Plotnik,1987     **Dangerous Guests** Ken Miller,2014-09-19 In *Dangerous Guests* Ken Miller reveals how wartime pressures nurtured a budding patriotism in the ethnically diverse revolutionary community of Lancaster Pennsylvania During the War for Independence American revolutionaries held more than thirteen thousand prisoners both British regulars and their so called Hessian auxiliaries in makeshift detention camps far from the fighting As the Americans principal site for incarcerating enemy prisoners of war Lancaster stood at the nexus of two vastly different revolutionary worlds one national the other intensely local Captives came under the control of local officials loosely supervised by state and national authorities Concentrating the prisoners in the heart of their communities brought the revolutionaries enemies to their doorstep with residents now facing a daily war at home Many prisoners openly defied their hosts fleeing plotting and rebelling often with the clandestine support of local loyalists By early 1779 General George Washington furious over the captives ongoing attempts to subvert the American war effort branded them dangerous guests in the bowels of our Country The challenge of creating an autonomous national identity in the newly emerging United States was nowhere more evident than in Lancaster where the establishment of a detention camp served as a flashpoint for new conflict in a community already unsettled by stark ethnic linguistic and religious differences Many Lancaster residents soon sympathized with the Hessians detained in their town while the loyalist population considered the British detainees to be the true patriots of the war Miller demonstrates that in Lancaster the notably local character of the war reinforced not only preoccupations with internal security but also novel commitments to cause and country     *SOME DEGREE OF POWER: Preindustrial American Printing Trades, 1778-1815 (C)* Mark A.
