 1967 in Bakersfield California He attended Omega Christian High School and graduated in 1985 And then He ran from God
 He was like Jonah He heard Gods call upon his life and chose to go the other way Cancer was his big fish After thirty seven
 years of rebellion the reality of death was at his door His first reaction of the news was not that of being scared but that of
 anger not at God but himself for wasting his life With new resolve he decided he was from that point on to live his life with
 purpose His life was spared to help others find a way to make a u turn and get their lives back on track So youve made
