Neil Philip

The Penguin Of Folk Ballads Of The English Speaking World:

The Penguin Book of Folk Ballads of the English-speaking World A. B. Friedman, 1976 *The Penguin Book of Folk Ballads of the English-Speaking World* Albert B. Friedman, 1956 **The English Traditional Ballad** David Atkinson, 2017-07-05 Ballads are a fascinating subject of study not least because of their endless variety It is quite remarkable that ballads taken down or recorded from singers separated by centuries in time and by hundreds of kilometres in distance should be both different and yet recognizably the same In *The English Traditional Ballad* David Atkinson examines the ways in which the body of ballads known in England make reference both to ballads from elsewhere and to other English folk songs The book outlines current theoretical directions in ballad scholarship structuralism traditional referentiality genre and context print and oral transmission and the theory of tradition and revival These are combined to offer readers a method of approaching the central issue in ballad studies the creation of meaning s out of ballad texts Atkinson focuses on some of the most interesting problems in ballad studies the wit combat in versions of *The Unquiet Grave* variable perspectives in comic ballads about marriage incest as a ballad theme problems of feminine motivation in ballads like *The Outlandish Knight* and *The Broomfield Hill* murder ballads and murder in other instances of early popular literature Through discussion of these issues and themes in ballad texts the book outlines a way of tracing tradition s in English balladry while recognizing that ballad tradition is far from being simply chronological and linear *English Songs and Ballads for Appalachian Dulcimer* Lance Frodsham, 2020-01-27 Traditional English folk music is presented here arranged for the mountain dulcimer These selections depict the trials and tribulations of everyday life including courtship marriage work crime lost love changing of seasons songs of children and songs for sailors There are also examples of the old ballads Includes access to online audio *The Watkins Book of English Folktales* Neil Philip, 2022-10-11 This is a golden treasury of over one hundred English folktales captured in the form they were first collected in past centuries Read these classic tales as they would have been told when storytelling was a living art when the audience believed in boggarts and hobgoblins local witches and will o the wisps ghosts and giants cunning foxes and royal frogs Find Jack the Giantkiller Tom Tit Tot and other quintessentially English favourites alongside interesting borrowings such as an English version of the Grimms *Little Snow White* as well as bedtime frighteners including *Captain Murderer* as told to Charles Dickens by his childhood nurse Neil Philip has provided a full introduction and source notes on each story that illustrate each tale s journey from mouth to page and what has happened to them on the way These tales rank among the finest English short stories of all time in their richness of metaphor and plot and their great verbal dash and daring **Nick Cave and the Bad Seeds' Murder Ballads** Santi Elijah Holley, 2020-11-12 In a bar called *The Bucket of Blood* a man shoots the bartender four times in the head In the small town of Millhaven a teenage girl secretly and gleefully murders her neighbors A serial killer travels from home to home quoting John Milton in his victims blood *Murder Ballads* the ninth studio album from Nick Cave and the Bad Seeds is a gruesome blood splattered reimagining

of English ballads American folk and blues music and classic literature Most of the stories told on Murder Ballads have been interpreted many times but never before had they been so graphic or profane Though earning the band their first Parental Advisory warning label Murder Ballads released in 1996 brought Nick Cave and the Bad Seeds their biggest critical and commercial success thanks in part to the award winning single Where the Wild Roses Grow an unlikely duet with Australian pop singer Kylie Minogue Closely examining each of the ten songs on the album Santi Elijah Holley investigates the stories behind the songs and the numerous ways these ballads have been interpreted through the years Murder Ballads is a tour through the evolution of folk music and a journey into the dark secrets of American history

The Destruction of Jerusalem in Early Modern English Literature Beatrice Groves, 2015-09-16 This book explores the fall of Jerusalem and restores to its rightful place one of the key explanatory tropes of early modern English culture Showing the importance of Jerusalem s destruction in sermons ballads puppet shows and provincial drama of the period Beatrice Groves brings a new perspective to works by canonical authors such as Marlowe Nashe Shakespeare Dekker and Milton The volume also offers a historically compelling and wide ranging account of major shifts in cultural attitudes towards Judaism by situating texts in their wider cultural and theological context Groves examines the continuities and differences between medieval and early modern theatre London as an imagined community and the way that narratives about Jerusalem and Judaism informed notions of English identity in the wake of the Reformation Adopting an interdisciplinary approach this volume will interest researchers and upper level students of early modern literature religious studies and theatre

Song and Democratic Culture in Britain Ian Watson, 2015-12-22 Originally published in 1983 Song has always been a natural way to record everyday experiences an expression of celebration commiseration complaint and protest This innovative book is a study of popular and working class song combining several approaches to the subject It is a history of working class song in Britain which concentrates not simply on the songs and the singers but attempts to locate such song in its cultural context and apply principles of literary criticism to this essentially oral medium It triggered controversy some critics castigated its Marxist approach others enthused that such unabashed partisanship amply reveals the outstanding characteristic of Watson s book The author discusses the way in which the popular song from Victorian times onwards has been forced by the entertainment industry out of its roots in popular culture to become a blander form of art with minimal critical potential The book ends by considering the possibilities for a continued flourishing of a genuine popular song culture in an electronic age It has become a standard title in bibliographies and curricula Much has changed since 1983 not least in music but this then innovative book still has a lot to say about popular song in its social and historical context

The British Folk Revival 1944-2002 Michael Brocken, 2017-07-12 This title was first published in 2003 This work considers the post war folk revival in Britain from a popular music studies perspective Michael Brocken provides a historical narrative of the folk revival from the 1940s up until the 1990s beginning with the emergence of the revival from within and around the left wing movements of the 1940s and

1950s Key figures and organizations such as the Workers Music Association the BBC the English Folk Dance and Song Society A L Lloyd and Ewan MacColl are examined closely By looking at the work of British Communist Party splinter groups it is possible to see the refraction of folk music as a political tool Brocken openly challenges folk historicity and internal narrative by discussing the convergence of folk and pop during the 1950s and 1960s The significant development of the folk rock hybrid is considered alongside class Americana radio and the strength of pop culture Brocken shows how the dichotomy of artistic natural versus industry mass produced music since the 1970s has led to a fragmentation and constriction of the folk revival The study concludes with a look at the upsurge of the folk music industry the growth of festivals and the implications of the Internet for the British folk revival Brocken suggests the way forward should involve an acknowledgement that folk music is not superior to but is in fact a form of popular music

The Penguin Book of English Folktales Neil Philip, 1992 With more than 100 memorable tales this extensive collection brings together stirring stories from all parts of Scotland from the vibrant Gaelic traditional Highlands and Islands to the enduring legends handed down by the Lowland Scots

John Clare Society Journal, 15 (1996) Edmund Blunden, Bridget Keegan, Matthew Smith, David Blamires, Sean Street, William C. Engels, Valerie Shepherd, Edward Storey, The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare

The Films of James Cameron Matthew Wilhelm Kapell, Stephen McVeigh, 2011-09-29 Among the most expensive and most profitable films of all time the works of James Cameron have had a profound effect upon popular culture and the technology of moviemaking Yet the very blockbuster nature of his films means that the political commentary cultural discourse and rich symbolism within the works are often overlooked From The Terminator to Avatar the director has evinced a persistence of themes concerns and visions that capture the contemporary zeitgeist This collection of essays on James Cameron's films written by a diverse group of scholars from a wide range of disciplines provides a comprehensive exploration of the work and legacy of one of America's foremost filmmakers

The Viking Book of Folk Ballads of the English-speaking World Albert B. Friedman, 1978

The Ballad and Oral Literature Joseph Harris, 1991 Francis James Child compiler and editor of English and Scottish Popular Ballads established the scholarly study of folk ballads in the English speaking world His successors at Harvard University notably George Lyman Kittredge Milman Parry and Albert B Lord discovered new ways of relating ideas about sung narrative to the study of epic poetry and what has come to be called oral literature In this volume 16 scholars from Europe and the United States offer original essays in the spirit of these pioneers The topics of their studies include well known Child ballads in their British and American forms aspects of the oral literatures of France Ireland Scandinavia medieval England ancient Greece and modern Egypt and recent literary ballads and popular songs Many of the essays evince a concern with the theoretical underpinnings of the study of folklore and literature orality and literacy and as a whole the volume re establishes the European ballad in the wider context of oral literature Among the contributors are Albert B Lord

Bengt R Jonsson Gregory Nagy David Buchan Vesteyinn Olason and Karl Reichl *Ljudske balade med izročilom in sodobnostjo* Marjetka Golež, 1998 V zborniku je petindvajset razprav raziskovalcev iz vsega sveta od Anglije Bolgarije Danske Finske Hrva ke Mad arske Makedonije Mehike Romunije Rusije kotske Walesa do ZDA in seveda Slovenije Razprave so pregled mednarodnega raziskovanja ljudskih balad in predstavljajo kako se tokovi preteklega in odsevi zgodovinskih asov arhetipske zgodbe prepletajo z vdorom na ih kulturnih in dru benih razmer tudi v nastajanje odmiranje in ponovno o ivljanje balad tako da njihovo raziskovanje prina a neizogibne spremembe

The Lotus Dickey Songbook Lotus Dickey, 2005 Long awaited new edition of the songs of a legendary Hoosier musician including a CD *You Factory Folks Who Sing This Song Will Surely Understand* Wes Mantoosh, 2006-07-25 First published in 2007 In early 1929 two organizers for the American Communist Party s recently established National Textile Worker s Union NTWU journeyed south by motorcycle to investigate the potential for beginning organizing work among textile workers in the Piedmont region One of these organizers Fred Beal decided to try his luck in Gastonia North Carolina which had been described to him as key to organizing the South In a chain of events whose rapidity and magnitude took Beal by surprise workers at the Loray mill became embroiled in a Communist led strike that would eventually focus national and even international attention on Gastonia This book focuses on Myra Page Grace Lumpkin and Olive Dargan the three authors of Gastonia novels who penetrate most incisively into the working class experience beneath historical and political accounts of the strike and its larger context [American Book Publishing Record Cumulative, 1950-1977](#) R.R. Bowker Company. Department of Bibliography, 1978

Apparitions at the Moment of Death Daniel Bourke, 2024-12-03 Explains the phenomenon of crisis apparitions visions of loved ones that are experienced simultaneously with their deaths even at great distances Examines a wide range of sources including history literature folklore theology and contemporary culture that demonstrate the timelessness and ubiquity of these ghostly encounters Presents hundreds of vivid accounts of crisis apparitions many never before compiled in a single volume Since ancient times people from nearly every culture and corner of the world have experienced visions of loved ones that coincided with their faraway deaths These otherworldly synchronicities known as crisis apparitions are not rare in fact they have always been a part of our collective experience blurring the lines between our knowledge of life and our beliefs about the afterlife In this work of spiritual scholarship academic researcher Daniel Bourke explores the moment of death from a deeply illuminating perspective giving readers unprecedented access to mystifying corners of paranormal study From the temples of ancient Egypt to the hospital rooms of the twenty first century from the works of Homer to the monks of the Middle Ages from the saint to the shaman Bourke examines the crisis apparition and the phenomena of the living ghost in legend lyric and lore demonstrating their universal nature for the first time He shares profound accounts from a wide range of sources including history literature folklore theology and contemporary culture to reveal how widespread these ghostly encounters are throughout the ages In demonstrating how these remarkable encounters with living ghosts aren t fearsome experiences but

leave the recipient full of healing and hope this book offers insight into how the beloved dead seem to communicate and the intertwined nature of humanity in this world and the next *Medieval Culture and the Mexican American Borderlands* Milo Kearney, Manuel Medrano, 2001 Their respective ancestral cultures in England and Spain argue scholars Milo Kearney and Manuel Medrano had common roots in medieval Europe and both their conflicts and the shared understandings that may form the basis for their cooperation trace back to those days BOOK JACKET
