Kay Penman s The Queen s Man is the first book in her bestselling medieval mystery series featuring Justin de Quincy
Epiphany 1193 the road out of Winchester was hidden by snow and Justin de Quincy was making slow progress when he
heard the first faint shout It came again louder and clearer a cry for help Spurring his stallion de Quincy raced toward the
source But he was already too late As the two assailants fled de Quincy cradled the dying man straining to make out his

Aquitaine sits on England s throne At seventy she has outlived the husband with whom she had once scandalized the world
But has she also outlived her favorite her first born son Richard Lionheart England s king has been missing these last months
It is rumored that he is dead Many think his youngest brother plots to steal the crown Only Eleanor s fierce will can keep
John from acting on his greed Only a letter splattered with the blood of a dying man murdered on the Winchester road can
tell her if Richard still lives With the same sure touch she has brought to her historical fiction Sharon Kay Penman turns to
the mystery form Setting her story in a period she captured brilliantly in earlier novels she introduces Justin de Quincy
Bastard born de Quincy is the son of a high cleric who never acknowledged him bestowing on the boy in lieu of name or
fortune only an education As it happens it is a gift that will take young de Quincy into the very centers of power and into the
heart of danger making him the Queen s man Moving from the royal chambers in the Tower of London to the alehouses and
