The Parables A Preaching Commentary Great Texts

Josie P. Campbell

The Parables A Preaching Commentary Great Texts:

The Parables Paul Simpson Duke, 2005 Another book on the parables Why Because Paul Duke hears possibilities for preaching the parables that the rest of us miss Duke makes preliminary observations sketches historical context pursues literary structure pauses over how details of the text would fall on the ears of ancient listeners and offers reflections for preaching This book would be an ideal basis for a sermon series **BOOK JACKET** **Preaching the Parables** Craig L. Blomberg, 2004-07 A guide to preaching the parables that shows how to first interpret the parables then proclaim their significance *The Parables* Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary s grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts *The Parables A Preaching Commentary* the third book in *The Great Texts* series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in *The Great Texts* series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching Parables and Rhetoric in the Sermon on the Mount Ernst Baasland, 2015-07-27 Parable research has to a large degree ignored the Sermon on the Mount SM and for its part research into the SM has likewise left the parables by the wayside However the use of parabolic language in more than one third of the SM influences its interpretation and indeed opens up a new approach to it In the current volume Ernst Baasland focuses on this important factor whilst also taking the rhetoric of Jesus teaching into consideration The author maintains that rhetorical features have a great bearing on the interpretation of the text with the overall structure illuminating the entire composition of the sermon Fresh insights into its oration therefore serve to challenge the source problem in a new way The religious and philosophical settings of this most well known of Christ s preachings are clarified by its parables and rhetoric and the sermon s Jewish background has often been investigated While the author continues with that particular task he simultaneously affords more emphasis to the parallels in Greek Hellenistic literature The combining of all these factors leads to a clearer comprehension of the Sermon on the Mount s philosophy of life and provides a better understanding of this classical text **Meister Eckhart (CWS)** Meister Eckhart, 1981 Meister Eckhart c 1260 1327 was a Dominican philosopher and spiritual master whose thought is among the most daring and difficult in the history of western mysticism This volume contains his technical Latin writings and more popular German sermons *The Union Seminary Review*, 1928 *Biblical Preaching* Robert Curry, 2023-12-11 Preaching is a demand of the Bible that is fitted with a specific purpose and a strong theological base It is the proclamation of the word of God and is done in churches throughout the world

Preaching plays a role in the spiritual formation of its hearers helping to form a community of faith whose members are sharing in and supporting one another in a spiritual journey The topics of preaching can be found in both the Old and New Testaments within several different genres but closer attention might be given to the genres of the parables of Jesus and the speeches in the book of Acts As a topic of preaching the parables can be understood as examples of allegory simile and or metaphor The speeches in Acts offer a picture window of a sort into the homiletical mindset of the apostles and other disciples as they proclaimed the gospel to the world as they knew it Preaching is a demand of the Bible and a specific task of those who are privileged to do it *The Web of Preaching* Richard L. Eslinger, 2002 The book is a follow up to Eslinger's earlier *A New Hearing* the standard text on the varieties of homiletical method since its publication in 1987 BOOK JACKET

Go Preach! Brian K. Blount, 1998 Connecting the apocalyptic message of Mark's Gospel to principles and programs of socio cultural transformation in the life of the Black church today Blount begins his study of Mark by examining the social significance of Jesus' proclamation of the coming Kingdom of God Through Jesus God's future power broke through to the human present This experience of the Kingdom empowered the disciples to Go preach the Kingdom message in word and deed to finish the story that Mark's narration about Jesus began Blount compares the situation of today's Black church to the situation in which the Gospel arose and explores the implications of apocalyptic theology for the pastoral mission of the Black church He demonstrates the value of a sociolinguistic approach to the scripture both in interpreting the text in its original context and in unpacking its meaning for today *Text Messages* John Tucker, 2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God's word in a smartphone world *Record of Christian Work* Alexander McConnell, William Revell Moody, Arthur Percy Fitt, 1901 Includes music [Biblical Counsel](#), 1993 **Recapturing the Voice of God** Steven W. Smith, 2015-06-01 In *Recapturing the Voice of God* veteran preacher Steven W. Smith teaches how to preach genre sensitive text driven sermons to allow the structure of the text to be the structure of the sermon **The American Catalogue of Books: 1861-1866 ... with Supplement, containing pamphlets, sermons, and addresses on the Civil War in the United States, 1861-1866; and Appendix containing names of learned societies and ... their publications, 1861-1866**, 1866 *The Sacramentality of Preaching* Todd Townshend, 2009 In the time of the church transformation renewal and the process of coming to faith rely on

the symbolic efficacy of speech where God is encountered as a word The Sacramentality of Preaching examines the thought of Louis Marie Chauvet and incorporates it into contemporary homiletical theory in order to bolster and renew Christian proclamation that has an intentionally sacramental character Liturgical preachers will find practical pathways frameworks and common language through the use of this innovative sacramentology **Institutes of Ecclesiastical History, Ancient and Modern** Johann Lorenz Mosheim,1841 **What Every Preacher Should Know!** Hugh F.
