Thomas Jefferson quilled the following History may distort truth and will distort it for a time by the superior efforts at justification of those who are conscious of needing it most Nor will the opening scenes of our present government be seen in their true aspect until the letters of the day now held in private hoards shall be broken up and laid open to public view What a treasure will be found in General Washington s cabinet when it shall pass into the hands of as candid a friend to truth as he was himself This volume of work is the public view he speaks of because ALL interpretations of the 2nd Amendment have exploited history to re author its meaning This full story is told with the hoarded letters spanning 84 years and their treasure ultimately revealed by the Candid a friend of Truth The 2nd amendment was crafted ahead of its time and its time has finally arrived It is literally the Holy Grail of Gun Control and the final legacy of the United States Constitution *Corn Snakes*
