Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen, 2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Tough-Minded Faith for Tender-Hearted People Robert Schuller, 1985-02-01 366 motivational messages that make every year a leap year A leap from self doubt to self fulfillment Turn any day of the year into a turning point in your life Dr Robert H Schuller America's foremost proponent of positive thinking and bestselling author of Tough Times Never Last But Tough People Do here presents a day by day devotional guide designed to release your inner health energy and power to make the impossible possible What is tough minded faith Sensing success in dark times Prioritizing your possibilities Coming back after defeat Adventuring into new territories Facing the future unafraid Trading off anxiety for peace Standing up for your convictions Assuring yourself of

success And much more 366 steps in all move and inspire you to turn every negative into a positive and to make every day the best day of your life Make the turn to tough minded faith and make the leap to super successful living Your life will never be the same The Dissertation Journey Carol Roberts,Laura Hyatt,2018-09-11 Correction Notice Corwin Press made an error when printing the cover for this update MLA 8 should not be included How to reach the pinnacle of academic achievement The dissertation is a tough mountain to climb half of all doctoral students never make it to the top To overcome the practical social and psychological obstacles along the way you need a knowledgeable guide and the right tools Written in an engaging and motivational style The Dissertation Journey is a comprehensive how to guide for graduate students faced with the challenge of developing and writing a quality dissertation Readers of this new edition will find Expanded and updated coverage of crucial topics such as conducting a literature review dissertation support groups and harnessing technology to conduct research Graphics quotes illustrations progress tracking tools sample forms a new chapter ending resources feature and other user friendly elements Thoroughly updated and revised chapters with the most current need to know information This clear practical guidebook will make the journey to doctor smoother and help you reach your academic goals The Dissertation Journey has been a valuable read for more than a decade Dr Roberts and Dr Hyatt bring years of doctoral teaching and dissertation advising experience to this essential book Stuart Allen Professor of Organizational Leadership Robert Morris University This book contains sound academic research advice in an easy to understand and follow format The book s benefits extend beyond the dissertation to any subsequent scholarship that the reader undertakes Farzin Madjidi Associate Dean Education Division Pepperdine University **The Dissertation Journey** Laura Hyatt,Carol Roberts,2023-08-17 Reach the summit of the dissertation mountain In many ways the journey of completing a dissertation is like climbing a mountain It requires planning research teamwork and perseverance In this fourth edition of their best selling book authors Laura Hyatt and Carol Roberts address the challenges that students will face as they journey to the peak of their academic career and complete their dissertation Completing a dissertation is a transformative and fulfilling life experience It requires knowledge tenacity and preparation for the inevitable uncertainties that will arise along the way It also necessitates strategies and techniques for dealing with the unanticipated events that many dissertation writers face such as procrastination writer s block and the uncertainty of how to conduct a literature review or approach a methods section This newly revised edition addresses those elements and also includes Indispensable information for organizing and writing a dissertation Recommendations for identifying and writing research methods Expanded coverage of research ethics Insightful reflections from students who have effectively written and defended their dissertations From preparing for the climb to enjoying the view from the summit this book will assist you to successfully complete The Dissertation Journey **Kekuatan untuk menang** , Mental attitude can either cultivate or decimate ones motivation interpersonal relationships imagination and personal achievements Following Staples program will produce better relationships stronger families and personal

success The Well-fed Writer Peter Bowerman,2005 **The Dissertation Journey** Carol M. Roberts,2004-03-23 This book is not a technical manual to help doctoral students through the minutiae of conducting in depth qualitative or quantitative research Instead this how to manual will focus on the practical aspects of writing and organizing a dissertation in particular the psychological and social hurdles that are involved The author uses a conversational and encouraging tone along with plenty of graphics quotes illustrations and sample forms to guide doctoral students through the process of preparing writing and defending their dissertations Features checklists organizing graphics in depth list of resources for further inquiry quotations illustrations and other user friendly elements full of easily accessible practical advice that is administered in small bites conversational warm and personal writing style unique to this genre Climb Patricia Charles-Heathers,2008-05 MICHAEL BERRY is the fascinating biography of the first Muslim attorney to practice law in the State of Michigan Throughout his 50 years as an attorney in partnership with a diverse group of attorneys who joined the firm on a handshake and stayed for many years Michael Berry amassed many notable achievements and an equally impressive roster of awards and recognitions A savvy politician Michael Berry rose to chair the largest Democratic congressional district in the United States Michael Berry eventually was appointed to the powerful Wayne County Road Commission which oversaw the vast network of roads in Detroit s home county known as the automobile capital of the world Under his 16 year chairmanship the Detroit Metropolitan Airport was greatly expanded and became one of the top 10 airports in the United States In 1974 Detroit s international terminal was named after Michael Berry Throughout tragedy and triumph Michael Berry always found time to help anyone along the way to improve his or her life His community service and humanitarian efforts span decades and great distances including his ancestral land of Lebanon Overriding in this remarkable journey through the octogenarian s life is the example he set in everything he undertook He practiced law by the book often putting principle above payment He ran a tight ship at the Road Commission instituting a bidding system for all work undertaken by that influential body and clearly proving that stewardship can be as it should be the cornerstone of public service Arab Americans in fact all Americans everywhere should look to Michael Berry as a gentle giant who rose from childhood poverty and achieved great success without compromising the values instilled in him at a young age His biography serves as a living legacy for those who seek to blaze similar trails **Expectations and Possibilities** Joe D. Batten,2003-06-03 Joe Batten one of America s leading management consultants presents his dynamic can do philosophy of personal and professional fulfillment a practical action guide based on years of working with successful goal oriented people This isn t a book of nebulous advice but a highly readable time tested step by step program for changing your life

Mountains Into Goldmines Dennis Voskuil,1983 *The Church Must Grow or Perish* Mark T. Mulder,Gerardo Marti,2025-04-01 To fully understand American Christianity it s essential to understand Robert Schuller *The Church Must Grow or Perish* Robert H Schuller and the Business of American Christianity examines Schuller s indelible imprint on the

American church and how he developed a model of ministry both lauded and critiqued that transformed Christian life and community across this country Schuller's story is the starting point for powerful trends that continue to shape much of American religion today televangelism seeker sensitive outreach megachurches the suburbanization of white Christianity pastoral entrepreneurship and market oriented Christianity in pursuit of growth Authors Mark T Mulder and Gerardo Mart explore Schuller's drive to develop a theology a persona and a set of practices that he believed were necessary to keep Christianity vibrant long into the future They trace Schuller's career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher one who believed that in order for the church to thrive pastoral leaders needed to borrow from the best practices of big business including the entertainment industry This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity

Handbook for Righteous Living William E. Summers III, 2024-10-01 Where are you in your relationship with God and Jesus Christ Have you been forgiven of your sins and committed your life to Christ Are you seeking to find a closer relationship with God Is your life in turmoil and you struggle with no idea where to turn Life is not easy to navigate I know I struggled with habits that carried into my adult life I had trouble with jobs trouble with relationships trouble with finances You name it Everything in my life became a struggle In 2012 at the age of sixty five I found the Lord and dedicated my life to Jesus Christ But this is not a story about me Rather the Handbook for Righteous Living is a manual for navigating life to put it simply The goal is to help you find a better life to improve your relationship with others to become successful in your endeavors to find peace joy and strength and a love for others that you have never experienced There are no guarantees along the way What you draw from this manual is up to you You may have heard the old saying You can lead a horse to water but you can't make him drink Whether or not you grow is based on your application of these principles Whether you develop a relationship with Jesus Christ will be determined by your faith practice and love and trust in God

Do Real Men Pray? Charles H. Lippy, Jeffrey B. Leak, 2005 White male spirituality and the Christian man The dutiful patriarch The gentleman entrepreneur The courageous adventurer The efficient businessman The positive thinker The faithful leader Male spirituality in white Protestant America

The Nursery of Heaven George Zachariah, 2020-07-30 At a time when divorce and broken families are common Christian families are seeking God's blessing and wisdom to preserve and make fruitful their marriages and journey together The author has been married for sixty one years and through his experiences conversations and counseling with many couples he has garnered important insights on how Christians may have good and productive marriages This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners if they choose to listen The author's six decades with his partner Susan have encouraged him to share his and her insights with fellow Christians

Religion in the Modern American West Ferenc Morton Szasz, 2002-01-01 When Americans migrated west they carried with them not only their hopes for better lives but their religious traditions as well Yet the importance of religion in

the forging of a western identity has seldom been examined In this first historical overview of religion in the modern American West Ferenc Szasz shows the important role that organized religion played in the shaping of the region from the late nineteenth to late twentieth century He traces the major faiths over that time span analyzes the distinctive response of western religious institutions to national events and shows how western cities became homes to a variety of organized faiths that cast only faint shadows back east While many historians have minimized the importance of religion for the region Szasz maintains that it lies at the very heart of the western experience From the 1890s to the 1920s churches and synagogues created institutions such as schools and hospitals that shaped their local communities during the Great Depression the Latter day Saints introduced their innovative social welfare system and in later years Pentecostal groups carried their traditions to the Pacific coast and Southern Baptists among others set out in earnest to evangelize the Far West Beginning in the 1960s the arrival of Asian faiths the revitalization of evangelical Protestantism the ferment of post Vatican II Catholicism the rediscovery of Native American spirituality and the emergence of New Age sects combined to make western cities such as Los Angeles and San Francisco among the most religiously pluralistic in the world Examining the careers of key figures in western religion from Rabbi William Friedman to Reverend Robert H Schuller Szasz balances specific and general trends to weave the story of religion into a wider social and cultural context Religion in the Modern American West calls attention to an often overlooked facet of regional history and broadens our understanding of the American experience [The Divine Supermarket](#) Malise Ruthven, 2012-04-30 A perfect guide and crazy concept It s a rocking good read and something of a pocket guide to hell Time Out Travelling in a battered camping van Malise Ruthven set out across America in search of the manifestations often bizarre and sometimes terrifying of its religious spirit The journey took him from the dark woods of Puritan New England to neo Nazi cults in the Rockies from Mormons and Snake handlers to fundamentalist groups who challenge the teaching of evolution from Channellers in California to the sexual and financial scandals surrounding millionaire TV preachers The Divine Supermarket is his zesty and brilliantly observed account of the journey offering illuminating and humorous insights into the quirky soul of modern America *Robert H. Schuller* Robert H. Schuller, 1993 These two bestselling works Tough Times Never Last But Tough People Do and Tough Minded Faith for Tender Hearted People together present a dynamic and life changing plan for building a positive self image and releasing the unstoppable power of success Here is an attractive gift for everyone who wants to rekindle a vibrant enthusiasm for life
