Harris, 2023-12-17 The Church of the Living God is the only organization in this world that will transcend to the next world and throughout all eternity Everything else in this world will vanish away but God's Church will last for all eternity now and forever God has structured the Church and everyone must know what that structure is The information in this book has been divinely inspired by the Holy Spirit because Scripture is used to answer Scripture It is based on what God says with Scriptures that make it plain The information in this timeless book will change a Church a ministry and also change a Believer's personal walk with the Lord It is group worthy as well as individual worthy of study because God has His Blueprint for His Church and it is all hidden in Scriptures and being able to interpret the language of the Author which is the Holy Spirit will lead us in the wealth of Spiritual prosperity The Holy Spirit is the Designer of God's Blueprint for His Church and He wants us all to understand His way because no prophecy of the Scriptures is of private interpretation He wants us to know how we are individually and collectively designed and knowing this will transform us into His glorious Church This book will help you recognize your place in the Body of Christ His Church as He works on us individually and collectively Till we all come in the unity of the faith and of the knowledge of the Son of God unto a perfect man unto the measure of the stature of the fulness of Christ Ephesians 4:13 This book is profitable for individual Church and group studies It will help you see the spiritual construction from beginning to end from start to finish and we will stand in awe of this great Architect the designer of our souls God our Father and the Lord Jesus Christ **The Gospeller**, 1870

Northfield Echoes, 1895 **Scriptural Baptism** Uuras Saarnivaara, 2003-05-30 As a theological student in Finland Dr Saarnivaara became interested in the question of Scriptural baptism Which baptism he wondered had the most authority the one a person received in infancy or the one received as an adult after a conscious conversion Should he as one who had been baptized in infancy be baptized again after his conversion in order to be a Christian in the Biblical sense or was the baptism he received as a child valid In seeking an answer he studied the Bible and the copious literature on both sides of the question Now in this book cast in dialog form Dr Saarnivaara offers the result of his study examining the question exhaustively from both sides Some of the questions which are thoroughly discussed are Was infant baptism practiced in the time of Christ and the Apostles Did Christ want His Church to practice infant baptism or baptism after conscious conversion Does the New Testament teach baptism as a means of grace or as an act of obedience and confession of faith What does the Bible teach as

the relationship between baptism and regeneration What was the practice and teaching of the post Apostolic and the Ancient Church What was the original method of baptism immersion or pouring or sprinkling In developing his theme Dr Saarnivaara has set forth the pros and cons of this age old and still acute problem with admirable exactitude and lucidity It is easy for the layperson to comprehend but it is not superficial reading From the thousands who regard religious problems like baptism worthy of thoughtful consideration and study however Dr Saarnivaara s book should receive keen attention Epistola
