Preacher's Tale Jon Russell, 2017-10-30 Many clergy receive little training in the arts of preaching and it is assumed that they will learn by gaining experience The renowned American preacher Herbert O Driscoll suggests that congregations do not want to be given a map showing them how to get to the coast they want to be drenched in the spray Narrative preaching is a means of achieving such immediacy By dramatic story telling it invites listeners into enter the text imaginatively and enables them to experience sermons as transformative events This book aims to provide not just a theoretical introduction but a resource that uses sermons in the narrative style to reflect on how to prepare and construct them and how to deliver them effectively in the context of worship

Written to Be Heard Paul Borgman, Kelly James Clark, 2019-03-14 Recovers the lost messages of Mark Matthew Luke Acts and John for people today The words of the gospels were meant to be heard While we can still appreciate the construction and grasp some understanding when we read we miss much of the message because we re working in the wrong medium In *Written to Be Heard* Paul Borgman and Kelly James Clark offer the keys to recovering the radical relevant messages of each gospel as they were first heard The shaping of the gospels for oral performances which would have been obvious to ancient mostly preliterate listeners is lost on even the best contemporary reader With careful analysis of the gospel writers particular voices within their own ancient literary context Borgman and Clark equip readers to read as if hearing focusing on overlapping patterns of hearing cues that shape each text and embed theological perspective

Creative Prayer Chris Tiegreen, 2009-04-02 A young man is deeply in love with a young woman He pours out his heart singing to her writing poems for her giving her beautiful flowers And how does she express her love back to him She talks usually briefly And that s all That s an imbalanced relationship but it s an accurate picture of our communication with God God speaks with pictures symbols music tastes smells and all the rich diversity of creation So why do we express ourselves to Him with nothing more than words Connect with Our Creative God In *Creative Prayer* Chris Tiegreen encourages us to communicate more intimately with God by speaking the language of His heart Drawing on Bible stories psalms and historical examples Tiegreen reminds us that our praises and petitions can reflect the unique gifts God has given us Singing Painting Cymbals Dancing God has always encouraged his people to respond to him in bold visual active and energetic ways As God shows us every day in a thousand ways real love cannot be contained
