The Instigatory Theory of NGO Communication Evandro Oliveira, 2019-05-31 By understanding the ontogenesis of NGOs as civil society organizations from a historical anthropological communicational sociological economical and managerial perspective Evandro Oliveira outlines the

Instigatory Theory of NGO Communication ITNC This proposes the ontological principles an applied conceptual model and a cybernetic operational model for understanding and managing communication at NGOs Those models were tested using a mixed method research design performance of ngos with reference to women empowerment Dr J Saritha, **The Political Economy of NGOs** Jude L. Fernando, 2011-07-08 This book explores the paradoxical relationship between NGOs and capitalism showing that supposedly progressive organisations often promote essentially the same policies and ideas as existing governments It examines how a diverse group of NGOs have shaped state formation in Bangladesh and Sri Lanka It argues that rather than influencing state formation for the better NGOs have been integrated into the capitalist system and their language adopted to give traditional exploitative social relations a transformative appearance This enlightening study will give pause to those who see NGOs as drivers of true social change and will encourage students of development studies to make a deeper analysis of state formation Routledge Handbook of NGOs and International Relations Thomas Davies, 2019-04-09 Offering insights from pioneering new perspectives in addition to well established traditions of research this Handbook considers the activities not only of advocacy groups in the environmental feminist human rights humanitarian and peace sectors but also the array of religious professional and business associations that make up the wider non governmental organization NGO community Including perspectives from multiple world regions the book takes account of institutions in the Global South alongside better known structures of the Global North International contributors from a range of disciplines cover all the major aspects of research into NGOs in International Relations to present a comprehensive overview of the historical evolution of NGOs the range of structural forms and international networks coverage of major theoretical perspectives illustrations of how NGOs are influential in every prominent issue area of contemporary International Relations evaluation of the significant regional variations among NGOs and how regional contexts influence the nature and impact of NGOs analysis of the ways NGOs address authoritarianism terrorism and challenges to democracy and how NGOs handle concerns surrounding their own legitimacy and accountability Exploring contrasting theories regional dimensions and a wide range of contemporary challenges facing NGOs this Handbook will be essential reading for students scholars and practitioners alike **NGOs and Civil Society in Thailand** Theerapat Ungsuchaval, 2022-09-28 NGOs and Civil Society in Thailand critically examines the relationships of civil society to nongovernmental organisations in Thailand and examines the NGOisation of civil society how NGOs are funded and governed and in what way the NGOs has been shaped to work with the funder NGOisation is a phenomenon by which the funded organisations are impelled to transform suit their funder as reliable partners Focusing on Thailand an Asian country where NGOs have been heavily relied on the public sector for funding the book analyses the relations between NGOs and their significant funder Thailand Health Promotion Foundation THPF one of the biggest and most influential players in the NGO sector As the NGO funded organisations are impelled to transform and adapt to become more professionalised institutionalised bureaucratised and

depoliticised to suit their funder as reliable partners their characteristics and relations with the state are complex and interactive Engaging with key stakeholders in the field of NGO and public governance in Thailand the book demonstrates how THPF changed the NGO landscape integrating them and innovatively coordinating non state initiatives into public governance system A novel contribution to the study of NGOs and the state the book also addresses NGO transformation politics and governance It will be of interest to academics working on Asian Politics civil society public policy and public management **Global Pro Bono** Scott L. Cummings,Fabio de Sa e Silva,Louise G. Trubek,2022-04-07 This book provides the first ever analysis of the growing yet contested role of pro bono services in access to justice globally
