The Life of a Hunter Michelle Robinson, 2005-09 Part detective novel part cinematic saga part street smart narrative the poems in *The Life of a Hunter* form a document of expedition that couples individual discovery with communal transformation Michelle Robinson's characters are consigned to particular mechanisms of survival to various forms of physical and psychological evolutions as a reaction to their search for an acceptable spiritual condition The multiple identities of her pressured characters are susceptible to physical transformations that provide a brief jolt of anesthesia instead of the cold tenderness of interruption Robinson uses the culture of film and fiction as an analogy for the world just out of reach and the world already at hand preoccupied with what precision sounds like the figures in her poems respond to the possibility of future change as well as the fact that change is a constant in their lives Don't misunderstand It was the most cynical year of our era and anything would have been better than to have been asked to find something beautiful Robinson's is a strong young voice detached and observant yet disturbingly present

The Return of Captain Conquer Mel Gilden, 2012-07-23 In the house with two front doors Watson Congruent's father sells souvenirs from the long canceled TV show *The Adventures of Captain Conquer* and is also trying to build an actual motivator the device that powered the Captain's huge spaceship And then one day Watson comes home from school to find both his house and father vanished With the help of some eccentric Captain Conquer fans including the man with forty pounds of brains in his nose Watson sets out to find his father and not so incidentally to save the world from an alien invasion A great science fiction adventure for young adults of all ages
