Social Change In The Law Of Trusts:

Social Change in the Law of Trusts George William Keeton, Social Change in the Law of Trusts George Williams Keeton,1974-01-14 A collection of essays on the problems created in the Law of Trusts by social changes in England

Social Change in the Law of Trusts George Williams Keeton,1958 Moffat's Trusts Law Jonathan Garton,Rebecca Probert,Gerry Bean,2020-05-14 Always the serious student s choice for a Trusts Law textbook the new seventh edition of Moffat s Trusts Law once again provides a clear examination of the rules of Trusts retaining its hallmark combination of a contextualised approach and a commercial focus The impact of statutory developments and a wealth of new cases including the Supreme Court and Privy Council decisions in *Patel v Mirza* 2016 UKSC 42 *PJS v News Group Newspapers Ltd* 2016 UKSC Burnden Holdings v Fielding 2018 UKSC 14 and *Federal Republic of Brazil v Durant* 2015 UKPC 35 are explored A streamlining of the chapters on charitable Trusts better to align the book with the typical Trusts Law course helps students understand the new directions being taken in the areas of Trust Law and equitable remedies *Trusts Law* Graham Moffat,Gerard M. D. Bean,Rebecca Probert,2009-09-03 This classic textbook brings a modern perspective to the study of the law of equity Its hallmark contextualized approach and commercial focus will help students understand the subject and the authors commentary on the factors informing trusts law allows students to confidently grapple with complex ideas

Understanding Equity & Trusts Alastair Hudson,2008-08-28 A companion text to Hudson s exceptional textbook *Equity and Trusts* this book gives those unfamiliar with the subject a clear accessible and comprehensive overview of the main themes in this dynamic area of the law *Modern Studies in Property Law, Volume 10* Ben McFarlane,Sinéad Agnew,2019-05-30 This book contains a collection of papers presented at the Twelfth Biennial Modern Studies in Property Law Conference held at University College London in April 2018 The conference and its published proceedings are an established forum for property lawyers from around the world to showcase the latest research This collection includes a keynote address by Dame Elizabeth Gloster former Vice President of the Court of Appeal Civil Division on technology in property law It also includes plenary addresses by Professor Henry Smith on the architecture of property law and the challenge of compiling the American Law Institute s Fourth Restatement of Property and by Her Honour Judge Karen Walden Smith on the role of the first instance judge in property cases Sixteen further chapters address a wide range of issues including the theory and taxonomy of land law the re evaluation of land obligations the nature and operation of equitable property rights and shares the role of property in commerce comparative approaches to leases and trusts and contemporary issues in land registration Collectively the chapters demonstrate the vibrancy diversity and importance of property law and of current research in the subject Equity and the Law of Trusts Philip H. Pettit,2012-08-23 This well established and respected textbook has been relied upon by students and academic scholars for the last 40 years Praised for the clarity of the writing the comprehensive scope of the content and the high level of critical analysis Professor Philip Pettit builds on the

strengths of the book to offer students a rigorous and yet readable account of equity and trusts law This 12th edition has been developed to answer directly the needs of modern day students and lecturers Chapter introductions help to orientate the reader with each new topic covered Examples and scenarios illustrate how the law operates in practice and offer a contextual framework for students new to the subject The reason why people create trusts in the first place is explored in depth and Professor Pettit focuses on carefully explaining each new concept as he introduces it Diagrams offer a fresh way of explaining particularly complex or abstract concepts Students will find the glossary a helpful tool in familiarising themselves with technical and specialist terms This classic text has been fully updated to take account of recent developments The coverage of unincorporated associations has been expanded in this new edition and greater detail has been applied to contemporary issues in constructive resulting and charitable trusts Online Resource Centre Three additional chapters can be accessed on the Online Resource Centre Conversion and Reconversion Satisfaction Ademption and Performance and The Equitable Doctrine and Election Along with the chapters appearing in the 12th edition these chapters have been updated to reflect changes in the field

Mediation in the Reflection of Law and Society Lenka Holá,Miloš Večeřa,Martina Urbanová,Jan Holas,David Fiedor,2021-12-08 Despite slow progress in use mediation continues to consolidate its presence in dispute resolution This important book argues that a more favourable socio legal climate must be created for mediation to thrive and accordingly analyses the legal cultural social systemic and spatial aspects of the use of mediation in the legal practice of the different countries of the European Union EU Based on a spatiotemporal analysis and models of mediation in the EU it pinpoints the social and cultural reasons for the fragmentation of its legal regulation and shows what paths are available to promote the effective implementation of mediation in social practice It is the first book to capture the socio legal context of mediation A spatiotemporal analysis of the extent of use of mediation in a region as large and at the same time as diverse as the EU has never been carried out before Using various methodological and conceptual approaches to analyse the legal and social aspects of introducing mediation to legal systems the authors all with long term experience in the exercise and research of mediation directly in the field provide invaluable insights into such facets of the use of mediation as the following the social context that raises the need for mediation obstacles to the wider use of mediation in resolving disputes between parties the effects of social influences reflected in legislation that shape the laws of each country the basic models that make up the system of access to mediation in specific EU Member States the role of law as a tool for social change and its reflection in the legal regulation of mediation and perspectives for further development of mediation in the EU The legislative efforts proposed to enhance the regulation of mediation in EU countries are based on modern knowledge of law sociology and psychology As a unique combination of exploration of the theoretical determinants of mediation and an empirical study of the extent of its use in the European area this book s fundamental contribution to the legal theory and practice of mediation is inarguable Its analysis of mediation from three perspectives as a means of improving citizens access

to justice as a means of applying social justice in society and as a means of restorative justice are of the utmost value in today's global society. For users of mediation EU institutions involved in mediation EU Member State authorities addressing the issue of mediation and the wider dispute resolution community worldwide the book will be welcomed for the giant steps it takes toward refining arguments for the promotion of mediation and its development in theory research and practice. Key Ideas in Trusts Law Nicholas McBride, 2023-06-01 This book provides an in depth and easy to understand account of a subject that students often find dauntingly difficult to master. The opening chapter sets out some definitions of what a trust is and goes on to clearly explain the history of trusts law and how both trusts law and the roles played by trusts have changed over time. Different types of trust trusts for persons charitable and non charitable purpose trusts express trusts constructive trusts and resulting trusts are explored in detail over the following two chapters. The fourth chapter sets out the law on when someone will commit a breach of trust and what remedies will be available when such a breach is committed. The obscure and intimidating terminology that affects this area of law is explained and made easy to use. A concluding chapter explores the harms caused by trusts law particularly through its use to store wealth in tax havens abroad and considers possibilities for reforming the law to mitigate those harms. With references to almost 150 books and articles and almost 150 cases this book will save students a huge amount of time in terms of developing a sophisticated knowledge of the past present and potential futures of trusts law both in England Wales and across the world as well as the academic and judicial debates that surround this area of law.
