilation published by Princeton University Press in 1974 and 1977 respectively Additionally Volume IV stands on its own as a documentary history of the period from the September 1975 Sinai accords through the Shultz peace initiative and the Palestinian uprising in December 1988 Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
