The Pentecostal Pulpit Pentecostal Teaching And Preaching:

The Pentecostal Pulpit, 2001 **The Pentecostal Pulpit** Ken Chant, 2012-09-01 For whosoever shall call upon the name of the Lord shall be saved How then shall they call on him in whom they have not believed And how shall they believe in him of whom they have not heard And how shall they hear without a preacher Romans 10 13 14 There is no higher or more important calling than that of preaching the Word of God Almighty It changes the hearts of men and women even the entire world surrounding us This book *The Pentecostal Pulpit* deals with the practice and art of preaching the gospel in such a way as to maximize its impact on our world The importance of gifting and calling are balanced with the more technical aspects of the art of preaching the gospel Examples of powerfully effective preaching ministry are taken from the lives of Jesus Paul and recent church history The most common mistakes in preaching are also revealed Study and preparation are discussed as primary keys for developing and nurturing the love of God's Word which is the chief ingredient for maximum ministry effectiveness Every preacher will be greatly encouraged by the help this book offers **The Pentecostal Pulpit** Ken Chant, 1997 **Women Preachers and Prophets through Two Millennia of Christianity** Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophesy The contributors examine the centuries of arguments grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities Some of them based their authority solely on divine inspiration others were authorized by independent minded communities a few were even recognized by the church hierarchy With its lively accounts of women preachers and prophets in the Christian tradition this exceptionally well documented collection will interest scholars and general readers alike For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition *African Pentecostalism, the Bible, and Cultural Resilience* Biri, Kudzai, 2020-04-30 This volume based on a PhD thesis submitted to the University of Zimbabwe investigates the resilience of Shona religion and culture among ZAOGA Pentecostal Christians Whereas the Pentecostal ideology suggests that old things have passed away it appears that old things continue to have high significance for the new The book demonstrates how belief in avenging spirits witches and witchcraft value of words spoken prior to death the role status and significance of women belief in unnatural events liturgy and salvation have remained relevant to the lives of ZAOGA Shona converts The patterns of continuity discontinuity extension collaboration contradiction re interpretation and rejection between Shona traditional religion and culture and ZAOGA are

explored challenging the framing of African Pentecostalism as a mere imitation and parroting of US theology The conclusion is that while ZAOGA self consciously presents itself as a sophisticated trans national and progressive Pentecostal movement members continue to wrestle with Shona indigenous beliefs and practices An African womanist framework is adapted to challenge ZAOGA to promote the well being of women Worship and Power Sarah Kathleen Johnson, Andrew Wymer, 2023-03-22 Christian worship emerges from and speaks back into human relationships that are necessarily shaped by power and authority Free Churches structure and negotiate power in relation to worship in ways that reflect the decentralization local diversity and personal agency that characterize many aspects of Free Church theology and practice This volume models how dialogue among scholars and practitioners of Free Church worship as well as dialogue with the wider church can be mutually enriching as Christians strive together to worship in ways that are faithful and just **A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day** Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight and many more Volume Two covers the period from the Enlightenment to the present day and profiles thirty one preachers including Catherine Booth by Roger J Green Charles Haddon Spurgeon by Thomas J Nettles Henry Ward Beecher by Michael Duduit John Albert Broadus by Hershael W York D L Moody by Gregg L Quiggle Billy Sunday by Kristopher K Barnett Karl Barth by William H Willimon Dietrich Bonhoeffer by Keith W Clements D Martyn Lloyd Jones by Carl Trueman John Stott by Greg R Scharf Harry Emerson Fosdick by Dwayne Milioni Aimee Semple McPherson by Aaron Friesen Gardner C Taylor by Alfonza W Fulwood and Robert

traditions and theories of preaching The Truth About Grace Vinson Synan, 2018-04-03 Often the modern grace message gives people a license to disregard the clear moral teachings of Jesus and the apostles Churches around the globe teach a lawless grace and direct many to make choices of convenience and compromise Consequently Christianity loses public credibility as so called leaders of faith fall into adultery child abuse alcoholism financial corruption and many other sins This is the great crisis of the twenty first century church and respected theologian Vinson Synan says it s time to bring it to light Featuring perspectives of leaders from a range of cultural pastoral and theological backgrounds The Truth About Grace opens the discussion to more than a dozen scholarly contributors tackling topics such as grace and the security of the believer grace versus works and tongues as a manifestation of grace Synan brings you the key voices on this hot topic from hyper grace critic Michael Brown to Singaporean pastor Joseph Prince whom some consider a leading voice in the hyper grace movement The Truth About Grace will help you discern the unbiblical excesses in the modern grace message while growing in understanding of the true nature and purpose of grace **The Color of Christ** Edward J. Blum, Paul Harvey, 2012 Explores the dynamic nature of Christ worship in the U S addressing how his image has been visually remade to champion the causes of white supremacists and civil rights leaders alike and why the idea of a white Christ has endured

The Kerygmatic Spirit Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expository practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large

Three's a Crowd Jacqueline Grey, 2011-06-13 Three s a Crowd brings together the three dialogue partners of Pentecostalism hermeneutics and the Old Testament Previous attempts by Pentecostal academics to define a distinctive Pentecostal hermeneutic have focused on issues and application to the New Testament consequently estranging the Old Testament from the conversation This book engages the hermeneutical practices of Pentecostal and Charismatic groups in reading the Old Testament in ways that are representative while critical of their movement s ideological bases and visions While the issue of understanding and developing a viable Pentecostal hermeneutic has continued to be debated within the academic journals of the community for over a decade most discussion has focused on the prescription of ideals rather than

on the actual practice of the contemporary community By examining the reading practices of the Pentecostal and Charismatic community this book suggests a unique and rounded reading method that maintains the strengths of Pentecostal reading practices while addressing their inherent weaknesses In this way the voices of the three dialogue partners emerge in a mutual fellowship that engages both the needs of the Pentecostal community and informs the wider ecumenical dialogue
