The Pabover Plot Special 40th Anniversary Edition:

The Passover Plot Hugh J. Schonfield, 2021-12-16 This is the new official Schonfield Trust edition of the Passover Plot which is probably one of the most controversial books on the role of Jesus the Messiah Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically Thus it is a must read for who are seeking a better understanding Schonfield s aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity he would be able to uncover the real Messiah misrepresented since time immemorial His sincere desire was that this understanding would bring together those who had so long been divided Whilst his thesis that Jesus plotted his own crucifixion may seem far fetched or even offensive at first seen in the light of John s Gospel and the thinking of the times it provides food for thought to those with an open mind

The Passover Plot Hugh Schonfield, 2004-04-01 Finally back in print this special 40th anniversary edition of Dr Schonfield s international multimillion copy bestseller is set to rock the establishment view of the life of Jesus all over again There is probably no other figure in modern Jewish historical research who is more controversial or famous than Hugh J Schonfield who once said The scholars deplore that I have spilled the beans to the public Several of them have said to me You ought to have kept this just among ourselves you know What he did to spill the beans was present historical evidence suggesting that Jesus was a mortal man a young genius who believed himself to be the Messiah and deliberately and brilliantly planned his entire ministry according to the Old Testament prophecies even to the extent of plotting his own arrest crucifixion and resurrection Since Schonfield s death in 1988 his popularity and the interest in his prodigious work which included over 40 books has drawn increasing attention particularly outside Judaism In fact it is probably fair to say that his contribution to the Gentile understanding of Jewish aspirations among those within the Christian cultural framework has been without parallel In true Christian tradition he has also been the cause of much contention In the wake of resurgent interest in religious history spurred by Mel Gibson s The Passion of the Christ and Dan Brown s The Da Vinci Code this 40th anniversary edition of The Passover Plot is set to engage a completely new generation of readers searching for truth

The Atheist's Bible Geoff Linsley, 2008-07 Did God create the universe If so who created him The Atheist s Bible tackles these complex and important ancient mysteries With the discoveries of modern science author Geoff Linsley offers a new look at the questions most philosophers throughout history have thought unanswerable Mysteries such as Why does the universe exist as it does and When did it come about are thought to be demystified by modern science Mixing scientific knowledge with common sense Linsley answers these questions in an easy to understand dialogue The Atheist s Bible compiles the case for an atheistic universe in a thorough discussion provides facts that science has gathered about existence and creates a new view of the nature of the universe Linsley searched through scientific discussions of how nature operates through religious wisdom and through topics thought to be paranormal to present the first complete theory regarding the origin and evolution

of existence and humanity A collection of several books with individual purposes The Atheist s Bible furthers the understanding of reality and helps to overcome the fear of the unknown Linsley challenges the realm of theism and looks outside of it to explain how the universe functions The depth of research and the volume of information given make this book exceptional Linsley treats faith respectfully and doesn t get into baseless arguments against views that oppose his own This book is well written very informational and entertaining Foreward CLARION Review **IntergalacticMatch.com** Michael Ellegion,1901 Are You Ready to Meet Your Cosmic True Love It is time to open up to the realization that Dating and Romance are no longer just limited to this 3D Earth level It is time to no longer use various internet Dating Websites and Services It is time to Acknowledge that in our True Love the very special Twin Soulmate Twin Flame that each of us were always Destined to Meet and Live Happily Ever After with is not just some fantasy but truly exists it is just that a vast majority of the Divine Other Half of each of us are not currently on Earth but rather exist on other worlds and on Higher Dimensional Realms They now want to connect with each of us There are insights and protocols that will help all these Twin Flames couples to now find each other to help you be reunited with your True Love The authors share how they finally reconnected and how this is just the beginning of all the other millions of Divine Couples finally being back together Finally you can be truly fulfilled on all levels of your being The Love Ops Special Forces of Romantic Love an Intergalactic Organization within the Federation of Light are here now to help you make this very special Love Connection to help you find YOUR own Cosmic True Love Recent Transformational planetary changes massive Timeline Changes in the time space continuum and Divine Intervention by Higher Light Forces have created a truly unique and unheard of set of circumstances to allow millions of Divine Couples to now meet This is part of the early beginnings of First Contact The Love Ops Special Forces of Romantic Love are Helping Q and the White Hat Alliance to expose and defeat the santanic cabal deep state and to Liberate Earth s humanity from all imbalanced forces The ancient Tantric Oracle tradition and the Divine Feminine Goddess Tradition that originated in the Rainbow Crystal Temples during the Golden Age of Lemuria will be reactivated to help restore the Nirvanic Ecstasy Grid back into place on Mother Earth **The Psychedelic Gospels** Jerry B. Brown,Julie M. Brown,2016-09-15 Reveals evidence of visionary plants in Christianity and the life of Jesus found in medieval art and biblical scripture hidden in plain sight for centuries Follows the authors anthropological adventure discovering sacred mushroom images in European and Middle Eastern churches including Roslyn Chapel and Chartres Provides color photos showing how R Gordon Wasson s psychedelic theory of religion clearly extends to Christianity and reveals why Wasson suppressed this information due to his secret relationship with the Vatican Examines the Bible and the Gnostic Gospels to show that visionary plants were the catalyst for Jesus s awakening to his divinity and immortality Throughout medieval Christianity religious works of art emerged to illustrate the teachings of the Bible for the largely illiterate population What then is the significance of the psychoactive mushrooms hiding in plain sight in the artwork and icons of many European and Middle Eastern churches Does Christianity

have a psychedelic history Providing stunning visual evidence from their anthropological journey throughout Europe and the Middle East including visits to Roslyn Chapel and Chartres Cathedral authors Julie and Jerry Brown document the role of visionary plants in Christianity They retrace the pioneering research of R Gordon Wasson the famous sacred mushroom seeker on psychedelics in ancient Greece and India and among the present day reindeer herders of Siberia and the Mazatecs of Mexico Challenging Wasson s legacy the authors reveal his secret relationship with the Vatican that led to Wasson s refusal to pursue his hallucinogen theory into the hallowed halls of Christianity Examining the Bible and the Gnostic Gospels the authors provide scriptural support to show that sacred mushrooms were the inspiration for Jesus revelation of the Kingdom of Heaven and that he was initiated into these mystical practices in Egypt during the Missing Years They contend that the Trees of Knowledge and of Immortality in Eden were sacred mushrooms Uncovering the role played by visionary plants in the origins of Judeo Christianity the authors invite us to rethink what we know about the life of Jesus and to consider a controversial theory that challenges us to explore these sacred pathways to the divine [Searching for the Real Jesus](#) Geza Vermes,2013-02-11 Geza Vermes is the greatest living Jesus scholar In The Real Jesus Vermes best known for his work on the Dead Sea Scrolls comments on a variety of contemporary religious themes such as The Da Vinci Code Mel Gibson s infamous film The Passion of the Christ Benedict XVI s book Jesus of Nazareth and the Gospel of Judas Informed by the work of a world class scholar the short articles in this book open to the general reader the findings of some of the major discoveries of the twentieth century such as the Dead Sea Scrolls This collection of shorter popular pieces many of which appeared in The Times and other newspapers makes Vermes research on Christian origins the Dead Sea Scrolls and most importantly Jesus the Jew accessible to a wider readership *Reasons for Belief* Norman L.
