Kabul's architectural history has virtually disappeared. By meticulous use of all available records including written works, photographs, films, and oral reminiscences, *Kabul A History 1773-1948* provides a remarkably complete and unsurpassed account of the city's history as seen through its built environment, from the pleasure gardens of the 16th and 17th century Mughals to the efforts of the Saduzai and Muhammadzai rulers of the 18th-20th centuries to turn this one-time resort town into a thriving capital city at the center of a country of enormous diversity. Thoroughly documented and well illustrated, the book reveals the rich cultural legacy of a city of global importance. **Business Archives**, 1992

**El amor y la furia** Sam Kashner, Nancy Schoenberger, 2011-11-03 Los detalles in ditos de una historia de amor que revolucionó el mundo del cine y de las revistas del corazón a mediados del siglo pasado. Un recorrido exhaustivo por la vida de los dos actores más conocidos de Hollywood en el siglo XX y una nueva exploración de su historia de amor que a menudo cabalgó entre la pasión y la violencia. Elizabeth Taylor y Richard Burton se conocieron a principios de los años cincuenta, pero fue durante la polémica filmación de la película Cleopatra cuando su idilio fue la comidilla de todo el mundo del cine. Los biógrafos han tenido acceso a documentos in ditos que permiten profundizar en esta historia. A la hora de trabajar, los autores han tenido también el apoyo de Elizabeth Taylor, un hecho que da credibilidad a su trabajo sin restarle honestidad. **The Richer, The Poorer** Stewart Lansley, 2021-11-25 The Richer The Poorer charts the rollercoaster history of both rich and poor and the mechanisms that link wealth and impoverishment. This landmark book shows how for 200 years Britain's most powerful elites have enriched themselves at the expense of surging inequality, mass poverty, and weakened social resilience. Stewart Lansley reveals how Britain's model of extractive capitalism, with a small elite securing an excessive slice of the economic cake, has created a two-century-long high inequality-high poverty cycle, one broken for only a brief period after the Second World War. Why, he asks, are rich and poor citizens judged by very different standards? Why has social progress been so narrowly shared? With growing calls for a fairer post-COVID-19 society, what needs to be done to break Britain's destructive poverty inequality cycle? **Seventy Years of the South Western** Colin Boocock, 2022-07-28 The South Western main line is one of the most important railways in the south of England. Colin Boocock spent a significant part of his life living on and researching the history of this centre of railway operations in the South and South West of England. This book looks at the network over the last seventy years, from Nationalisation through to the present day. The system provides a vital link between the South and South West of Britain and London, operating a mixture of commuter services and important main line passenger trains. Throughout the seventy years covered in this book, the South Western network also had significant flows of heavy freight between the capital and Southampton Docks and the West Country. Today, there are still frequent, well-loaded container trains from Southampton to the Midlands and the North via Basingstoke and Reading. This volume also covers the transitions from steam traction to diesel and electric in stages from the 1950s through to the late 1980s.

**House of Versace** Deborah Ball, 2011-01-04 Versace. The very name conjures up images of outrageous glamour.

and bold sexuality opulence and daring All of course true but only half the story Versace is also the legacy of a great creative genius from a poor backward part of southern Italy who transformed the fashion world through his intuitive understanding of both women and how a changing culture influenced the way they wanted to dress The first book in English about the legendary designer House of Versace shows how Gianni Versace with his flamboyant sister Donatella at his side combined his virtuosic talent and extraordinary ambition to almost single handedly create the celebrity culture we take for granted today Gianni Versace was at the height of his creative powers when he was murdered in Miami Beach The story was front page news around the world and the manhunt for his killer a media obsession His beloved sister Donatella demanded no less than a funeral befitting an assassinated head of state to be held in Milan s magnificent cathedral In what was the ultimate fashion show the world s rich and beautiful Princess Dianna Elton John Carla Bruni Naomi Campbell Carolyn Bessette Kennedy Anna Wintour and others gathered to mourn a man already considered one of fashion s great pioneers Deborah Ball a long time Milan correspondent for The Wall Street Journal conducted hundreds of interviews with Versace family members Gianni Versace s lovers and business rivals models such as Naomi Campbell whom he helped shoot to international stardom and fashion industry icons including Anna Wintour the legendary editor of Vogue Ball vividly recounts the behind the scenes struggles both creative and business of Donatella as she stepped out of her brother s long shadow and took control of the House of Versace The book offers the first inside look at the enormous challenges Donatella faced in living up to Gianni s genius her struggle with a drug habit her battles with her brother Santo and the mystery of why Gianni left control of his house to Donatella s young daughter Allegra House of Versace is a compelling highly readable tale of rise from obscurity a painful fall and ultimate redemption as the Versace empire returned to health for now Bringing together fashion celebrity business drama jet set lifestyles and a notorious crime House of Versace is an old fashioned page turner about a subject of enduring fascination
