throughout all of his many experiences That seeking has been the basic cause of all your experiences regardless of their nature The so called good and the bad have been the result of man s great desire to know The vague indescribable restlessness within which drives man from one experience to the other is his demand for Truth And what is the Truth that man seeks His own Identity The realization that he is a Son of God a Conscious Soul Incarnate Down through the ages a man here and there has found that Truth has established once and for all the fact of his own Divinity and out of a selfless love for his brothers has tried to bring this Truth to all men Today the demand to know has risen from the sub consciousness of the race and humanity has a whole is conscious of this demand as the great need which must be fulfilled The spark of aspiration is being fanned into flame and as world conditions become more critical that flame can be seen to burn more brightly As human aspiration surmounts the greed of the separated self the demand of humanity for Truth will become so powerful as to bring it forth ad man will be free Know the Truth and it shall make you Free The Path of Initiation pp 47 48 *Studies in the Bhagavad Gîtâ: The path of initiation* Dreamer,1904 **The Path of Initiation** Alfred Percy Sinnett,1895 **Tarot and the Path of Initiation** Henry Ho,2013-11 This book came into being from the author s exasperation at the ignorance of many users of the Thoth tarot deck They prefer to go by their intuition rather than study Crowley s companion book to the deck The Book of Thoth It s too dense they cry I m not interested in these philosophies I just want to read Tarot The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck For the deck s purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowley s legacy out of duty It was due to Crowley s belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth *Letters of Guidance and Teaching on the Path of Initiation and Ascension* Joshua David Stone,Joshua Stone,2001-05 Letters of Guidance and Teaching On the Path of Initiation and Ascension is a most wonderful book By the grace of God and the Masters I receive thousands of letters and e mails from people all over the world who have read my books and have written me heartfelt letters seeking Spiritual guidance teaching and individual and relationship counseling This book is a wonderful collection of Spiritual and psychological teachings on every subject under the sun It is also a most incredible Spiritual counseling book You will read how I help people to solve the most in depth Spiritual challenges in this most easy to understand practical and integrated style These letters of teaching are priceless Spiritual jewels which you will want to read over and over again Spiritually electrifying reading **No Bs Spiritual Growth** Lincoln Welles,2008-09-01 The title says it all a no nonsense approach with practical techniques to unfold your spiritual potential This manual is simple to read yet profound More than theory it is filled with proven practical tips and actions that achieve
