**Commentary on the Pastoral Epistles** Patrick Fairbairn, 1956      *1-2 Timothy, Titus* David W. Pao, 2023-11-07 As the inaugural volume of the Brill Exegetical Commentary Series this commentary provides a fresh reading of the Pastoral Epistles while interacting with recent developments in biblical studies and the auxiliary disciplines A fresh translation of the Greek text is followed by text critical grammatical historical and theological analyses of the text Instead of a commentary on the commentaries this work grounds the reading of the Pastoral Epistles within their proper linguistic and socio cultural contexts thus allowing their distinct theological voices to emerge      *The Pastoral Epistles* Stanley E. Porter, 2023-10-17 Leading New Testament scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning Porter addresses major exegetical issues that arise in numerous highly disputed passages and while attentive to the history of scholarship on First Timothy Second Timothy and Titus often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers This commentary will appeal to professors students and scholars of the New Testament      *A Commentary on the Pastoral Epistles* John Norman Davidson Kelly, 1960      **The Pastoral Epistles** Robert T. Siebeneck, 1960      **A Commentary on the Pastoral Epistles**, 1963      *1 and 2 Timothy, Titus* Abraham Kuruvilla MD, 2021-04-12 1 and 2 Timothy Titus A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological trajectory of the Pastoral Epistles concerns the promotion of God s economy by the community of God s people The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application      **I & II Timothy and Titus (2002)** Raymond F. Collins, 2013-10-26 The Pastoral Epistles present difficult questions for the modern interpreter including such matters as their authorship literary characteristics and social orientations Raymond Collins carefully leads the reader through the texts of these three documents attending to the flow of the Pastor s thought and locating it within the Jewish and Hellenistic culture of his day The New Testament Library offers

authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text. **1, 2 Timothy, Titus** Thomas Lea, Hayne P. Griffin, 1992-05-07. One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

**Commentary on the Pastoral Epistles** Patrick Fairbairn, 1956. *The Pastoral Epistles* Benjamin Fiore (S.J.), 2007. First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles. Both their style and their content make it difficult to locate them within the corpus of Pauline letters, and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time, two or more decades after Paul's death. The Pastorals differ from Paul's own letters in being addressed to single individuals, coworkers of Paul who have been placed in charge of particular churches: Timothy apparently in Ephesus, Titus in Crete. They provide instruction for community leaders, both the individual addressees and other leaders whom they will appoint. The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development. In this commentary, Benjamin Fiore, S.J., places the Pastorals in their historical and literary context. The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose. Drawing on his parish experience as well as his academic training, Fiore also provides reflections on the contemporary pastoral application of these books, giving readers a renewed appreciation for the pastoral label these epistles bear. Benjamin Fiore, S.J., is president and professor of religious studies at Campion College at the University of Regina, Canada.
