So Calypso The Soul Of Trinidad:

So Calypso! ,2019 **The culture of jazz** Frank A. Salamone,2008-10-16 The Culture of Jazz is a collection of essays that view jazz from an anthropological perspective It focuses on aspects of jazz culture and the ways in which jazz scrutinizes the American lifestyle Jazz musicians filter their perspective on culture based on African roots They have an obligation to tell truth to power and provide views of alternative realities These essays explore many dimensions of the jazz life and its perspectives on cultural realities Heavily influenced by the perspectives of Neil Leonard and Alan Merriam The Culture of Jazz covers a broad range of topics making it an unparalleled compilation **Dictionary of the English/Creole of Trinidad & Tobago** Lise Winer,2009-01-16 Using the historical principles of the Oxford English Dictionary Lise Winer presents the first scholarly dictionary of this unique language The dictionary comprises over 12 200 entries including over 4500 for flora and fauna alone with numerous cross references Entries include definitions alternative spellings pronunciations etymologies grammatical information and illustrative citations of usage Winer draws from a wide range of sources newspapers literature scientific reports sound recordings of songs and interviews spoken language to provide a wealth and depth of language clearly situated within a historical cultural and social context The Trinidad Dougla Ferne Louanne Regis,2016-08-17 In their search for personal identity Trinidad s Douglas the offspring of Indo African unions find themselves in a complex social cultural and linguistic situation This is reflected as much in their unclear and uncertain social positioning in a society of competing ethnic groups as in the linguistic possibilities open to them in their quotidian social interactions as they negotiate between their parent communities Trinidadian English Creole TEC the mother tongue or lingua franca of the majority of the population exhibits a lexical amalgam of donor varieties brought to the island during the period of its colonization The extent to which Trinidadians employ these lexical items is linked to their affinity to a particular donor group As a consequence of this Dougla ethnicity and identity are hypothesized as being expressed chiefly through the use of lexical items available to them via their upbringing in specific communities This book describes and analyses specific lexical items in use by Douglas who reside in mixed race communities as well as communities stereotypically marked Indic and African by Trinidadians to determine the extent to which Douglas project a distinct identity a subsumed identity linked to an ancestral ethnic group or a shifting identity based on accommodative strategies employed during interaction within their social networks *Global Minstrels* Elijah Wald,2007 Publisher description **SPIN** ,1985-06 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks Continuing Perspectives on the Black Diaspora Aubrey W. Bonnett,Calvin B. Holder,2009-07-16 Continuing Perspectives on the Black Diaspora is a

response to a 1990 publication that studied the persistence and resilience of black African diasporic populations in the Caribbean Latin America North America and the United Kingdom In that book the authors used the themes of persistence and resilience to interrogate the social processes and the coping repertoire of these diasporic populations This volume investigates the often overlooked African presence in Asia Researchers sought to determine how many of these diasporic populations have fared in the context of political independence globalization economic marginalization and the presence of ethnic conflict and institutional racism even with positive class formations and declining significance of race in other geographical areas Prescriptions for the continued viability of these diasporic populations are provided India and China are undergoing a global renaissance emerging as potentially significant economic political and cultural actors on the world scene Meanwhile ancestral Africa is still socially politically and economically fragmented thereby causing a new migratory push to North America and Europe

A Companion to Poetic Genre Erik Martiny,2011-10-17 A COMPANION TO POETIC GENRE A COMPANION TO POETIC GENRE This eagerly awaited Companion features over 40 contributions from leading academics around the world and offers critical overviews of numerous poetic genres Covering a range of cultural traditions from Britain Ireland North America Japan and the Caribbean among others this valuable collection considers ancient genres such as the elegy the ode the ghazal and the ballad before moving on to Medieval and Renaissance genres originally invented or codified by the Troubadours or poets who followed in their wake The book also approaches genres driven by theme such as the calypso and found poetry Each chapter begins by defining the genre in its initial stages charting historical developments and finally assessing its latest mutations be they structural thematic parodic assimilative or subversive

V. S. Naipaul of Trinidad Nivedita Misra,2024-01-09 The book is about V S Naipaul who was born in Trinidad in 1932 At the age of 18 Naipaul left Trinidad on a scholarship to study literature at Oxford He never returned to live in Trinidad His first book was published in 1956 and by the time Trinidad achieved political independence in 1962 he had published four books and was firmly established as a writer in England By the time Trinidad became a republic in 1976 Naipaul had written 13 books and had travelled through much of the postcolonial world This book highlights how Trinidad and Naipaul were bound in a love hate relationship where Naipaul continued to pass Trinidad off as a cynical island where nothing was created while Trinidad had its share by laying back a claim on him and his writing It is generally perceived that Naipaul shunned his place of birth as he called his birth in Trinidad a mistake Trinidad an unimportant uncreative cynical place and the Caribbean as the Third World s Third World His refusal to acknowledge Trinidad in his initial response to receiving the Nobel Prize added insult to injury Yet he was deeply bound to the island of Trinidad and his roots in the Indo Trinidadian community This book makes Naipaul s connection to Trinidad more than evident and as such adds to the present body of knowledge
