The Outcast Sadie Jones, 2010-03-05 The village was asleep with all the people behind the walls and through the windows and up the stairs of the little houses blind and deaf in their beds while anything might happen Lewis headed down the middle of the road and he kept falling and had to remember to get back on his feet He reached the churchyard and stood in the dark with the church even darker above him from *The Outcast* by Sadie Jones It s 1957 Nineteen year old Lewis Aldridge is returning by train to his home in Waterford where he has just served a two year prison term for a crime that shocked the sleepy Surrey community Wearing a new suit he carries money his father Gilbert sent to keep him away he suspects and a straight razor No one greets him at the station Twelve years earlier seven year old Lewis and his spirited mother Elizabeth are on the same train bringing Gilbert home from war Waterford is experiencing many such reunions alcohol lubricating awkward homecomings and community gatherings The most oppressive of these are the mandatory holiday parties hosted by the town s leading industrialist Dicky Carmichael Gilbert s employer With the Carmichael estate backing onto the Aldridge property the attractive and popular Tamsin Carmichael and her precocious kid sister Kit are Lewis s playmates along with a gaggle of neighbourhood boys who like Lewis are fascinated by Tamsin The children play thrilling and cruel games mirroring the adults inebriated dysfunction Though pleased to be reunited with Elizabeth Gilbert is appalled by the coddling his son has received in his absence No longer permitted to skip church for picnics by the river Elizabeth and Lewis are steered back under the ever judgmental gaze of Waterford society Lewis continues to flourish a naturally capable golden child But iconoclastic Elizabeth disappointed by Gilbert s insistence on conformity seeks refuge in the bottle Then a sunny riverside picnic ends with Elizabeth dead and ten year old Lewis the only witness A shattered Gilbert is incapable of providing comfort to his young son and the community of Waterford turns away from the traumatized child now rendered a pariah by tragedy Lewis is sent to boarding school summoned home only for holidays Gilbert remarries five months later to Alice a compliant beauty who is not up to the task of parenting a damaged child Years pass and Lewis now a troubled teenager is lost in dangerous and self harming behaviours When an incident with a local bully causes Lewis to be even further estranged from the community Gilbert and Alice stand idly by as Lewis is tormented by the tyrannical Dicky Enraged Lewis commits a shocking crime against the whole of Waterford and is sent to

prison Two years later upon his shamed return the town continues to treat Lewis as an outcast Only Tamsin's little sister Kit now a young woman sees in him the golden boy he once was She had become infatuated with Lewis years earlier when he had casually protected her from bullies and broken bicycle chains But she now faces a much darker and more dangerous sort of bullying at the hands of her father It is up to Lewis once again to rescue her redeeming himself through tremendous courage and terrible sacrifice And perhaps Kit holds the power to rescue him too Winner of the Costa First Novel Award and a finalist for the prestigious Orange Prize Sadie Jones's *The Outcast* introduces us to a clear and brave new voice in British fiction The novel is a clarion call to us all daring us to stand up to the bullies of our world in whatever form they may take and above all else to love our children *The Outcast* Louise Cooper, 2006 Tarod alone knew the nature of the supernatural force locked within his soul and he knew that it must be thwarted no matter what the sacrifice Denounced by his fellow adepts as a demon betrayed even by those he loved he had unleashed a power that twisted the fabric of time to put himself beyond the reach of that monstrous force and avert the pandemonium that threatened the world He thought that nothing could break through the barrier he had created He was wrong **The Outcast** Robert Williams Buchanan, 1896 *The Outcast* Sadie Jones, 2009-04-14 In 1957 Lewis Aldridge newly released from prison returns home to Waterford a suburban town outside London He is nineteen years old A decade earlier his father's homecoming at war's end was greeted with far less apprehension by the staid tightly knit community thanks to Gilbert Aldridge's easy acceptance of suburban ritual and routine Nobody is surprised that Gilbert's wife counters convention but the entire community is shocked when after one of their jaunts Lewis comes back without her No one in Waterford wants Lewis back except Kit a young woman who sympathizes with his grief and burgeoning rage But in her attempts to set them both free Kit fails to foresee the painful and horrifying secrets that must first be forced into the open The consequences for Lewis his family and the tightly knit community are devastating *The Outcast* Simon Hawke, 1993 **My Paperback Book** Julian Scutts, 2016-11-24 The allegory as a literary device is too often dismissed as being artificial and contrived yet one scholar admits that an allegory arises spontaneously when a writer allows a symbolic traveller make one step towards a symbolic mountain Therefore the resultant allegory cannot be subject to the writer's full control and conscious powers of prediction and determination It has a life of its own *The Coming of Hoole* Kathryn Lasky, 2006 Soren and Coryn read the ancient legends of Ga Hoole in order to find a way to prevent the victory of evil in their present world *Outcast* Louise Cooper, 1990-02-01 *The Outcast* Robert Buchanan, 2017-11-28 Excerpt from *The Outcast* A Rhyme for the Time A critic of the period has defined a classic as an old book which is read by the young *The Outcast* is not yet an old book but if the test suggested is applied to it it will be found to be already assuming classical pretensions No work of mine except *The Wandering Jew* has brought me so much correspondence from young thinkers in all parts of the world and I am constantly urged to complete the plan a somewhat exhaustive one as soon as possible In answer to such correspondents I may explain that the work is well advanced towards

completion and that I hope to issue it before long in a definitive shape In the meantime the present volume is perfectly complete in itself *lotus teres algae rotundus* About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
