Cambridge Companion to the Arthurian Legend *The Complete Works of the Gawain-Poet* John Gardner, 1970 **Sir Gawain and the Green Knight** Anonymous, 2012-10-19 Sir Gawain and the Green Knight is a masterpiece of medieval English literature and one of the finest Arthurian tales in any language. Though its ingenious plotting and verbal artistry continue to dazzle readers, it is written in a challenging regional dialect and uses many words that were already archaic when the poem was written in the late fourteenth century. This edition is designed to make the poem in its original Middle English accessible to students and general readers. Following standards adopted for editing other Middle English poets, the edition lightly normalizes spellings to make words more recognizable for a modern audience. Extensive marginal glossing of difficult words, thorough on-page explanatory notes, and a comprehensive glossary offer further support for readers. The historical appendices include other examples of medieval romance from France and Britain.

Sir Gawain and the Green Knight John Ridland, 2016-08-22 Sir Gawain and the Green Knight by the anonymous Gawain Poet or Pearl Poet is like Beowulf one of the greatest classics of English literature. Hailed as the finest Arthurian romance, this technically brilliant tale of enchantment, faith, temptation, and chivalry is tautly constructed with a wonderfully rich vocabulary and vivid language that blends sophisticated atmosphere with psychological depth. John Ridland's new Modern English translation, unlike most presentations, is complete, covering every passage and word of the Middle English Northwest Midland dialect original with the same line numbering, contents, and meaning. His is the only version written in a familiar modern meter, pleasurable to modern ears yet retaining the spirit of repetition and alliteration of the medieval original. And Dr. Ridland's introduction and notes are enlightening. This translation is a must-have for unlocking all the pleasures and delights of the original classic.

PRAISE FOR JOHN RIDLAND'S TRANSLATION With his loving rendition of a great classic into vigorous metrical lines, John Ridland has given Sir Gawain and the Green Knight a fresh lease on life. I've seen several other versions of this masterpiece, but none so engagingly readable as Ridland's. His preface too is useful and illuminating. Here is a book to enjoy right now and to cherish forever.

X J Kennedy John Ridland gives us a recognizably English Gawain and a very pleasurable one at that. The language is ours. It is slightly elevated as befits a work so finely crafted, but only enough to demand our attention. Originally written in the same alliterative verse as Beowulf, Sir Gawain and the Green Knight was archaic in its own day; now, over six hundred years later, alliterative verse can be as inaccessible as the pentatonic harp tunes that apparently accompanied it. Ridland gives the poem a long, loose line that sings in the lyrical passages, creeps in the spooky ones, and cavorts in the comic ones. Just as important, the densely mythic ethos, fully intact, enriches every word. Richard Wakefield's panoramas of banqueting and hunting, closely observed rituals of dressing, arming, and game preparation, and rich descriptions of landscape and weather. Ridland's translation presents these in all their delightful, over-the-top particularity.

Maryann Corbett from the foreword: The language in which the consummate poet and translator John Ridland serves up this delicious story in verse is exactly what it deserves. The descriptions are exuberant, the narrative flows, and exhilarates like the wine at the courts we're asked to imagine, and the

exchanges between complex characters so subtly flavored by intelligent diplomacy that it makes the dialogue of much current fiction seem by contrast like a six pack on the front stoop Read this book I suspect that like all enchantments it shifts and assumes different forms to different eyes But I do guarantee surprises and inexhaustible delight Rhina P Espaillet **Sir Gawain and the Green Knight** Michael Smith,2018-07-26 It is New Year at Camelot and a mysterious green knight appears at King Arthur s court Challenging the knights of the Round Table to a Christmas game he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike The condition is that his challenger must seek him out in a year and a day to have the deed returned Sir Gawain accepts and decapitates the stranger only to see him pick up his head walk out of the hall and ride away on his horse Now Gawain must complete his part of the bargain search for his foe and confront what seems his doom Michael Smith s translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history culture and architecture He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience while revealing the poem s historic and literary context The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the author s own linocut prints each meticulously researched for contemporary accuracy This is an exciting new edition that will appeal both to students of the Gawain poet and the general reader alike **An**
