Drew, 2023-03-07 In the early days of motion pictures before superstars before studio conglomerates before even the advent of sound there was a woman named Pearl White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White's rise to stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the youngest of five children in a small rural Missouri farm town White first began performing in high school She would eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often involved her own stunt work It was that
