Sixty Years Of Hollywood:

The Image Makers Richard Lawton, 1972 *The Image Makers* Paul Trent, 1972 *Hollywood's Copyright Wars* Peter Decherney, 2013-09-01 Beginning with Thomas Edison's aggressive copyright disputes and concluding with recent lawsuits against YouTube *Hollywood's Copyright Wars* follows the struggle of the film television and digital media industries to influence and adapt to copyright law Though much of Hollywood's engagement with the law occurs offstage in the larger theater of copyright many of Hollywood's most valued treasures from *Modern Times* 1936 to *Star Wars* 1977 cannot be fully understood without appreciating their legal controversies Peter Decherney shows that the history of intellectual property in Hollywood has not always mirrored the evolution of the law and recounts these extralegal solutions and their impact on American media and culture

More of Hollywood's Unsolved Mysteries John Austin, 1991 Here is the much requested sequel to *Hollywood's Unsolved Mysteries* which gained national attention for its controversial revelations about the mysterious deaths of Natalie Wood Bob Crane George Reeves and others In *More of Hollywood's Unsolved Mysteries* John Austin picks up where he left off answering the tough questions and uncovering the truth the truth that Hollywood doesn't want you to know

Hollywood's Indian Peter Rollins, 2011-01-23 Offering both in depth analyses of specific films and overviews of the industry's output *Hollywood's Indian* provides insightful characterizations of the depiction of the Native Americans in film This updated edition includes a new chapter on *Smoke Signals* the groundbreaking independent film written by Sherman Alexie and directed by Chris Eyre Taken as a whole the essays explore the many ways in which these portrayals have made an impact on our collective cultural life

Hollywood's West Peter C. Rollins, John E. O'Connor, 2005-11-11 An excellent study that should interest film buffs academics and non academics alike *Journal of the West* *Hollywood's West* examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO's 1931 classic *Cimarron* to Turner Network Television's recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia *Hollywood's West* makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs often using the frontier as metaphor for contemporary issues

Hollywood's White House Peter C. Rollins, John E. O'Connor, 2005-02-01 From action flicks to biopics to SNL skits how presidents are portrayed on screen An interesting study of the real presidency and the reel presidency *USA Today Magazine* Winner of the Popular Culture Association's Ray and Pat Browne Book Award Whether serious or satirical biographical or fictional the ways that US presidents are depicted in popular culture reveal much about us as a nation The contributors to *Hollywood's White House* examine the historical accuracy of presidential depictions illuminate their influence and uncover

how they reflect the concerns of their times and the social and political visions of the filmmakers With reflections on portrayals of Washington Adams Lincoln FDR Nixon and more this volume which includes a comprehensive filmography and a bibliography is ideal for both historians and film enthusiasts An engaging collection Robert Brent Toplin author of *Reel History In Defense of Hollywood* **Hollywood's Dirtiest Secret** Hunter Vaughan, 2019-03-12 In an era when many businesses have come under scrutiny for their environmental impact the film industry has for the most part escaped criticism and regulation Its practices are more diffuse its final product less tangible and Hollywood has adopted public relations strategies that portray it as environmentally conscious In *Hollywood's Dirtiest Secret* Hunter Vaughan offers a new history of the movies from an environmental perspective arguing that how we make and consume films has serious ecological consequences Bringing together environmental humanities science communication and social ethics *Hollywood's Dirtiest Secret* is a pathbreaking consideration of the film industry's environmental impact that examines how our cultural prioritization of spectacle has distracted us from its material consequences and natural resource use Vaughan examines the environmental effects of filmmaking from Hollywood classics to the digital era considering how popular screen media shapes and reflects our understanding of the natural world He recounts the production histories of major blockbusters *Gone with the Wind* *Singin' in the Rain* *Twister* and *Avatar* situating them in the contexts of the development of the film industry popular environmentalism and the proliferation of digital technologies Emphasizing the materiality of media Vaughan interweaves details of the hidden environmental consequences of specific filmmaking practices from water use to server farms within a larger critical portrait of social perceptions and valuations of the natural world **Hollywood's High Noon** Thomas Cripps, 1996-11-13 A lively narrative history of Hollywood's classical age Over the last twenty five years the field of cinema studies has offered a dramatic reassessment of the history of film in general and of Hollywood in particular Writers have drawn on the methodologies of a number of disciplines literary criticism sociology psychology women's studies and minority and gay studies to deepen our understanding of motion pictures the film industry and movie theater audiences In *Hollywood's High Noon* noted film historian Thomas Cripps offers a lively narrative history of Hollywood's classical age that brings the insights of recent scholarship to students and general readers From its origin during the First World War to the beginning of its decline in the 1950s Cripps writes Hollywood operated as did other American industries movies were created by a rational production system regulated by both government and privately organized interests and subject to the whims of a fickle marketplace Yet these films did offer consumers something unique in darkened movie palaces across the country audiences projected themselves their hopes and ideas onto silver screens profoundly mediating their reception of Hollywood's flickering images Beginning with turn of the century moving picture pioneer Thomas Edison Cripps traces the invention of Hollywood and the development of the studio system He explores the movie going experience the struggle for social control over the movies through censorship the impact of sound on the style and content of films alternatives to Hollywood's oligopoly

including race films and documentaries the paradoxical predictability and subversive creativity of genre pictures and Hollywood's self-proclaimed shining moment during the Second World War Cripps concludes with a discussion of the collapse of the studio system after the war due in equal parts to suburbanization the emergence of television and government anti-trust action *A Life in the Twentieth Century* Arthur Meier Schlesinger (Jr.), 2000 The author considers events that occurred during his lifetime and that contributed to America's rise to world power status as told through his personal experiences in childhood in college and during war times
