The Fate of Abraham Peter Osborne,2022-05-12 As the Cold War faded into history it appeared to have been replaced by a new conflict between Islam and the West Or so we are told After the events of 9 11 and the advent of the war on terror this narrative seemed prophetic But as Peter Osborne reveals in this masterful new analysis the concept of an existential clash between the two is a dangerous and destructive fantasy Based on rigorous historical research and forensic contemporary journalism that leads him frequently into war torn states and bloody conflict zones Osborne explains the myths fabrications and downright lies that have contributed to this pernicious state of affairs He shows how various falsehoods run deep reaching back as far as the birth of Islam and have then been repurposed for the modern day Many in senior positions in governments across the West have suggested that Islam is trying to overturn our liberal values and even that certain Muslims are conspiring to take over the state while Douglas Murray claims in his new book that we face a War on the West But in reality these fears merely echo past debates as we continue to repeat the pattern of seemingly wilful ignorance With murderous attacks on Muslims taking place from Bosnia in 1995 to China today Osborne dismantles the falsehoods that lie behind them and he opens the way to a clearer and more truthful mutual understanding that will benefit us all in the long run

Ottoman History - Misperceptions and Truths Ahmed Akgunduz,Said Ozturk,2011-01-01 This book was first published in Turkish under the title Bilinmeyen Osmanl co authored by Prof Dr Said zt rk and 250 000 copies were printed I answered 290 questions whereas zt rk answered 13 in total He collaborated regarding source details and references as well as tirelessly proofreading and editing the book In addition this book was later translated into Arabic the first edition was published by Osmanl Ara tirmalari Vakfı OSAV Istanbul and the second will be published by D r al Shouroq in Cairo The English version of this book has almost become a separate work from the aforementioned versions Although the main part was translated into English by Ismail Ercan the book needed a number of improvements and rewriting of some articles after referring to Western sources on the various subjects Hence I changed the title as well as the format of the book mainly for this reason But I have indicated which articles were written by Prof zt rk As preparation for this book the questions it deals with have been discussed in academic research ever since 1983 and in addition hundreds of conferences have been held throughout Anatolia As a result over 5000 questions have accumulated in our question desk submitted in written form by both readers and listeners For example the issue of arem comes first with 503 questions The issue of whether the Ottoman Sul ns particularly Bayezid the Thunderbolt drank alcohol ranked second with

276 questions These were followed by such questions as fratricide rights and freedoms in the Ottoman state the issue of the Sul ns going on pilgrimage if Sul n Wa duddin was a traitor etc Needless to say we have been inspired by similar research done in this field This book will consist of four parts In Part One we will deal with weighty questions on the political history of the Ottoman state and the replies to them However such questions are most frequently asked about each Sul n even if they are related to law or economics For instance we will not ignore the issue of fratricide in his law when discussing Me med the Conqueror and the charges of the genocide of the Kurds when it comes to Selim the Excellent In Part Two we will deal with the questions on social life in the Ottoman state and the arem In Part Three we will look at those issues regarding the Ottoman legislative system and the organization of the state In Part Four we will answer some questions about the economy and financial law of the Ottoman state Unfortunately we will not deal with all the questions we have received in all the aforesaid fields owing to insufficient space Yet it is our view that if something cannot be achieved completely we should not give up entirely and resign ourselves to what has been done There are 307 different subjects in this book some of them as below War jih d in the Ottoman state and the legal principles of the policy of conquest in the Ottoman state The Dev irme Conscription System The allegations that the Ottoman state adhered to the Bekta i and Aleviyye traditions during the years of its foundation until Sul n Selim the Excellent and that the Abdalan Rum consisted of Bekta i Babas and Alevi Dedes On rumors that some Ottoman Sul ns were addicted to alcohol and even held illegitimate carousals at the Palace The legality of fratricide in the Ottoman state and some claims by some historians regarding savagery and massacre for the sake of claiming the Sultanat There are claims that Sul n Me med the Conqueror was sympathetic toward Christianity and corresponded with the Pope On the Ottoman State offering assistance to the Andalusian state that was destroyed in 1492 Ottoman Harem Ottoman legal codes Ottoman legal system and Islamic law Which events sowed the seeds of hatred between Arabs and Turks both of whom are Muslims The reasons for the decline and fall of the Ottoman State The capitulations as one reason for terminating the Ottoman State

Crescent Dawn Si Sheppard,2025-02-27 A groundbreaking new history of the wars of the Ottoman Expansion a truly global conflagration that crisscrossed three continents and ultimately defined the borders and future of a modern Europe The determined attempt to thwart Ottoman dominance was fought across five theaters from the Balkans to the Mediterranean and the Indian Ocean from Persia to Russia This intercontinental melee is

expertly re told in this fascinating new history by historian Si Sheppard But this is not the story of a clash of civilizations between East and West as you might assume Europe was not united against the Turks the scandal of the age was the alliance between King Francis I of France and Sultan Suleiman the Magnificent Meanwhile the resistance of the Saadi dynasty of Morocco to Ottoman encroachment played a critical role in denying Constantinople direct access to the Atlantic Ocean By the same token though religious imperatives were critical to the motivations of all the key actors involved these in no way fell neatly along the Christian Muslim divide Crescent Dawn expertly shows how the Holy Roman Emperor Charles V desired nothing more than to eradicate the Protestant heresy metastasizing throughout his domains but the threat of Turkish invasion forced him to stay his hand and indulge his Lutheran subjects to ensure a common defense Nevertheless the collective effort to constrain the expansion of the Ottoman superpower did succeed with the ultimate victory in 1571 the tipping point in reordering the trajectory of history Crescent Dawn features some of the legendary figures of the era from Mehmet the Conqueror and Suleiman the Magnificent on the Ottoman side to Charles V and Vasco de Gama on the other and some of the most exotic locales on Earth from the sumptuous palaces of Constantinople to the bloody battlefields of the Balkans to the awe inspiring mountains of Ethiopia This is a colorful history that brings the great battles of the age to life and clearly shows how the western struggle against the Ottomans constituted the first truly world war
