God. (A Lenten Course of Sermons Preached at Westminster Cathedral in 1947 ... and ... The Sorrow of God ... an Aquinas Paper.). Gerald Vann,1947 *The Trinity and the Kingdom* Jürgen Moltmann,1993-09-01 An excellent introduction to the prophets and the prophetic literature The goal of the book is to understand the thought of the prophets in their historical contexts and to communicate that understanding for our time Its approach while innovative builds upon the best of contemporary analysis of the prophetic literature Gene M Tucker Candler School of Theology Emory University Koch s first volume on the prophets of ancient Israel displays his sound and creative scholarship and will fill a bibliographical gap He displays the individuality of each prophet with perceptive insight but he also compares and interrelates them in his various summaries Furthermore Koch relates his study of individual prophets to theological currents that have been flowing through the scholarly world in recent decades Bernhard W Anderson Princeton Theological Seminary **The End of Divine**

Truthiness: Love, Power, and God Paul Joseph Greene,2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned

with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love **Of Passion and Folly** Patricia McCarthy,1998 Love your enemies and pray for those who persecute you Jesus words are clear Yet for centuries we have made exceptions to this command to love and to practice peace we seek the goal of peace but avoid the means of peace Of Passion and Folly helps us move from merely desiring peace to deliberately choosing peace

Kierkegaard's Influence on Theology: German Protestant theology Jon Bartley Stewart,2012 Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers The writings of some of these figures turned out to be instrumental for Kierkegaard s breakthrough internationally shortly after the turn of the twentieth century Leading figures of the movement of dialectical theology such as Karl Barth Emil Brunner Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard s thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard s published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times *The Practical Works of Richard Baxter* Richard Baxter,1838 *Child of Divorce, Child of God* Kristine Steakley,2009-09-20

Children of divorce carry wounds into adulthood Divorce affects our relationships to other people our fears and longings our faith and our spirituality We may have difficulties with anger guilt commitment or forgiveness But our identity need not be marked only by our parents divorce God can enter into our woundedness and bring transformation and hope Kristine Steakley chronicles the emotional and spiritual challenges facing adult children of divorce She tells her own story of abandonment and estrangement with all the attendant questions of trust self worth and identity But she has found that God can repair and reparent us in ways that heal and restore our relationships with ourselves our parents and God

Eschatology and Pain in St. Gregory the Great Kevin L. Hester,2007-01-01 This work seeks to demonstrate that Gregory s spirituality forms and is formed by his theology and especially his understanding of the person and work of Christ His spirituality is that of a contemplative looking for Christ and finding him in the pain of this world Gregory s theological emphases of the experience of pain and eschatology found in his *Moralia in Iob* find their connection in his Christology In contemplative union with Christ the pain of this life will make sense and in the last judgment the great mystery of the divine purpose will be revealed **The Sincere Christian Instructed in the Faith of Christ, from the Written Word** George

Hay,1870 **Handbook to Bach's Sacred Cantata Texts** Melvin P. Unger,1996-04-16 The German church cantata of the eighteenth century was the culmination of a long tradition of Lutheran sermon music that used the proclamation amplification and interpretation of scripture to teach and persuade the listener Bach s cantatas also served this didactic

purpose and typically incorporate numerous allusions to scriptural passages or themes in their librettos Unfortunately many of these passages remain obscure to the twentieth century musician because they demand a much closer familiarity with the Bible than is common today The Handbook to Bach's Sacred Cantata Texts identifies scriptural references for the wording imagery and themes that Bach's listeners would have known In addition the religious or literary theme of each text is summarized within the specific context of the cantata as a whole With interlinear translations and a full complement of indexes

Christianity Lite Glen Berteau, 2013-01-08 We need more than a diluted decaffeinated faith We need the real thing Almost every food and beverage today also has a lite version potato chips whipped cream maple syrup soda beer You may even remember an ad campaign for a light beer a few years back Tastes great Less filling Many of us have taken that same attitude sometimes even without realizing it and applied it to our faith We want blessings but without obedience Comfort but without sacrifice Happiness but without repentance As a result we have watered down decaffeinated and diluted the message of the gospel until it really has no effect on our lives or the lives of others In *Christianity Lite* Glen Berteau calls us back to the full gospel message Jesus didn't come to make our normal selfish sinful lives a little better He came to radically transform life as we know it This narrow way the way of grace inspired obedience is the only way to find the real Jesus real meaning real hope and a life where

we'll really live **Extraordinary** John Bevere, 2010-09-21 Satisfy your intrinsic desire to rise above the norm Isn't it true that we long to see the extraordinary experience the extraordinary do the extraordinary Yet so often we settle for mediocrity when greatness is within our grasp Why are we drawn to stories of heroic triumph over seemingly impossible circumstances In our fascination with adventure movies superheroes and tales of incredible human feats do we reveal an inherent desire for something larger and greater in life Maybe what we think is a need to escape or be entertained is actually a God inspired longing for the extraordinary Best selling author John Bevere reveals how all of us were meant for more extraordinarily created and intended for a life that is anything but ordinary Here is the roadmap for your journey of transformation You are marked for a life that far surpasses the usual definitions of success or fulfillment Isn't it time to pursue your extraordinary life Following in the Way of Jesus Donald K. McKim, 2023-06-13 In this book seasoned pastor theologian Donald McKim offers reflections on what it means to be following in the way of Jesus as Christian disciples These pieces take the form of theological thoughts for daily living Part One explores Pursuing the Path of Faith with sections on Believing and Trusting while Part Two concerns Walking in the Spirit with sections on Following and Serving McKim brings to bear a lifetime of experience with the Scriptures the Christian theological tradition and the walk of faith in these short stimulating reflections

Religious Telescope, 1900 **Fidelity of Heart** James Earl Gilman, 2001 He argues that love of God self and others requires of followers a joyful sorrow that transforms enemies into friends The peace of Christ says Gilman requires not merely peacemaking but pacifism while Christian justice requires not merely justice as equal fairness but justice as equal mercy Finally Gilman shows that compassion as the seminal experience in which love peace and justice converge is the experience through which the Christian community is able to participate in and shape the character of public life For readers searching for the true beating heart of Christian faith and who want to know what the practice of Christian virtue can and should be this thoughtful and carefully argued book supplies an answer BOOK JACKET
