John C. Bednar

The Peoples President:

The People's President S M Khan, 2016-10-28 Dr APJ Kalam abolished the practice of having a larger chair for the Rashtrapati on a dias when attending any function. He regularly read both the Quran and the Geeta and played the veena and wrote poetry in his spare time. His favourite Mahabharata character was Vidura because he had the courage to differ and fight injustice in a peaceful manner. Caliph Umar, Mahatma Gandhi, Albert Einstein, Emperor Ashoka and Abraham Lincoln were the five greatest human beings to have lived on this earth according to Dr Kalam. The author SM Khan acquaints us with lesser known facts and stories which went towards making the great Dr Kalam the People's President. SM Khan was press secretary to the late APJ Abdul Kalam and shared a unique relationship with the unusual President. The first state visit made by Dr Kalam in 2002 after swearing in as President was to Gujarat where he was received at the airport by the then Chief Minister and now Prime Minister of India Mr Narendra Modi. Together they visited nine riot-torn areas and three relief camps. Details of this visit as well as those to the other states in India and various trips abroad in the course of his Presidency are captured in this book in a manner that is engaging and informative. Interspersed with interesting anecdotes and happenings, this comprehensive compendium of Dr Kalam's experiences as the President of India finally culminates in his post-presidency days with SM Khan's last poignant meeting with Dr Kalam just a few days before his passing away. A must-read for both fans and those who wish to know more about the People's President Dr APJ Kalam. [The People's President](#) John C.

Bednar, 2016-10-28 Dr George Franklin is an idealistic yet practical political science professor at Princeton University who is fed up with the current political scene. In mid-April of a turbulent election year, George surprises everyone when he calls an Associated Press office and calmly announces he is throwing his hat into the ring as an Independent candidate for the office of the President of the United States. After he proclaims he will not spend his own money or accept contributions to run his campaign, George has no idea of the firestorm he has just unleashed. After George's surprising yet intriguing announcement, he summons help from respected campaign manager Larry Stanton. While a growing number of supporters rally around him, another presidential candidate meets tragedy head-on. As George uses the press and social media to motivate the American public to actively participate in the political environment while eliminating the power of the dollar's influence, his radically different approach to American politics touches a nerve. Now only time will tell if the citizens can transform the political process or whether the powerful leaders within the current structure will succeed in stopping them. **The Peoples President** shares the tale of a political science professor's quest to run for the highest office in the United States and in the process change the future of his great country. **Franklin D. Roosevelt: The People's President (Great Lives Series)** John W.
