Parliament of India, the Ninth Lok Sabha, 1989-1991 ,1992 The concept of democracy is not new to India In fact the substance of self government lies embedded in its hoary past Nearly forty one years ago the country adopted a Constitution based on the principles of liberty equality fraternity and the rule of law India opted for parliamentary form of government because it suited the genius of the people It elected nine Parliaments on the basis of universal adult franchise and was thus able to live up to the expectations of a political awakened electorate The image of Parliament and its credibility as a representative institution largely depends on the role and functions of its Members The objective of the present study is therefore to provide an analysis of the work done by the Ninth Lok Sabha 18 December 1989 to 13 March 1991 in major fields during its short but eventful life span one year two months and twenty six days This sought to be done by means of articles by distinguished parliamentarians and others and statements and statistical tables supplemented by brief introductory notes An effort has also been made to present a comparative picture of the background of Members of the earlier Lok Sabha and the work done by them One of the noteworthy features of the Ninth Lok Sabha which held 7 sessions consisting of 109 sittings lasting over 754 hours was the passing of as many as 63 Bills including 7 Constitution Ammendment Bills Two of the important Bills passed were the Prasar Bharati Broadcasting Corporation of India Bill and the National Commission for Women Bill These may well be considered as landmarks in the history of enactments made by the Parliament The Government can take credit for answering a staggering number of 21 550 questions on diverse subjects put to it by the members of the Ninth Lok Sabha It is hoped that the study will be helpful to researchers parliamentarians and all those who are engaged in a study of the working of parliamentary institutions and processes and enable them to form a picture of the tasks achieved and acquaint them with the diverse activities which a modern Parliament is called upon to perform **African Parliaments Volume 2** Linda S. Khumalo,Caitlin Blaser Mapitsa,Candice Morkel,Steven Masvaure,Matshidiso Kgothatso Semela,2021 The role parliaments play in governance is fundamentally political and as a result the institutional side of parliamentary organisations is often overlooked This volume together with the theoretical volume African Parliaments Evidence systems for governance and development takes a practical look at African parliaments as institutions and explores the ways in which their structures and processes influence the use of evidence for decision making A comparative approach helps the reader get a practical view of how this governance interplay is enacted within portfolio committees on chamber floors and on the campaign trail This volume looks at various models parliaments have used to institutionalise evidence use and considers the implications this has for governance **African Parliamentary Reform** Frederick Stapenhurst,Rasheed Draman,Andrew Imlach,Alexander Hamilton,Cindy Kroon,2012-04-27 Some of the most far

reaching and innovative parliamentary reform is occurring in Africa While these reforms are not yet widespread across the continent parliaments in some African countries are asserting their independence as policymakers as overseers of government and as the guardian of citizens rights and needs This book presents recent reforms in selected African parliaments Ghana Kenya Uganda Tanzania Rwanda Benin Zambia Ethiopia Liberia and Nigeria It also presents cross cutting innovations by African parliaments in fighting corruption in providing development to constituents and in combatting climate change Many of the chapters are authored by African MPs themselves making this a book by MPs for MPs as well as being of interest to students and scholars of African Politics and to those international institutions that support parliamentary development African Parliamentary Reform is a joint initiative by the World Bank Institute the Commonwealth Parliamentary Association and the Parliamentary Centre Africa **Public Parliamentary Handbook** ,2002 **Kenya National Assembly Official Record (Hansard)** ,2001-08-02 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya **African Parliaments Volume 1** Linda Khumalo,Candice Morkel,Caitlin Blaser Mapitsa,Hermine Engel,Aisha Jore Ali ,2021-11-23 Parliaments play a pivotal role in governance and yet little is known about how evidence is used for decision making in these complex political environments Together with its practice companion volume African Parliaments Systems of evidence in practice this volume explores the multiple roles legislatures play in governance the varied mandates and allegiances of elected representatives and what this means for evidence use Given the tensions in Africa around the relationships between democracy and development government and citizen agency this volume considers the theories around parliamentary evidence use and interrogates what they mean in the context of African governance *The Himalayas and India-China Relations* Devendra Nath Panigrahi,2016-04-14 This book provides a systematic analysis of China s rise to power It traces the complex contours of its relation with India with the Himalayas prominently figuring in the discourse Drawing on myths legends classical literature archival resources and contemporary political and international affairs it brings to the fore several critical issues integral to India China relations It also studies the two nations in terms of trade across borders exchange of ideas and confluence of diverse cultures imperial strategic rivalries in the colonial period and recent military skirmishes and diplomatic interaction Lucid and explanatory this volume will interest scholars and researchers in international relations history political science and area studies specially those interested in the geopolitics of India and China Copper King in Central Africa Hyden Munene,2022-01-31 Copper King in Central Africa offers a detailed account of the corporate history of the Rhokana Rokana Corporation and its Nkana mine Thematically and chronologically organised it explores the discovery of viable ores on the Northern Rhodesian Zambian Copperbelt in the late 1920s which attracted foreign capital from South Africa Britain and the USA prompting the development of the Nkana mine and the formation of the Rhokana Corporation in the early 1930s It follows through the evolution of the copper mining industry up to

the re privatisation of the Zambian mining sector in 1991 The book ties into a single narrative the disparate themes of corporate organisation labour relations and profitability of Rhokana demonstrating how the firm was for a time the most important mining entity in the Northern Rhodesian Zambian mining industry Rhokana was both an investment firm on the Copperbelt and a mining company through Nkana mine Thus the Corporation was central to the development and profitability of the copper industry in Zambia Its corporate and labour policies influenced the Copperbelt as a whole Employing the largest labour force in the mining sector Rhokana spearheaded the labour movement on the Copperbelt Its Nkana mine was also the largest producer of copper in the Northern Rhodesian mining industry between 1940 and 1953 and contributed hugely to the war economies of Britain and the USA Throughout its history Nkana was also a major source of cobalt After nationalisation of the mining sector in 1970 Rhokana surrendered its investments in the wider copper industry but remained central to the Copperbelt's smelting and refining operations owning the biggest metallurgical facilities in the industry
