So Whats Wrong With A Big Nose:

Adonis and Bignose in China Edward Garner, 2009 *What's Not to Love?* Jonathan Ames, 2007-12-18 Perhaps all of Jonathan Ames problems and the genesis of this hilarious book can be traced back to the late onset of his puberty After all it can't be easy to be sixteen with a hairless undistinguishable from that of a five year old's This wonderfully entertaining memoir is a touching and humorous look at life in New York City But this is life for an author who can proclaim my first sexual experience was rather old fashioned it was with a prostitute an author who can talk about his desire to be a model for the Hair Club for Men and about meeting his son for the first time Often insightful sometimes tender always witty and self deprecating *What's Not to Love* is an engaging memoir from one of our most funny most daring writers Obsessed G. H. Valkyrie's hands on skills extend well beyond home improvement and she's looking for some private lessons. An English language school for prostitutes opens in Taiwan. It is the brainchild of a pimp who is keen to improve service for American soldiers on R R from the Vietnam War. A first novel. *Big Noses in Beijing* Sally Grattidge, 2002-04-21. What would it be like to pack up the family and go to live in China for three years. To swap the clean air and convenience of North America for the chaos and clamour of the world's most populous nation. Journey with Sally Grattidge behind the bamboo curtain as she strives to raise a family, see some of the country and generally have a life while learning to cope with the culture, the language and the ubiquitous China factor. From the exhilaration of mastering Mandarin and visiting fascinating places to the despair and sheer frustration of trying to get the simplest things done, the narrative sweeps the reader along on an expatriate roller coaster ride. Throughout it all, the author paints an intimate portrait of the Chinese people as she discovers what they are really like beneath that inscrutable public face.
