## **The Owls Of Thunder Hollow:**

**The Owls of Thunder Hollow** Dan Barnwell, 2005-09-12 The Owls of Thunder Hollow have a perfect teaching system for teaching their young The young owls learn to fly hunt and survive within this perfect system There never has been a problem with the system Everything changes when the owls accidentally hatch a strange egg The young bird is not an owl It does not fit into their perfect teaching system This is a story about an honest effort that was made by both teacher and student After months of frustration and failure it appears that they have parted with bitter feelings The young bird is banished from the presence of his friends The teacher has been denied the affection that she should have received from the young owls that she taught Many teachers and students have lived through the sadness of a story like this one If you had hoped for a happy ending but never were able to find one you really need this book The Owls of Thunder Hollow were able to find an end to the story that is seldom achieved in the world of people

*The Tree in Thunder Hollow* Dan Barnwell, 2006-11-02 In this final section of the journey for The Owls of Thunder Hollow the great golden eagle Brownie returns to lead the owls home Carrying Talons feather and a hopeful heart Beech the owl known as The True Believer prepares the sickly remnants of the owl community for the trip The young owls take a solemn vow to never return to the Weasel Swamp Their spirits yearn for the high dark ridges of Thunder Hollow The young owls train all through the winter gaining strength and discipline Beech thinks they are ready by the time Brownie returns but none of the owls understands how far and dangerous the flight home will be

**The Fire in Thunder Hollow** Dan Barnwell, 2006-11-10 The Fire in Thunder Hollow is the second book of the Thunder Hollow series The owls have prospered under the protection of Brownie the golden eagle The hollow is filled with the home trees of the owls As the good times continue the morals of the owls begin to slip The young are not as well taught about social behavior They begin to create problems for themselves Soon the younger owls have a secret hiding place and a charismatic young leader The young leader wants to start a new community which would be ruled by him When the young owls plans are discovered they return to Thunder Hollow and settle down all except the power hungry young leader Angry over his rejection he sets fire to Thunder Hollow destroying it Only a few owls survive the fire by flying away They fly so far that they cannot find their way home Brownie the eagle spends every summer searching for them growing old and discouraged as the years roll by The owls living in a dismal swamp are losing their memories of Thunder Hollow Will Brownie find the owls before he dies of old age or will the owls pay the ultimate price for their rebellious ways
