Sister of Darkness R. H. Stavis, Sarah Durand, 2018-02-06 One woman alone has the power to destroy our demons We may not be able to see them but they re always there Smoke and shadows ghoulish features or lifelike forms there are the demons or what Rachel Stavis calls entities that float around us or even attach themselves to our bodies feeding off our fears and our negative energy As the world s only nondenominational exorcist Rachel has found herself at the crux of the spiritual crossroads of thousands of clients all of whom she s been able to save by ridding them of their spiritual baggage and getting at the root causes of their low frequency at the same time Stavis realized her gift as young child but for years she pushed it away wishing for it to disappear as her mother dismissed it as a call for attention the lies of a schoolgirl After years of denying her gift for communicating with the spirit world she fearlessly turned what she once regarded as a curse into a blessing to help those in need Stavis has cleansed thousands of tormented people from small children to musicians politicians and everyone in between quietly performing her work in obscurity until now In *Sister of Darkness* Rachel Stavis takes us on a journey into an unseen world describes the diverse range of entities that surround us the Spirit Guides and Ancient Ancestors that come to her aid to reveal the root causes of your pain and what you can do to protect yourself from creating a hospitable environment A unique look at demonology removed from religious dogma *Sister of Darkness* is the true story of Rachel s journey to becoming an exorcist Chronicling some of her most extreme and interesting cleansings the hows and the whys of what she does and stories of danger and of triumph Stavis creates a world that is at times frightening eye opening and utterly enthralling
