The Peoples Violin:

The People's Violin Charles Varon, David Ford, 2005 THE STORY A play about Americans and Israelis Jews and gentiles truth and deception Sol Shank 43 is an experimental filmmaker transplanted New York Jew and unhappy son of a famous man Sol's father Sidney Shank is a psychotherapist Holocaust **The People's Artist** Simon Morrison, 2009 Sergey Prokofiev was one of the twentieth century's greatest composers and one of its greatest mysteries Until now In The People's Artist Simon Morrison draws on groundbreaking research to illuminate the life of this major composer deftly analyzing Prokofiev's music in light of new archival discoveries Indeed Morrison was the first scholar to gain access to the composer's sealed files in the Russian State Archives where he uncovered a wealth of previously unknown scores writings correspondence and unopened journals and diaries The story he found in these documents is one of lofty hopes and disillusionment of personal and creative upheavals Morrison shows that Prokofiev seemed to thrive on uncertainty during his Paris years stashing scores in suitcases and ultimately stunning his fellow emigres by returning to Stalin's Russia At first Stalin's regime treated him as a celebrity but Morrison details how the bureaucratic machine ground him down with corrections and censorship forcing rewrites of such major works as Romeo and Juliet until it finally censured him in 1948 ending his career and breaking his health **The People's Condensed Library**, 1877 **The Violin Times**, 1897 **The Violinist**, 1914 *People's Science* Ruha Benjamin, 2023-05-25 An engaging insightful and challenging call to examine both the rhetoric and reality of innovation and inclusion in science and science policy Daniel R Morrison American Journal of Sociology Stem cell research has sparked controversy and heated debate since the first human stem cell line was derived in 1998 Too frequently these debates devolve to simple judgments good or bad life saving medicine or bioethical nightmare symbol of human ingenuity or our fall from grace ignoring the people affected With this book Ruha Benjamin moves the terms of debate to focus on the shifting relationship between science and society on the people who benefit or don't from regenerative medicine and what this says about our democratic commitments to an equitable society People's Science uncovers the tension between scientific innovation and social equality taking the reader inside California's 2004 stem cell initiative the first of many state referenda on scientific research to consider the lives it has affected Benjamin reveals the promise and peril of public participation in science illuminating issues of race disability gender and socio economic class that serve to define certain groups as more or less deserving in their political aims and biomedical hopes Ultimately Ruha Benjamin argues that without more deliberate consideration about how scientific initiatives can and should reflect a wider array of social concerns stem cell research from African Americans struggle with sickle cell treatment to the recruitment of women as tissue donors still risks excluding many Even as regenerative medicine is described as a participatory science for the people Benjamin asks us to consider if the people ultimately reflects our democratic ideals , **My Heart Is a Violin** Shony Alex Braun, 2003-02-19 This book traces the unique and remarkable life of Shony Alex Braun As a boy of four he becomes lost in the Transylvanian forest and

encounters a group of gypsies who enchant him with their musical instruments This launches his love and fascination for the violin He eagerly learns to play the violin and by age eleven he makes his debut on Radio Bucharest His dreams of further study are cut short by Nazi oppression and the deportation of him at thirteen and his family to Auschwitz The violin miraculously saves his life in the death camp of Dachau and then after liberation the violin brings him back from the brink of death as he recovers from a gunshot wound blood poisoning tuberculosis and malnutrition He meets a charming girl in the recovery hospital and begins a new life with her as his wife in the United States Shony goes on to become a prolific composer Hollywood performer concert soloist and Pulitzer Prize nominee His faith in God and his courage to survive will inspire you Shonys loving concern for others with help you realize there is good in the world

Violin of Hope Ella Schwartz, 2024-11-05 Based on the true story of luthiers who repair Holocaust era violins Papa plays beautiful music on the violin sometimes quick and lively and sometimes slow and sorrowful But one night there is a pounding on the door and a Nazi soldier snatches the violin away The violin is silent for years until a luthier finds it and says I can fix you Then a man comes to the shop and buys the violin for his son In the boy's hands the violin feels familiar like a melody remembered from long ago

The People of Seldwyla: Part I Gottfried Keller, 2024-05-09 If one disregards Goethe's writings the best German book there is what actually remains of German prose literature that deserves to be read again and again Lichtenberg's aphorisms the first book

of Jung Stilling's *Lebensgeschichte* Adalbert Stifter's *Nachsommer* and Gottfried Keller's *The people of Seldwyla* and that will be the end of it for the time being Nietzsche *Human All Too Human* *Menschliches Allzumenschliches* *The People of Seldwyla* *Die Leute von Seldwyla* is a two part novella cycle This two part collection of novellas is regarded as a masterpiece of 19th century German narrative art and is representative of the poetic realism style The first five novellas Part I were written by Keller between 1853 and 1855 in Berlin and they were published in 1856 by the Vieweg Verlag The subsequent five novellas Part II were composed in several stages between 1860 and 1875 primarily during Keller's tenure as State Secretary in Zurich It comprises ten life portraits the working title during the Berlin phase interconnected by a shared setting the fictional Swiss town of Seldwyla With the exception of *Romeo und Julia auf dem Dorfe* an adaptation of Shakespeare's tragedy the Seldwyla stories are comedies in novella form characterized by a strong satirical and grotesque element Two of the novellas *Romeo und Julia auf dem Dorfe* and *Kleider machen Leute* hold a place in world literature and are among the most widely read narratives in German language literature They have been adapted into films and operas multiple times translated into numerous languages and are available in an extensive array of editions Here in one of Keller's greatest works he weaves a satirical and vivid portrait of the fictional Swiss town of Seldwyla and its idiosyncratic inhabitants Keller presents Seldwyla as a town rich in communal wealth but populated by citizens who are perpetually impoverished and perpetually merry living off the community's resources with a carefree almost hedonistic disregard for conventional work ethics and financial prudence The town's unique social dynamics are dominated by a youthful aristocracy who indulge in a lifestyle sustained by credit and outside labor engaging in an endless cycle of debt and frivolity The narrative is interspersed with anecdotes and vivid character sketches that bring to life the peculiar customs and social behaviors of the Seldwyler These include their penchant for political agitation seasonal celebrations with young wine and a penchant for idle but ingenious schemes that sustain their paradoxical existence In stories such as *Pankraz the Schmoller* and *Romeo and Juliet in the Village* Keller explores themes of human folly resilience and the inexorable transition from youthful exuberance to the sober realities of aging *Pankraz the Schmoller* *Pankraz der Schmoller* is the first story in *Die Leute von Seldwyla* which was published in Braunschweig in 1856 The title character works his way up from a day thief in Seldwyla to a colonel in the French legion but is unable to find happiness *Romeo and Juliet in the village* In this tale Keller adapted a true incident that he had taken from a newspaper report Two neighboring farmers live together in harmony until they begin to quarrel over a small piece of land *Frau Regel Amrain* and her youngest *Frau Regel Amrain und ihr Jüngster* is a story from the cycle of novellas *Die Leute von Seldwyla* published in Braunschweig in 1856 It is about the education of a boy to become an upright man and citizen Franz Duncker had the text printed in the *Berlin Volks Zeitung* in 1855 Mr Amrain a former button maker had mixed with the speculators of Seldwyl and bought a quarry on the outskirts of the small town He never quarried any stone however but merely speculated on the new property When a conservative financier saw through the liberal Mr Amrain he withdrew his

capital from the quarry Mr Amrain then left his wife Regula and their three children in Seldwyla and left for North America

The Three Righteous Comb Makers Die drei gerechten Kammacher The story is about three German journeymen craftsmen who work for a master craftsman in Seldwyla all three of them hardworking thrifty frugal calculating and conflict averse Despite this or perhaps because of it they become fierce rivals each wants to buy the comb making business and each wants to marry the same wealthy maiden to do so A decisive race ensues which ends badly for two of the Mirror the kitten Spiegel das Kätzchen An animal fable within the tradition of the classical romantic art fairy tale His tomcat Spiegel Mirror in German so called because of his shiny fur is inclined to philosophical contemplation like Puss Murr and like Reineke Fuchs a famous fairy tale by Goethe possesses the gift of saving his head through tall tales and cunningly contrived intrigues This novella is one of Keller's best known tales and has been adapted several times This modern critical reader's translation from the original German includes supplementary materials that bring Keller's life and impact to life Nietzsche considered Keller to be one of the greatest living poets of his time However his works are rarely found in other languages so most people today are unaware of who he was or why he was important This edition remedies that situation by providing a clear accessible version of Keller's original German writing and offering insight into his broader ideas and the philosophical landscape in which he operated Working directly from Keller's manuscripts this new translation delivers literary excellence and scholarly depth with amplifying materials Readers will discover not only Keller's powerful voice but also the philosophical currents that shaped an entire era of German thought The edition includes an illuminating afterword tracing Keller's intellectual relationship with Nietzsche revealing the fascinating dialogue between two of the period's most influential minds A comprehensive timeline connects the major events of Keller's life with his published works and a detailed index provides an authoritative guide to his complete writings Together these materials provide newcomers and serious readers with everything needed to appreciate one of literature's most overlooked figures
