Benjamin Franklin

The Papers Of Benjamin Franklin 37 Volumes:

The Papers of Benjamin Franklin, Complete Set Benjamin Franklin, 2006 The Papers of Benjamin Franklin is a collaborative undertaking by a team of scholars at Yale University to collect edit and publish all of the writings and papers of one of America's most remarkable founding fathers and indeed one of the most extraordinary people this nation has ever produced To celebrate the 300th anniversary of Benjamin Franklin's birth Yale University Press is offering all currently available volumes 1 through 37 of The Papers of Benjamin Franklin at the special price of \$2,450 a 30% savings from \$3,515 the price of the set when volumes are purchased individually This special offer will only be available until January 17, 2007

The Life of Benjamin Franklin, Volume 2 J. A. Leo Lemay, 2006 Representing a lifetime of research this seven volume biography will give readers an unmatched resource for understanding Benjamin Franklin's character and place in American history This second volume chronicles the years of Franklin's success in printing and publishing including his interest in technology and science

The Life of Benjamin Franklin, Volume 1 J. A. Leo Lemay, 2013-03-16 Named one of the best books of 2006 by The New York Sun Described by Carl Van Doren as a harmonious human multitude Benjamin Franklin was the most famous American of his time of perhaps any time His life and careers were so varied and successful that he remains even today the epitome of the self-made man Born into a humble tradesman's family this adaptable genius rose to become an architect of the world's first democracy a leading light in Enlightenment science and a major creator of what has come to be known as the American character Journalist musician politician scientist humorist inventor civic leader printer writer publisher businessman founding father and philosopher Franklin is a touchstone for America's egalitarianism The first volume traces young Franklin's life to his marriage in 1730 It traces the New England religious political and cultural contexts exploring previously unknown influences on his philosophy and writing and attributing new writings to him After his move to Philadelphia made famous in his Autobiography Franklin became the Water American in London in 1725 where he was welcomed into that city's circle of freethinkers Upon his return to the colonies the sociable Franklin created a group of young friends the Junto devoted to self-improvement and philanthropy He also started his own press and began to edit and publish the Pennsylvania Gazette which became the most popular American paper of its day and the first to consistently feature American news

The Papers of Thomas Jefferson, Volume 34 Thomas Jefferson, 2018-06-05 In Volume 34 covering May through July 1801 the story of Thomas Jefferson's first presidential administration continues to unfold He quickly begins to implement his objectives of economy and efficiency in government Requesting the chief clerk of the War Department to prepare a list of commissioned army officers Jefferson has his secretary Meriwether Lewis label the names on the list with such descriptors as Republican or Opposed to the administration otherwise respectable officers The president calls his moves toward a reduction in the army a chaste reformation Samuel Smith interim head of the Navy Department in accordance with the Peace Establishment Act arranges for the sale of surplus warships Secretary of the Treasury Albert Gallatin gathers

figures on revenues and expenses and suggests improvements in methods of collecting taxes Jefferson delivers an eloquent statement on his policy of removals from office to the merchants of New Haven who objected to his dismissal of the collector of the port of New Haven He makes clear that while his inaugural address declared tolerance and respect for the minority it did not mean that no offices would change hands On the twenty fifth anniversary of the Fourth of July Jefferson entertains around one hundred citizens including a delegation of five Cherokee chiefs And on 30 July Jefferson leaves the Federal City for two months at Monticello

[The Autobiography of Benjamin Franklin](#) Benjamin Franklin,2007-07-01 Originally written as a guide for his son Benjamin Franklin discusses his life accomplishments and ideas

Benjamin Franklin Walter Isaacson,2004-05-04 During his 84 year life Benjamin Franklin was America s best scientist inventor publisher business strategist diplomat and writer He was also one of its most practical political thinkers America s first great publicist he carefully crafted his own persona portrayed it in public and polished it for posterity In this riveting new biography Walter Isaacson provides readers with a full portrait of Franklin s public and private life his loyal but neglected wife his bastard son with whom he broke over going to war with England his endless replacement families and his many amorous but probably unconsummated liaisons But this is not just a biography of Benjamin Franklin but rather a fascinating look at American and European political history at that time Isaacson examines the run up to the Revolutionary War the intimate relations between Britain France and the colonies and the decisive events that led to America s independence Just as David McCullough brought life to the historic figure of John Adams Isaacson portrays Franklin in the flesh showing readers how this radical man helped define America s national character and personality

The Official Catalogue of the Cotton States and International Exposition ,1895

Seasoned to the Country: Slavery in the Life of Benjamin Franklin Marilyn Wise,2013-01-10 Seasoned to the Country brings together the details of slavery in the life of one of the most famous founding fathers Benjamin Franklin Franklinstarted life as a poor boy receiving only two years of education before starting to work at age ten When he opened his print shop he hired an indentured servant and advertised slaves for sale and runaway servants and slaves for capture After he became married he adopted the local practice of relying on slave labor in his home By the end of his life Franklincontributed funds to establish the first all black church inPennsylvania and established a loan program for young businessmen which was not limited to whites The story of Franklin s struggle with slavery illuminates the national character and provides a good comparison with Southern political leaders in the colonial period The book includes a section on slave exploitation and genocidal mentality a selected annotated bibliography of slavery in the North and slave narratives and a list of black appearances uprisings laws and codes from 1513 to 1865

Truth: A Brief History of Total Bullsh*t Tom Phillips,2020-05-05 A lighthearted history of lying from the international bestselling author of Humans A Brief History of How We F cked It All Up Kirkus Reviews We live in a post truth world we re told But was there ever really a golden age of truth telling Or have people been lying fibbing and just plain bullsh tting since the beginning of time Tom Phillips editor of a

leading independent fact checking organization deals with this question every day In Truth he tells the story of how we humans have spent history lying to each other and ourselves about everything from business to politics to plain old geography Along the way he chronicles the world's oldest customer service complaint the Great Moon Hoax of 1835 and the surprisingly dishonest career of Benjamin Franklin Sharp witty and with a clear eyed view of humanity's checkered past Truth reveals why people lie and how we can cut through the bullsh t Praise for Humans A Brief History of How We F cked It All Up A laugh along worst hits album for humanity Steve Brusatte New York Times bestselling author of The Rise and Reign of the Mammals A perfect blend of brilliance and goofiness BuzzFeed A timely irreverent gallop through thousands of years of human stupidity Nicholas Griffin author of The Year of Dangerous Days Chronicles humanity's myriad follies down the ages with malicious glee and much wit a rib tickling page turner Business Standard *Muhlenberg's Ministerium, Ben Franklin's Deism, and the Churches of the 21st Century* John Reumann, 2011-08 Special volume celebrating a 250 year old American church body In 1748 six Lutheran pastors and laity from ten congregations gathered in Philadelphia under German missionary pastor Henry Melchior Muhlenberg to form the Ministerium of Pennsylvania the first Lutheran church body in North America These early American Lutherans stood at the crossroads of Lutheran orthodoxy pietism and rationalism as they faced the very new very American challenge of forging a missional confessional identity within their increasingly pluralistic and multi religious society Now more than 250 years later this choice selection of essays addresses and other pieces celebrates the ongoing legacy of the Ministerium and will allow churches in the twenty first century to glean new wisdom from a pioneering colonial church body *Benjamin Franklin and the American Revolution* Jonathan R. Dull, 2010-12-01 The inventor the ladies man the affable diplomat and the purveyor of pithy homespun wisdom we all know the charming resourceful Benjamin Franklin What is less appreciated is the importance of Franklin's part in the American Revolution except for Washington he was its most irreplaceable leader Although aged and in ill health Franklin served the cause with unsurpassed zeal and dedication Jonathan R Dull whose decades of work on The Papers of Benjamin Franklin have given him rare insight into his subject explains Franklin's role in the Revolution what prepared him for that role and what motivated him The Franklin presented here a man immersed in the violence danger and suffering of the Revolution is a tougher person than the Franklin of legend Dull's portrait captures Franklin's confidence and self righteousness about himself and the American cause It shows his fanatical zeal his hatred of King George III and George's American supporters particularly Franklin's own son and his disdain for hardship and danger It also shows a side of Franklin that he tried to hide his vanity pride and ambition Though not as lovable and avuncular as the person of legend this Franklin is more interesting more complex and in many ways more impressive **A World of Letters** Nicholas A. Basbanes, 2008-01-01 For Yale University Press which celebrates its hundredth birthday in 2008 the century has been an eventful one punctuated with no few surprises The Press has published more than 8 000 volumes through the years scores of bestsellers and award winners

among them and these books have come to fruition through the efforts of a host of colorful authors editors directors board members and others of intellectual and literary renown With an ear always cocked for an interesting tale one of today s best storytellers presents an anecdote rich chronicle of the Press s first 100 years Nicholas Basbanes whom David McCullough has called the leading authority of books about books quickly convinces us that the Press s history while bookish is also lively and fascinating Basbanes explores the saga behind the acquisition of Eugene O Neill s blockbuster play the all time Yale bestseller *Long Day s Journey into Night* the controversy sparked in 1965 by publication of *The Vinland Map* the origins of the groundbreaking *Annals of Communism* series initiated in the wake of the Soviet Union s demise and many more highlights from Press annals Basbanes looks at the reasons behind the publisher s remarkable financial success and he completes *A World of Letters* with a glimpse at the new initiatives that will propel the Press into a second exciting century

Founding Faith Steven Waldman, 2009-03-10 The culture wars have distorted the dramatic story of how Americans came to worship freely Many activists on the right maintain that the United States was founded as a Christian nation Many on the left contend that the First Amendment was designed to boldly separate church and state Neither of these claims is true argues Beliefnet com editor in chief Steven Waldman With refreshing objectivity Waldman narrates the real story of how our nation s Founders forged a new approach to religious liberty *Founding Faith* vividly describes the religious development of five Founders Benjamin Franklin melded the Puritan theology of his youth and the Enlightenment philosophy of his adulthood John Adams s pungent views on religion stoked his revolutionary fervor and shaped his political strategy George Washington came to view religious tolerance as a military necessity Thomas Jefferson pursued a dramatic quest to rescue Jesus in part by editing the Bible Finally it was James Madison who crafted an integrated vision of how to prevent tyranny while encouraging religious vibrancy The spiritual custody battle over the Founding Fathers and the role of religion in America continues today Waldman at last sets the record straight revealing the real history of religious freedom to be dramatic unexpected

paradoxical and inspiring **Catalogue of Works Relating to Benjamin Franklin in the Boston Public Library** Samuel

Abbott Green, Lindsay Swift, 2024-01-05 Reprint of the original first published in 1883

Theoretical Perspectives on Human Rights and Literature Elizabeth Swanson Goldberg, Alexandra Schultheis Moore, 2013-03 What can literary theory reveal about discourses and practices of human rights and how can human rights frameworks help to make sense of literature How have human rights concerns shaped the literary marketplace and how can literature impact human rights concerns Essays in this volume theorize how both literature and reading literarily can shape understanding of human rights in productive ways Contributors to *Theoretical Perspectives on Human Rights and Literature* provide a shared history of modern literature and rights theorize how trauma ethics subjectivity and witnessing shape representations of human rights violations and claims in literary texts across a range of genres including poetry the novel graphic narrative short story testimonial and religious fables and consider a range of civil political social economic and cultural rights and their

representations The authors reflect on the imperial and colonial histories of human rights as well as the cynical mobilization of human rights discourses in the name of war violence and repression at the same time they take seriously Gayatri Spivak's exhortation that human rights is something that we cannot not want exploring the central function of storytelling at the heart of all human rights claims discourses and policies

Quakers and Their Allies in the Abolitionist Cause, 1754-1808 Maurice Jackson, Susan Kozel, 2016-03-17 This volume explores the significant connections between the Quaker community and the abolitionist cause in America The case studies that make up the collection mainly focus on the greater Philadelphia area a hotbed of the abolitionist movement and the location of the first American abolition society founded in 1775 Despite the importance of Quakers to the abolitionist movement their significance has been largely overlooked in the existing historiography These studies will be of interest to scholars of slavery and abolition religious history Atlantic studies and American social and political history

Benjamin Franklin and the Ends of Empire Carla Mulford, 2015 A study of Franklin's writings on the British Empire and its relationship to the British North America Mulford assesses the founding father's thoughts on economics society politics and the environment

Proceedings, American Philosophical Society (vol. 103, no. 6, 1959) ,

The Winning of the American West (All 4 Volumes) Theodore Roosevelt, 2024-01-17 In *The Winning of the American West* Theodore Roosevelt offers a sweeping narrative that chronicles the exploration and settlement of the American frontier encompassing all four volumes Roosevelt's prose is imbued with a vigorous and dynamic style that vividly evokes the landscapes and challenges faced by early pioneers combining historical fact with personal anecdotes The work not only serves as a historical account but also positions itself within the larger context of American nationalism capturing the spirit of the late 19th century as America grappled with its identity during a period of expansion and transformation Theodore Roosevelt the 26th President of the United States was profoundly influenced by his experiences in the West which shaped his beliefs about American exceptionalism and rugged individualism His firsthand encounters with frontier life coupled with a scholarly background in history catalyzed his commitment to documenting the heroic narratives of those who settled the vast landscapes of the West reflecting his admiration for their courage and resilience This monumental work is a must read for anyone interested in American history offering unparalleled insights into the formative years of the United States Roosevelt's engaging storytelling and authoritative perspective make these volumes not only educational but also an exhilarating journey through the trials and triumphs of the American spirit

The Papers of Thomas Jefferson, Retirement Series, Volume 8 Thomas Jefferson, 2012-01-29 Volume Eight of the project documenting Thomas Jefferson's last years presents 591 documents dated from 1 October 1814 to 31 August 1815 Jefferson is overjoyed by American victories late in the War of 1812 and highly interested in the treaty negotiations that ultimately end the conflict Following Congress's decision to purchase his library he oversees the counting packing and transportation of his books to Washington Jefferson uses most of the funds from the sale to pay old debts but spends some of the proceeds on new titles He resigns from the

presidency of the American Philosophical Society revises draft chapters of Louis H Girardin s history of Virginia and advises William Wirt on revolutionary era Stamp Act resolutions Jefferson criticizes those who discuss politics from the pulpit and he drafts a bill to transform the Albemarle Academy into Central College Monticello visitors Francis W Gilmer Francis C Gray and George Ticknor describe the mountaintop and its inhabitants and Gray s visit leads to an exchange with Jefferson about how many generations of white interbreeding it takes to clear Negro blood Finally although death takes his nephew Peter Carr and brother Randolph Jefferson the marriage of his grandson Thomas Jefferson Randolph is a continuing source of great happiness Some images inside the book are unavailable due to digital copyright restrictions
