Publisher **The Papers of George Washington** George Washington, 1987

The Papers of George Washington a grant funded project was established in 1968 at the University of Virginia under the joint auspices of the University and the Mount Vernon Ladies Association of the Union to publish a comprehensive edition of Washington's correspondence Letters written to Washington as well as letters and documents written by him are being published in the complete edition that will consist of approximately ninety volumes The work is now 2011 more than two

thirds complete The edition is supported financially by grants from the National Endowment for the Humanities the National Historical Publications and Records Commission the Mount Vernon Ladies Association the University of Virginia and gifts from private foundations and individuals Today there are copies of over 135 000 Washington documents in the project s document room This is one of the richest collections of American historical manuscripts extant There is almost no facet of research on life and enterprise in the late colonial and early national periods that will not be enhanced by material from these documents The publication of Washington s papers will make this source material available not only to scholars but to all Americans interested in the founding of their nation Publisher **Quakers and Their Allies in the Abolitionist Cause, 1754-1808** Maurice Jackson, Susan Kozel, 2016-03-17 This volume explores the significant connections between the Quaker community and the abolitionist cause in America The case studies that make up the collection mainly focus on the greater Philadelphia area a hotbed of the abolitionist movement and the location of the first American abolition society founded in 1775 Despite the importance of Quakers to the abolitionist movement their significance has been largely overlooked in the existing historiography These studies will be of interest to scholars of slavery and abolition religious history Atlantic studies and American social and political history *George Washington* John Rhodehamel, 2017-02-21 Discover the man behind the myth The only Washington biography you need Crisply written admirably concise and never superficial TheWall Street Journal As editor of the award winning Library of America collection of George Washington s writings and a curator of the great man s original papers John Rhodehamel has established himself as an authority of our nation s preeminent founding father and first president In this book Rhodehamel examines George Washington as a public figure arguing that the man who first achieved fame in his early twenties is inextricably bound to his mythic status Solidly grounded in Washington s papers and exemplary in its brevity this approachable biography is a superb introduction to the leader whose name has become synonymous with America A highly entertaining book The powdered wig the silly pants the poker face staring out from crumpled dollar bills All serve to separate us from our founding father Rhodehamel s urgency of prose restores the connection He also showcases his experience as the former archivist of Mount Vernon by bringing manuscript sources directly to the reader TheNew York Times Book Review James Madison and the Struggle for the Bill of Rights Richard Labunski, 2006-07-04 Today we hold the Constitution in such high regard that we can hardly imagine how hotly contested was its adoption In fact many of the thirteen states saw fierce debate over the document and ratification was by no means certain Virginia the largest and most influential state approved the Constitution by the barest of margins and only after an epic political battle between James Madison and Patrick Henry Now Richard Labunski offers a dramatic account of a time when the entire American experiment hung in the balance only to be saved by the most unlikely of heroes the diminutive and exceedingly shy Madison Here is a vividly written account of not one but several major political struggles which changed the course of American history Labunski takes us inside the sweltering converted theater in Richmond where for three grueling

weeks the soft spoken Madison and the charismatic Patrick Henry fought over whether Virginia should ratify the Constitution. The stakes were enormous. If Virginia voted no, George Washington could not become president, New York might follow suit and reject the Constitution, and the young nation would be thrust into political chaos. But Madison won the day by a handful of votes, mollifying Anti-Federalist fears by promising to add a bill of rights to the Constitution. To do this, Madison would have to win a seat in the First Congress. Labunski shows how the vengeful Henry prevented Madison's appointment to the Senate and then used his political power to ensure that Madison would run against his good friend, Revolutionary War hero James Monroe in a House district teeming with political enemies. Overcoming great odds, Madison won by a few hundred votes, allowing him to attend the First Congress and sponsor the Bill of Rights. Packed with colorful details about life in early America, this compelling and important narrative is the first serious book about Madison written in many years. It will return this underappreciated patriot to his rightful place among the Founding Fathers and shed new light on a key turning point in our nation's history. The Founding Father's Papers United States. Congress. Senate. Committee on the Judiciary, 2008

The Lives of the Constitution Joseph Tartakovsky, 2019-10-08 In a fascinating blend of biography and history, Joseph Tartakovsky tells the epic and unexpected story of our Constitution through the eyes of ten extraordinary individuals, some renowned like Alexander Hamilton and Woodrow Wilson, and some forgotten like James Wilson and Ida B. Wells Barnett. Tartakovsky brings to life their struggles over our supreme law from its origins in revolutionary America to the era of Obama and Trump. Sweeping from settings as diverse as Gold Rush California to the halls of Congress and crowded with a vivid Dickensian cast, Tartakovsky shows how America's unique constitutional culture grapples with questions like democracy, racial and sexual equality, free speech, economic liberty, and the role of government. Joining the ranks of other great American storytellers, Tartakovsky chronicles how Daniel Webster sought to avert the Civil War, how Alexis de Tocqueville misunderstood America, how Robert Jackson balanced liberty and order in the battle against Nazism and Communism, and how Antonin Scalia died warning Americans about the ever-growing reach of the Supreme Court. From the 1787 Philadelphia Convention to the clash over gay marriage, this is a grand tour through two centuries of constitutional history as never told before, and an education in the principles that sustain America in the most astonishing experiment in government ever undertaken. George Washington Ethan M. Fishman, William D. Pederson, Mark J. Rozell, 2001-09-30 There have been many serious abuses of presidential power in recent decades, including Watergate, the Iran-Contra scandal, and the Lewinsky affair. Subsequently, Americans have demonstrated renewed interest in discussing the relationship between character and political leadership. Through an investigation of the life and career of George Washington, often considered the exemplary moral president, the chapters offer a balanced scholarly contribution to this analysis. Fishman, Pederson, Rozell, and their contributors examine the legacy of Washington's presidency. Leading political scientists and historians describe and evaluate the impact of Washington's leadership on the institution of the presidency and on those who have since occupied the Oval

Office In the contemporary era of almost endless speculation about the role of character in presidential leadership an analysis of Washington's character and the model he established is especially germane The chapters provide diverse interpretations of the value of understanding Washington's leadership and the character of the modern presidency Some of the scholars conclude that Washington indeed laid the foundation for good character and strong leadership in the presidency Others take a more critical approach and see Washington like many of his successors as a fallible human being who possessed both character strengths and weaknesses The lasting value of this analysis for political scientists historians and other students of the American presidency is that it demonstrates the continued vibrant debate over Washington's authentic legacy to the office

The Papers of George Washington: 23 September 1791-29 February 1792 George Washington, 1987 The Papers of George Washington a grant funded project was established in 1968 at the University of Virginia under the joint auspices of the University and the Mount Vernon Ladies Association of the Union to publish a comprehensive edition of Washington's correspondence Letters written to Washington as well as letters and documents written by him are being published in the complete edition that will consist of approximately ninety volumes The work is now 2011 more than two thirds complete The edition is supported financially by grants from the National Endowment for the Humanities the National Historical Publications and Records Commission the Mount Vernon Ladies Association the University of Virginia and gifts from private foundations and individuals Today there are copies of over 135 000 Washington documents in the project's document room This is one of the richest collections of American historical manuscripts extant There is almost no facet of research on life and enterprise in the late colonial and early national periods that will not be enhanced by material from these documents The publication of Washington's papers will make this source material available not only to scholars but to all Americans interested in the founding of their nation Publisher

Democracy in Darkness Katlyn Marie Carter, 2023-01-01 How debates over secrecy and transparency in politics during the eighteenth century shaped modern democracy Thought provoking As Carter's history shows with wonderful nuance democratic governance is about a process of ongoing negotiation not merely being in the know Bronwen Everill Foreign Policy Does democracy die in darkness as the saying suggests This book reveals that modern democracy was born in secrecy despite the widespread conviction that transparency was its very essence In the years preceding the American and French revolutions state secrecy came to be seen as despotic an instrument of monarchy But as revolutionaries sought to fashion representative government they faced a dilemma In a context where gaining public trust seemed to demand transparency was secrecy ever legitimate Whether in Philadelphia or Paris establishing popular sovereignty required navigating between an ideological imperative to eradicate secrets from the state and a practical need to limit transparency in government The fight over this dividing revolutionaries and vexing founders would determine the nature of the world's first representative democracies Unveiling modern democracy's surprisingly shadowy origins Carter reshapes our understanding of how government by and for the people

emerged during the Age of Revolutions *Light-Horse Harry Lee* Ryan Cole,2019-01-15 Light Horse Harry blazes across the pages of Ryan Cole s narrative like a meteor and his final crash is as destructive Cole tells his story with care sympathy and where necessary sternness This book is a great and sometimes harrowing read Richard Brookhiser senior editor at National Review and author of *Founding Father Rediscovering George Washington* Who was Light Horse Harry Lee Gallant Revolutionary War hero Quintessential Virginia cavalryman George Washington s trusted subordinate and immortal eulogist Robert E Lee s beloved father Founding father who shepherded the Constitution through the Virginia Ratifying Convention But Light Horse Harry Lee was also a con man A beachcomber Imprisoned for debt Caught up in sordid squabbles over squalid land deals Maimed for life by an angry political mob Light Horse Harry Lee s life was tragic glorious and dramatic but perhaps because of its sad ignominious conclusion historians have rarely given him his due until now Now historian Ryan Cole presents this soldier and statesman of the founding generation with all the vim and vigor that typified Lee himself Scouring hundreds of contemporary documents and reading his way into Lee s life political philosophy and character Cole gives us the most intimate picture to date of this greatly awed but hugely talented man whose influence has reverberated from the founding of the United States to the present day *The Papers of George Washington: March-August 1792* George Washington,2002 ***The Papers of George Washington: 1 April-21 September 1796*** George Washington,1987 The Papers of George Washington a grant funded project was established in 1968 at the University of Virginia under the joint auspices of the University and the Mount Vernon Ladies Association of the Union to publish a comprehensive edition of Washington s correspondence Letters written to Washington as well as letters and documents written by him are being published in the complete edition that will consist of approximately ninety volumes The work is now 2011 more than two thirds complete The edition is supported financially by grants from the National Endowment for the Humanities the National Historical Publications and Records Commission the Mount Vernon Ladies Association the University of Virginia and gifts from private foundations and individuals Today there are copies of over 135 000 Washington documents in the project s document room This is one of the richest collections of American historical manuscripts extant There is almost no facet of research on life and enterprise in the late colonial and early national periods that will not be enhanced by material from these documents The publication of Washington s papers will make this source material available not only to scholars but to all Americans interested in the founding of their nation Publisher ***The Second Amendment*** Michael Waldman,2015-05-26 Presents a history of the Second Amendment to illuminate its controversies debates and misapprehensions explaining its contexts and purposes while revealing how it came to represent gun ownership rights in the twentieth century ***The Papers of George Washington: 1 April-30 September 1795*** George Washington,1987 Both personal and diplomatic concerns shaped Washington s response to the arrival in the United States of George Washington Motier Lafayette son of the Marquis de Lafayette ***Women in the American Revolution*** Barbara B. Oberg,2019-05-24

Building on a quarter century of scholarship following the publication of the groundbreaking *Women in the Age of the American Revolution* the engagingly written essays in this volume offer an updated answer to the question What was life like for women in the era of the American Revolution The contributors examine how women dealt with years of armed conflict and carried on their daily lives exploring factors such as age race educational background marital status social class and region For patriot women the Revolution created opportunities to market goods find a new social status within the community or gain power in the family Those who remained loyal to the Crown however often saw their lives diminished their property confiscated their businesses failed or their sense of security shattered Some essays focus on individuals Sarah Bache Phillis Wheatley while others address the impact of war on social or commercial interactions between men and women Patriot women in occupied Boston fell in love with and married British soldiers in Philadelphia women mobilized support for nonimportation and in several major colonial cities wives took over the family business while their husbands fought Together these essays recover what the Revolution meant to and for women

The Papers Of George Washington September 1788 March 1789 Introduction

In today's digital age, the availability of The Papers Of George Washington September 1788 March 1789 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Papers Of George Washington September 1788 March 1789 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Papers Of George Washington September 1788 March 1789 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Papers Of George Washington September 1788 March 1789 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Papers Of George Washington September 1788 March 1789 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Papers Of George Washington September 1788 March 1789 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain,

meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Papers Of George Washington September 1788 March 1789 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Papers Of George Washington September 1788 March 1789 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Papers Of George Washington September 1788 March 1789 books and manuals for download and embark on your journey of knowledge?

FAQs About The Papers Of George Washington September 1788 March 1789 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
