Sisters On The Bridge Of Fire:

The Fire Sisters A. G. Henley, A fantastic end to a wonderful series I am sad to see all the characters go Fennel and Peree are finally together and safe from the Scourge in the protected village of Koolkuna Except on the day of their partnering ceremony the children of the village are stolen away Fenn's loyal companion Kora among them Fenn and Peree join a small search party led by rival Kaiya the one person who stands a chance of finding the children thanks to her mysterious past As they travel away from the safe waters of Koolkuna and into the Scourge infested wilds Fenn endures Kai's scorn her subtle designs on Peree and the squabbling of the group but nothing in her life so far has prepared her for the fierce warrior women who will steal others children to preserve their own existence the Fire Sisters If Fenn is to survive the threat of the Scourge rescue the children from the Sisters and have a hope of making a life with Peree in Koolkuna she must face her fear of failure and loss and become the leader she's destined to be Two thumbs up and one question Why are you still reading this instead of ordering these books The Fire Sisters is the final book of the Brilliant Darkness fantasy romance series Fans of Divergent and Under the Never Sky will love this series about a blind girl who alone can protect her forest people from terrifying flesh eating creatures

The Sister's Curse Nicola Solvinic, 2025-10-21 There's something in the water in Bayern County When mysterious drownings plague her small town a detective haunted by her serial killer father must uncover whether revenge ancient legends or something darker lurks beneath the surface Lieutenant Anna Koray thought she'd finally found solid ground and escaped her past as the daughter of a notorious serial killer A loving boyfriend a loyal dog a life that almost feels normal except darkness has a way of seeping in When she saves a boy from drowning the strange marks on his body tell a disturbing story something in the depths tried to drag him under Days later another victim surfaces with identical marks and Anna's instincts scream that these are no accidents Both victims are connected to the Kings of Warsaw Creek men of the town's wealthiest and most influential families And they have enemies Others whisper that there are witches in Bayern County seeking revenge for a long ago murder Perhaps it's the work of Vivian Carson the enigmatic bartender who's rumored to cast hexes on those who wrong her Or maybe it's a secret coven who's been leaving serpentine symbols and skulls behind at the scenes of the drownings But Anna's investigation reveals an even more sinister truth something is stirring in the water and it wants the Kings to pay With time running out and more victims appearing Anna must separate superstition from truth But in Bayern County where legends and curses run deep as the water itself one wrong step could drag her into the depths this time for good
