Social Movement Malaysia Saliha Hassan, Meredith Weiss, 2012-11-12 This book considers the proliferation in Malaysia over the past two decades of non governmental organizations NGOs associated with various social movements both to provide basic information about the NGOs and social movements and to discuss their role in the development of civil society generally in particular their contribution to the reform movement which has been gathering strength since 1998 The book discusses the nature and development of the movements and shows that those movements concerned with human rights and women s issues have made significant contributions to the reform movement and been irrevocably changed by their involvement in it

Domination and Contestation Faisal S Hazis, 2003-08-01 e This book makes an important contribution to understanding the ongoing political evolution of politics in Sarawak It also provides a case study of the engagement of a dominant state with social forces in a multi ethnic society e Prof Harold Crouch Emeritus Professor Department of Political Taking off from Joel Migdal s notions of the strongman politician strong society weak state and the state in society the author discusses how the federal government accomodates Taib Mahmud s chief ministership over Sarawak and how his long tenure is anchored in winning political support from the Sarawak Muslim Bumiputera community An insightful book on contemporary Sarawak politics e Prof Francis Loh Kok Wah School of Social Sciences Universiti Sains Malaysia e This volume will go a long way in explaining why a single Melanau family has been able to dominate Sarawak politics for the past four decades e Prof James Chin Head of School of Arts and Social Sciences Monash University Malaysia Campus

A History of Malaysia Barbara Watson Andaya, Leonard Y. Andaya, 2017-09-16 First published in 1982 this text is widely regarded as a leading general history of the country This new and revised edition brings the story of this fascinating country up to date incorporating the latest scholarship on every period of Malaysian history including recent research into pre modern times This text thus provides a historical framework that helps explain the roots of the issues dominating Malaysian life today and the difficulties of creating a multicultural state where resources are equitably shared and the rights of all citizens are acknowledged This book is a key text for courses on Southeast Asian history and politics Covering a range of disciplinary subjects in the humanities and social sciences it is also useful for anyone interested in the assessment of young modernizing nations New to this Edition A new chapter provides insights into Malaysian history of the last 15 years including the growing influence of the internet and social media in the political sphere Greater attention is paid to the strengthening of civil society movements that have arisen in light of perceived government failures Fresh analysis of Islam s historical role in the Malay world and how it links with the growing Islamization of Malaysia today

Comparative Politics of Southeast Asia Aurel Croissant, 2022-09-01 This textbook provides a comprehensive introduction to the political systems of all ASEAN countries and Timor Leste from a comparative perspective It investigates the political institutions actors and processes in eleven states covering democracies as well as autocratic regimes Each country study includes an analysis of the current

system of governance the party and electoral system and an assessment of the state its legal system and administrative bodies Students of political science and area studies also learn about processes of democratic transition and autocratic resilience as well as how civil society and the media influence the political culture in each country This second edition features revised and updated versions of all country studies and a new chapter that discusses the trends of democratization and autocratization in Southeast Asia in the late 20th and early 21st centuries

Transnational Activism in Asia Nicola Piper, Anders Uhlin, 2004-06 This book offers new perspectives on transnational activism with a focus on Asia The chapters and case studies examine macro and micro aspects of power and how cross border activities of civil society groups relate to problems of democracy

The Expert Consumer Alain Chatriot, Marie-Emmanuelle Chessel, 2017-09-29 Recent work has focused on the politics of consumption and its manifestation in a number of situations This volume extends these debates providing a tighter focus and contributing to a noticeable gap in the field that numerous scholars are beginning to turn towards that is organizations of consumers themselves who have chosen to speak for all consumers and similar such bodies of experts which act on behalf of consumers The volume is fortunate in drawing upon a number of scholars who are about to publish major works on the subject but who are happy to provide summary versions of their work for the volume The book pays particular attention to specific moments in consumer mobilization and expertise capturing the range of types of expert consumers across the twentieth century from ethical consumer groups at the beginning to intellectuals housewives economists and public officials It addresses questions on the nature of consumer organizing which bodies can speak for consumers whether one consumer voice can ever be identified and the relationship between consumption and citizenship Overview pieces demonstrate the larger narratives involved in the study of the expert consumer whilst more comparative essays set out the nature of transatlantic exchanges Other contributions point to the similarities across seemingly different consumption regimes while case studies of specific organisations and key historical moments draw out the particularities of consumer expertise

Routledge Handbook of Civil Society in Asia Akihiro Ogawa, 2017-09-27 The Routledge Handbook of Civil Society in Asia is an interdisciplinary resource covering one of the most dynamically expanding sectors in contemporary Asia Originally a product of Western thinking civil society represents a particular set of relationships between the state and either society or the individual Each culture however molds its own version of civil society reflecting its most important values and traditions This handbook provides a comprehensive survey of the directions and nuances of civil society featuring contributions by leading specialists on Asian society from the fields of political science sociology anthropology and other disciplines Comprising thirty five essays on critical topics and issues it is divided into two main sections Part I covers country specific reviews including Japan China South Korea India and Singapore Part II offers a series of thematic chapters such as democratization social enterprise civic activism and the media As an analysis of Asian social cultural and political phenomena from the perspective of civil society in the post World War II era this book will be useful to students and scholars of Asian

Studies Asian Politics and Comparative Politics *The Oxford Handbook of Islam and Women* Asma Afsaruddin, 2023 The Oxford Handbook of Islam and Women offers authoritative contributions from well known scholars whose sophisticated and cutting edge research explores the diversity of Muslim women's lives and their accomplishments challenging common stereotypes that are particularly prevalent in the West [Islam, Gender, and Democracy in Comparative Perspective](#) Jocelyne Cesari, José Casanova, 2017-04-14 The relationship between secularism democracy religion and gender equality has been a complex one across Western democracies and still remains contested When we turn to Muslim countries the situation is even more multifaceted In the views of many western commentators the question of Women Rights is the litmus test for Muslim societies in the age of democracy and liberalism Especially since the Arab Awakening the issue is usually framed as the opposition between liberal advocates of secular democracy and religious opponents of women's full equality *Islam Gender and Democracy in Comparative Perspective* critically re engages this too simple binary opposition by reframing the debate around Islam and women's rights within a broader comparative literature Bringing together leading scholars from a range of disciplines it examines the complex and contingent historical relationships between religion secularism democracy law and gender equality Part One addresses the nexus of religion law gender and democracy through different disciplinary perspectives sociology anthropology political science law Part Two localizes the implementation of this nexus between law gender and democracy and provides contextualized responses to questions raised in Part One The contributors explore the situation of Muslim women's rights in minority conditions to shed light on the gender politics in the modernization of the nation and to ponder on the role of Islam in gender inequality across different Muslim countries **The Palgrave Handbook of Women's Political Rights** Susan Franceschet, Mona Lena Krook, Netina Tan, 2018-10-26 This Palgrave Handbook provides a definitive account of women's political rights across all major regions of the world focusing both on women's right to vote and women's right to run for political office This dual focus makes this the first book to combine historical overviews of debates about enfranchising women alongside analyses of more contemporary efforts to increase women's political representation around the globe Chapter authors map and assess the impact of these groundbreaking reforms providing insight into these dynamics in a wide array of countries where women's suffrage and representation have taken different paths and led to varying degrees of transformation On the eve of many countries celebrating a century of women's suffrage as well as record numbers of women elected and appointed to political office this timely volume offers an important introduction to ongoing developments related to women's political empowerment worldwide It will be of interest to students and scholars across the fields of gender and politics women's studies history and sociology
