**The Overcomers** Matt Chandler, 2024-05-07 Are you ready to live with intention and adjust your mindset to be fully equipped to handle anything life throws at you Join Pastor Matt Chandler as he leads you through the book of Revelation chapter by chapter and encourages Christians to build mental fortitude knowing that God called you for such a time as this Using historical examples The Overcomers will put steel in the spines of believers and remind them of the fierce conquering commanding authority of God over all the earth You were made for this exact moment in human history Things may look gloomy and you may feel discouraged but because of the promise and hope found in Scripture you can be brave confident and victorious today The apostle John wrote his letter to a certain group of people in a particular place at a specific time Although it was written to them it was also written for us The Overcomers takes a chapter by chapter view of Revelation rather than a line by line deep dive helping readers practically understand what God wants to say to us today through this extraordinary book written thousands of years ago He also talks about how we should view current events knowing that the writers of the New Testament understood themselves to be living in the end times or last days Believers will be reminded that they are uniquely wired and uniquely placed in this moment in history as part of God's big plan to push back darkness and to establish light Christ has overcome and in Him we too are the overcomers In this book believers will Find courage and confidence from fellow believers who have gone before us Feel empowered as God reminds them of His promises fulfilled and yet to come Understand the strategies tactics and deceptions Satan uses to try to keep us paralyzed with anxiety and fear Build up their mental strength by intentionally living their life for God and mindfully pursuing the light of the world Study the book of Revelation and how God uses it to encourage His people through dark times and hardships In The Overcomers Matt Chandler reminds readers that they don't have to be anxious or afraid of anything in the present or in the future because both have already been won We are not victims but overcomers and we are a key part of what God is working out in our day God is at work in the mess just as He has always been and He continues to accomplish His purpose of seeking and saving the lost

Clark, 2021-10-07 Statistics say that 98 percent of people in the world die without ever fulfilling their purpose This is extremely concerning because many people are living hopeless and apathetic lives Deep down inside people want their lives to count to matter and to be worth something People want their lives to have meaning and are searching for the keys to find inner peace and happiness Throughout our journey we unfortunately make life more complicated than it needs to be because we believe our purpose gives us our identity To say the least it should be the other way around because we must discover who we are within in order to find our purpose When we discover who we are we will find happiness and this will lead us down the road of success Unfortunately people are led to believe that success will bring them happiness but this is far from the truth True success starts with knowing yourself so that you can find the peace and happiness you desperately crave Overcomer is a book that will help you to discover your true self and propel you into the position that the Creator has purposed for your life Within this life changing book you will learn how to change your perspective have a definite purpose overcome obstacles implement self love and confidence change your environment and eliminate negative self talk Too many people in today's society are struggling with mental health and they need something that's going to pull them out of the dark places and bring them into the light of awareness Every step we take along our journey we are either moving closer to our destiny or getting farther away from it If you desire to take charge of your life and discover your purpose then this is the book you have been searching for Now is the time to change your life and to begin walking toward your destiny As you turn the pages in this book and embark upon the journey of my life you will discover how to overcome obstacles take control of your life and discover your purpose You have always been an overcomer so it's time to become the champion you were always meant to be 2 **A Message to the Overcomer** Rosita Dozier, 2008-10 A Message to the Overcomer is a collection of messages originally written for a weekly e-mail ministry The intent of each message is to encourage Christians to experience a deeper life in Christ Each message offers a practical approach to overcoming life's issues The book has six categories and they include principles to live by Christian living old and new salvation and exhortation The first category is the introduction and it gives the reader a scriptural reference for the overcoming message The purpose of the book is to share with the body of Christ the practical application of God's word As they apply the word in their lives they will begin experiencing the overcoming life My desire is to see God's people grow in grace and in the knowledge of the Lord Jesus Christ I pray God will open up the eyes of

your understanding as you enter into the world of the overcomer Rosita Dozier's life changed August 7 1981 when she gave her life to Christ That event set her life on a path of studying and learning all that she could about God and his son the Lord Jesus Christ The first six years were set aside for intensive spiritual training which included learning how to pray how to study the scripture outreach teaching and full time ministry The overall focus of the training was to overcome the world the flesh and the devil Thus living the overcoming life is more than a concept to Rosita it is a way of life Teaching women is her top priority and she has conducted bible studies for over twenty years She's written articles for church newsletters helped pastors put oral messages into print and edited several books She writes often and looks forward to writing many more books to the glory of God

**Overcomer** Dan H. Meissner, 2023-10-05 The enemy or Satan lies to everyone especially nonbelievers of Jesus Christ From firsthand experience stop listening to the enemy The enemy lied and deceived me my entire life I don't want this to happen to you These lies just don't come from him he uses people in your life such as people in school coaches and even family members to deceive and lie to you Don't fall for it The thief's purpose is to steal kill and destroy John 10:10 I got sick and tired of being angry all the time I knew I needed to change because if I didn't my life wouldn't be worth living anymore I needed peace and joy in my life I was tired of hurting the loved ones around me because of my attitude After giving my life to Christ in 2008 He helped me and still to this day helps me heal day by day It's all about forgiving yourself and allowing Jesus to work inside of you Our Jesus helps me to heal through scripture and dreams I went to plenty of therapists and they never helped me Don't let your pride prevent you from letting Jesus heal you Don't think you're too tough for Jesus Jesus never tapped out or gave up on us so why should you give up on yourself Grow closer to Jesus and He will grow closer to you Jesus's door is always open have the guts to cross the threshold He is waiting for you and wants a relationship with you You have nothing to lose Give your burdens over to Jesus and quit having the enemy lie to you as he lied to me

**WHAT ELITE ATHLETES EAT** Deborah M. Westphal, RPh, BCNSP (Registered Pharmacist, Board Certified Nutrition Support Pharmacist), Glenn Westphal,

PhD,2015-02-14 Talking to Elite Athletes and to Americans we noticed Americans do not have knowledge of what their own NBA stars Olympic teams and Pro Football teams eat to be elite athletes Most of us would delight to eat what these stars eat If only we knew What Elite Athletes Eat is Scepter Nutrition The program is completely different from the average American diet We should all be so lucky to eat the same delicious food Don t worry that these athletes are more active than us the average American burns as many calories on thinking studying or stress as the elite athlete burns in training Athletes are not into hunger deprivation programs or feeling weak They demand performance from their nutrition programs Jenny Thompson 12 Olympic Medals 8 Gold James Donaldson NBA Star and Pablo Morales 2 Olympic Gold Medals are some of the athletes that first bought into nutrition rich in fats with controlled servings of protein and carbs By doing this they not only rose to the top of their sport they extended their athletic careers far beyond others in their sports Elite athletes have further refined these principles resulting in the Scepter Nutrition Plan WHAT ELITE ATHLETES EAT also known as Scepter Nutrition flies in the face of what most of us have heard from our sports coaches doctors AMA American Medical Association public schools MY PLATE School Lunch Program the US Surgeon General the USDA United States Department of Agriculture ADA American Diabetes Association and the popular published fad diets WHAT ELITE ATHLETES EAT in their Scepter Nutrition Plan is the exact opposite of these programs Some things are immutable they do not mutate they do not change and they are truth The human body was created to be optimally sustained by a certain fuel mix nutrient mix This fuel mix will not change and has not changed for centuries No amount of fad diets advertising government MY PLATE programs or USDA Food Pyramid recommendations is going to change the way our bodies are designed to operate Two of those immutable truths are first that the human body is designed to use select fat protein and carbohydrate in a ratio of 60% 17% 23% in calories and secondly the body is also designed to operate best within tightly controlled carb and protein servings based on your body size which can be easily determined visually based on the size of your hands to achieve peak performance Experience with elite athletes over the past 20 years has demonstrated that they perform best when they apply these principles This has also been demonstrated in select nutrition research trials over the same 20 years where we precisely control everything given to patients When an athlete wants to be best at a sport they go find the best mentors and coaches they can They find someone who can beat them and compete and train with them They don t find someone they can already beat and ask them to train them Athletes are turning to other elite athletes to train them in nutrition as well as their sport Athletes are ahead of us and we can learn from them and enjoy their same delicious food Elite Athletes are breaking world records more and more frequently Much of the credit goes to nutrition breakthroughs that have been documented to dramatically improve performance of the finest athletes trained by the world s best coaches at their documented peak performance levels to move beyond what even they and their coaches thought possible [The Overcomer's Edge](#) Paul Tsika,Dr. Ryan Hosley,Kameo Hosley,2017-10-17 Learn how to be an Overcomer In every area of your life We are living in dangerous times Day by day
